

## WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

**2007 Senate Bill 223**

**Senate Amendment 1**

*Memo published: October 3, 2007*

*Contact: Scott Grosz, Staff Attorney (266-1307)*

Generally, 2007 Senate Bill 223 permits a city or village to include certain expenditures in the project costs of a tax incremental district (TID) in addition to project costs permitted under current law. Under the bill, expenditures may be included as project costs of a TID if incurred within one-half mile of the TID boundary and approved by the joint review board for the TID.

*Senate Amendment 1* creates the additional requirement that expenditures made within one-half mile of a TID boundary must also be made within the city that created the TID in order to be included as project costs of the TID.
