2007 Senate Bill 72 creates the Midwest Interstate Passenger Rail Compact and Commission. It designates four members to the commission and specifies that the members shall serve without compensation, except that they shall be reimbursed for actual and necessary expenses incurred in the performance of their duties. It also specifies that the Department of Transportation shall pay the cost of membership in the commission.

Senate Amendment 1 to 2007 Senate Bill 72 deletes the provision that provides for the reimbursement of the actual and necessary expenses incurred by members of the commission.
