the statutes; relating to: creating an Elections Division in the Office of the
Secretary of State and transferring the functions of the Elections Board to the division, other than functions relating to campaign financing.

**Analysis by the Legislative Reference Bureau**

Under current law, the Elections Board consists of eight or nine members, depending on election results. One member is appointed by the governor, and the other members are appointed by the governor from designations made by the chief justice of the supreme court, the speaker of the assembly, the senate majority leader, the minority leader in each house of the legislature, and the chief officer of each political party qualifying for a separate ballot at the September primary whose candidate for governor at the most recent gubernatorial election received at least 10 percent of the vote. The Elections Board administers state laws relating to elections and election campaigns, including campaign financing. In exercising its administrative and regulatory powers, the Elections Board may investigate violations of the elections law; file civil actions to collect forfeitures for violations of the elections law; issue formal opinions regarding a person’s duties under the elections laws; oversee the elections process relating to ballots, forms, machines, and voting systems; and generally enforce the elections laws.

This bill transfers all of the Elections Board’s powers and duties to a new Elections Division, which is attached to the Office of the Secretary of State, other than powers and duties relating to campaign financing. Under the bill, the Elections Division is placed under the supervision of a division administrator, who is appointed by the secretary of state outside of the classified service. The administrator is responsible for carrying out all duties and exercising all powers of the Elections Division. All current employees of the Elections Board, other than the current executive director, are transferred to the Elections Division except those employees whose responsibilities relate primarily to campaign financing, as determined by the secretary of administration. The bill further requires the secretary of state to provide all necessary assistance for the Elections Division to perform its duties. Finally, the bill places the Election Administration Council, which is currently in the Elections Board, in the Office of the Secretary of State.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

under sub. (6) may appeal the decision of the board division to circuit court for the

5.06 (9) The court may not conduct a de novo proceeding with respect to any findings of fact or factual matters upon which the board division has made a determination, or could have made a determination if the parties had properly presented the disputed matters to the board division for its consideration. The court shall summarily hear and determine all contested issues of law and shall affirm, reverse or modify the determination of the board division, according due weight to the experience, technical competence and specialized knowledge of the board division, pursuant to the applicable standards for review of agency decisions under s. 227.57.

(3) A complainant under sub. (1) or any of the complainants in a consolidated complaint under sub. (2) may request a hearing and the matter shall then be treated as a contested case under ch. 227, except that the board division shall make a final determination with respect to the merits of the complaint and issue a decision within 89 days of the time that the complaint or the earliest of any complaints was filed,
unless the complainant, or each of any complainants whose complaints are consolidated, consents to a specified longer period.

(4) If the board division finds the complaint to be without merit, it shall issue a decision dismissing the complaint. If the board division finds that the violation alleged in the complaint has occurred, is occurring, or is proposed to occur, the board division shall order appropriate relief, except that the board division shall not issue any order under this subsection affecting the right of any person to hold an elective office or affecting the canvass of an election on or after the date of that election.

commissioners shall prominently post a sign in the form prescribed by the board
division warning electors in substance that on any ballot with votes cast for
candidates of more than one recognized political party or any ballot with votes cast

The order of presidential candidates on the ballot shall be determined by lot by or under the supervision of the board division. Each voter shall be given the ballots of all the parties participating in the presidential preference vote, but may vote on one ballot only.

SECTION 28. 5.60 (1) (b), (3) (ag), (5) (ar) and (6) (a) of the statutes are amended to read:

The arrangement of names of all candidates on the ballot whose nomination papers are filed with the board division shall be determined by the board division by the drawing of lots not later than the 2nd Tuesday in January, or the next day if the first Tuesday is a holiday. Whenever a primary is held for an office, a 2nd drawing of all candidates for that office shall be held by or under the supervision of the board division not later
than the 3rd day following the completion of the primary canvass to determine the arrangement of candidates on the election ballot.

1. Except as authorized in s. 5.655, there shall be a separate ballot giving the names of all candidates for city offices, printed in the same form as prescribed by the board division under s. 7.08 (1) (a). City election ballots may vary in form to conform to the law under which an election is held.

