

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2007 Assembly Bill 803

**Assembly
Amendment 1**

Memo published: March 12, 2008

Contact: Don Dyke, Chief of Legal Services (266-0292)

Consistent with the current exemption that applies to certain farmland, Assembly Bill 803 exempts, under certain circumstances, nonprofit camps from town sanitary district or town special assessments for the construction of a sewerage or water system. For purposes of the exemption, “camp” is defined as “all real property not exceeding 30 acres ... of any camp conducted by a nonprofit corporation, a charitable trust, or other nonprofit association ... that is organized under the laws of this state, so long as the property is used primarily for camping for children and not for pecuniary profit of any individual.”

Assembly Amendment 1 deletes the “not exceeding 30 acres” restriction.
