AN ACT to renumber 70.11 (21) (a); to amend 74.35 (2m), 74.35 (5) (d), 76.025 (1), 76.81, 77.54 (26), 79.04 (1) (a) and 79.04 (2) (a); and to create 70.11 (21) (ab) of the statutes; relating to: the definition of waste treatment facility for property tax exemption purposes.

Analysis by the Legislative Reference Bureau

Under current law, generally, all property purchased or constructed as a waste treatment facility and used to treat industrial wastes or air contaminants is exempt from property taxes. Under administrative rules promulgated by the Department of Revenue (DOR), “waste treatment facility” means tangible property that is built, constructed, or installed as a unit so as to be readily identifiable as directly removing, altering, or storing leftover, superfluous, discarded, or fugitive material. For purposes of administering the property tax exemption for waste treatment facilities, this bill creates a definition in the statutes for “waste treatment facility” that is the same as the definition under DOR’s administrative rules.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
