Assembly Amendment 1 to 2007 Assembly Bill 818

Among other provisions, 2007 Assembly Bill 818 would allow a court to order a period of revocation resulting from a conviction for operating while under the influence of an intoxicant or a test refusal, or a period of suspension resulting from an excessive chemical test result, to run concurrently with any period of time remaining on any other revocation or suspension regardless of whether the other revocation or suspension arises out of the same incident or occurrence. Assembly Amendment 1 removes this provision.