2. The offices to be filled shall be arranged on the official ballot in the order they are named in the statutes creating them. The names of the candidates shall be arranged by using the same method as that used by the board division under sub. (1) (b). On the ballot used for the election of supervisors to unnumbered seats, all supervisor candidates shall be listed together and the voting instructions shall state “Vote for not more than... [insert number of supervisors to be elected] candidates”. All towns shall elect their supervisors to unnumbered seats unless the annual town meeting adopts a plan to elect supervisors to numbered seats. The names of candidates for town office shall be arranged by using the same method as that used by the board division under sub. (1) (b). A space shall be provided under each office on the ballot for a write-in candidate.

4. 5.62 (1) (a) and (b) 1., (2) (a), (3) and (4) (ar) and (b) of the statutes are amended to read:
5.62 (1) (a) At September primaries, the following ballot shall be provided for the nomination of candidates of recognized political parties for national, state and county offices and independent candidates for state office in each ward, in the same form as prescribed by the board division under s. 7.08 (1) (a), except as authorized in s. 5.655. The ballots shall be made up of the several party tickets with each party entitled to participate in the primary under par. (b) or sub. (2) having its own ballot, except as authorized in s. 5.655. The independent candidates for state office other than district attorney shall have a separate ballot for all such candidates as under s. 5.64 (1) (e), except as authorized in s. 5.655. The ballots shall be secured together at the bottom. The party ballot of the party receiving the most votes for president or governor at the last general election shall be on top with the other parties arranged in descending order based on their vote for president or governor at the last general election. The ballots of parties qualifying under sub. (2) shall be placed after the parties qualifying under par. (b), in the same order in which the parties filed petitions with the board division. Any ballot required under par. (b) 2. shall be placed next in order. The ballot listing the independent candidates shall be placed at the bottom.

At polling places where voting machines are used, each party and the independent candidates shall be represented in one or more separate columns or rows on the ballot. At polling places where an electronic voting system is used other than an electronic voting machine, each party and the independent candidates may be represented in separate columns or rows on the ballot.

(b) 1. Except as provided in subd. 2. and s. 5.64 (1) (e) 2., every recognized political party listed on the official ballot at the last gubernatorial election whose candidate for any statewide office received at least 1% of the total votes cast for that office and, if the last general election was also a presidential election, every
recognized political party listed on the ballot at that election whose candidate for
president received at least 1% of the total vote cast for that office shall have a
separate primary ballot or one or more separate columns or rows on the primary
ballot as prescribed in par. (a) and a separate column on the general election ballot
in every ward and election district. An organization which was listed as
“independent” at the last general election and whose candidate meets the same
qualification shall receive the same ballot status upon petition of the chairperson
and secretary of the organization to the board division requesting such status and
specifying their party name, which may not duplicate the name of an existing party.
A petition under this subdivision may be filed no later than 5 p.m. on June 1 in the
year of each general election.

(2) (a) Except as provided in par. (b) and s. 5.64 (1) (e) 2., any political
organization may be represented on a separate primary ballot or in one or more
separate columns or rows on the primary ballot as prescribed in sub. (1) (a) and in
a separate column on the general election ballot in every ward and election district.
To qualify for a separate ballot under this paragraph, the political organization shall,
not later than 5 p.m. on June 1 in the year of the September primary, file with the
board division a petition requesting separate ballot status. The petition shall be
signed by at least 10,000 electors, including at least 1,000 electors residing in each
of at least 3 separate congressional districts. The petition shall conform to the
requirements of s. 8.40. No signature obtained before January 1 in the year of filing
is valid. When the candidates of a political organization filing a valid petition fulfill
the requirements prescribed by law, they shall appear on a separate ballot or one or
more separate columns or rows on the ballot for the period ending with the following
general election.
(3) The board division shall designate the official primary ballot arrangement for statewide offices and district attorney within each prosecutorial district by using the same procedure as provided in s. 5.60 (1) (b). On each ballot and on each separate column or row on the ballot, the candidates for office shall be listed together with the offices which they seek in the following order whenever these offices appear on the September primary ballot: governor, lieutenant governor, attorney general, secretary of state, state treasurer, U.S. senator, U.S. representative in congress, state senator, representative to the assembly, district attorney and the county offices. Below the names of the independent candidates shall appear the party or principle of the candidates, if any, in 5 words or less, as shown on their nomination papers.

(4) (ar) Within a county the county clerk shall arrange the names of all candidates filing nomination papers with the clerk’s office using the same method as that used by the board division under s. 5.60 (1) (b).

(b) The county board of election commissioners in counties having a population of more than 500,000 shall prepare the official primary ballot. The commissioners shall arrange the names of all candidates for each office whose nomination papers are filed at the county level, using the same method as that used by the elections board division under s. 5.60 (1) (b).

