AN ACT to amend 346.655 (1), 346.655 (2) (a) and 346.655 (2) (b); and to create 346.655 (2) (am) of the statutes; relating to: a surcharge for convictions related to operating a vehicle while intoxicated.

Analysis by the Legislative Reference Bureau

Under current law, a person who is convicted of certain violations relating to operating a vehicle while intoxicated must pay a driver improvement surcharge of $355 in addition to any applicable forfeiture or fine, assessments, and costs. The driver improvement surcharge is distributed between the municipality or county where the conviction occurs and the state.

This bill increases the driver improvement surcharge to $455. Under the bill, $100 of that amount is given to the law enforcement agency that arrested the person who is convicted of the violation relating to operating a vehicle while intoxicated. The bill requires the law enforcement agency to use the money to purchase and maintain law enforcement equipment that will be used to prevent alcohol-related and other drug-related criminal activity. The remaining $355 is distributed, as under current law, between the municipality or county where the conviction occurs and the state.

For further information see the local fiscal estimate, which will be printed as an appendix to this bill.