SECTION 30. 5.64 (1) (ag), (b), (e) 1. and (es) and (2) (am) and (c) of the statutes are amended to read:

5.64 (1) (ag) Except as authorized in s. 5.655, there shall be a separate ballot giving the names of all candidates for president and vice president and for statewide, congressional, legislative, and county offices in the same form as prescribed by the board division under s. 7.08 (1) (a).
(b) The names of the candidates on the regular party tickets nominated at the primary or replacements appointed under s. 8.35 (2) shall appear in a separate column under the party designation. The columns shall be arranged from left to right according to rank, based on the number of votes received by each party’s candidate for president or governor at the last general election beginning with the party that received the most votes. To the right of the columns for parties qualifying under s. 5.62 (1) (b) shall be placed the columns for parties qualifying under s. 5.62 (2) in the same order in which the parties filed petitions with the board division. Any column required under par. (e) 2. shall be placed next in order. To the right of the party columns shall be a column for the names of independent candidates for each office, or more than one column if the first column does not provide sufficient space for the names of all such candidates.

(e) 1. Except as provided in subd. 2., each candidate’s name shall be placed in the column of the party by which nominated or if independent, in a column designated independent and all candidates for the same office shall appear within the same rows on the ballot. If a separate column is provided to write in the names of any party candidates under subd. 2., the column shall appear before the column designated independent with the spaces provided to write in the names of the candidates for each such party appearing in the same order in which the columns of their parties would appear under par. (b). Along with the names of the independent candidates shall appear the party or principle of the candidates, if any, in 5 words or less, as shown on their nomination papers. Independent candidates for the same county office shall be listed in the same manner in an order drawn by lot by or under supervision of the county clerk or board of election commissioners. The board division shall conduct a redrawing for purposes of determining the arrangement of
independent candidates for state office who appeared on the primary ballot in the
manner provided in s. 5.60 (1) (b).

   (es) The party candidates shall be arranged consecutively from top to bottom
based on the number of votes received by their party’s candidate for governor at the
last election beginning with the party that received the most votes. The independent
president–vice president candidates shall be listed together in an order drawn by lot
by or under supervision of the board division, following under the party candidates.
Along with the names of the independent candidates shall appear the party or
principle of the candidates, if any, in 5 words or less, as shown on their nomination
papers. Following under the independent candidates, a space shall be left for writing
in the names of a candidate for president and vice president.

   (2) (am) There shall be a separate ballot when any proposed constitutional
amendment or any other measure or question is submitted to a vote of the people,
except as authorized in s. 5.655. The ballot shall give a concise statement of each
question in accordance with the act or resolution directing submission in the same
form as prescribed by the board division under s. 7.08 (1) (a). The question may not
be worded in such a manner as to require a negative vote to approve a proposition
or an affirmative vote to disapprove a proposition. Unless otherwise expressly
provided, this ballot form shall be used at all elections when questions are submitted
to a vote of the people.

   (c) The official referendum ballot prescribed under this subsection shall be
utilized at every election, except that the format shall be altered to the extent
provided or required by other laws establishing or authorizing referenda to be
conducted. Except as authorized in s. 5.655, all referenda shall appear on a separate
ballot, but more than one referendum question may appear on the same referendum
ballet whenever the questions are numbered and all electors voting the ballot are
entitled to vote upon all questions appearing thereon. When more than one state
referendum is placed on the same ballet, the board division shall number the
questions in chronological sequence. If the legislature submits questions on different
dates, the board division shall number the questions sequentially based on the date
on which the questions are submitted by the legislature. Except as authorized in s.
5.655, state and county referenda shall appear on a separate ballet from municipal
or special district referenda. The form of all referendum ballots shall be
substantially the same as that prescribed by the board division under s. 7.08 (1) (a).

SECTION 31. 5.655 (3) of the statutes is amended to read:

5.655 (3) The board division shall prescribe notices and instructions to be given
to electors who use a ballet that is authorized under sub. (2) in lieu of any notices and
instructions that are applicable only to municipalities employing separate paper
ballets.

SECTION 32. 5.68 (7) of the statutes is amended to read:

5.68 (7) Any municipality that maintained polling hours beginning later than
7 a.m. prior to April 29, 2006, and that incurs additional costs to adjust its polling
hours to begin at 7 a.m. at any election held after April 29, 2006, may file a claim with
the board division for reimbursement of those costs. The claim shall be accompanied
by appropriate substantiation of all costs incurred. The board division shall audit
the claim and, if the board division finds that the costs have been incurred by the
municipality, and the costs would not have been incurred but for the requirement to
open polling places at 7 a.m., the board division shall reimburse the municipality for
those costs. No claim is payable under this subsection unless the claim is filed with
the board division, together with appropriate substantiation, within 60 days following the date on which the costs are incurred.

SECTION 33. 5.72 of the statutes is amended to read:

5.72 Correcting ballot errors. (1) As soon as possible after ballots are delivered to the county clerk or to the municipal clerk if the municipality is preparing ballots under s. 7.15 (2), but not later than 3 weeks before any election relating to a state or national office or statewide referendum, the county or municipal clerk preparing the ballots shall submit one copy of each ballot to the board division for review of possible errors. If the contractor preparing the ballots supplies proofs in advance of ballot preparation, the clerk shall submit one copy of the proofs in lieu of actual ballots. If a voting machine ballot or other ballot combining local candidates or referenda with state or national candidates or referenda is used, the entire ballot shall be submitted, but if ballots intended for distribution to electors are used, only those ballots relating to state or national offices and statewide referenda need be submitted. This subsection does not require delay of ballot distribution or mailing of absentee ballots.

(2) The board division shall review ballots and proof copies submitted under sub. (1) and shall notify the county and municipal clerk of any error as soon as possible but in no event later than 7 days after submission. The clerk is not required to correct a ballot error upon receipt of notice of the error, unless ordered to do so under sub. (3) or s. 5.06 (6).

(3) Whenever an affidavit is filed by the board division or any elector alleging an error or omission in the preparation of a ballot, the circuit court for the county where the ballot is proposed to be used or its presiding judge, by order, may
summarily require a county or municipal clerk to correct the error, or show cause why it should not be corrected and, by order, after the hearing, have the correction made.

SECTION 34. 5.83 of the statutes is amended to read:

5.83 Preparation for use of voting devices; comparison of ballots. Where voting devices are used at a polling place, the municipal clerk shall cause the voting devices to be put in order, set, adjusted and made ready for voting when delivered to the polling place. Before the opening of the polls the inspectors shall compare the ballots used in the voting devices with the sample ballots furnished and see that the names, numbers and letters thereon agree and shall certify thereto on forms provided by the board division.

SECTION 35. 5.87 (2) of the statutes is amended to read:

5.87 (2) The board division shall, by rule, prescribe uniform standards for determining the validity of votes cast or attempted to be cast with each electronic voting system approved for use in this state under s. 5.91. The rules shall apply only to situations that may arise in which the validity of a vote or attempted vote cast by an elector utilizing a particular system cannot be determined under s. 7.50.

SECTION 36. 5.905 (2), (3) and (4) of the statutes are amended to read:

5.905 (2) The board division shall determine which software components of an electronic voting system it considers to be necessary to enable review and verification of the accuracy of the automatic tabulating equipment used to record and tally the votes cast with the system. The board division shall require each vendor of an electronic voting system that is approved under s. 5.91 to place those software components in escrow with the board division within 90 days of the date of approval of the system and within 10 days of the date of any subsequent change in the components. The board division shall secure and maintain those software
components in strict confidence except as authorized in this section. Unless
authorized under this section, the board division shall withhold access to those
software components from any person who requests access under s. 19.35 (1).

(3) The board division shall promulgate rules to ensure the security, review and
verification of software components used with each electronic voting system
approved by the board division. The verification procedure shall include a
determination that the software components correspond to the instructions actually
used by the system to count votes.

(4) If a valid petition for a recount is filed under s. 9.01 in an election at which
an electronic voting system was used to record and tally the votes cast, each party
to the recount may designate one or more persons who are authorized to receive
access to the software components that were used to record and tally the votes in the
election. The board division shall grant access to the software components to each
designated person if, before receiving access, the person enters into a written
agreement with the board division that obligates the person to exercise the highest
degree of reasonable care to maintain the confidentially of all proprietary
information to which the person is provided access, unless otherwise permitted in a
contract entered into under sub. (5).

amendment or referendum question is approved.

signature, and the governor shall sign and affix the great seal of the state and
transmit the certificate to the president of the U.S. senate. The certificate shall be
