2007 ASSEMBLY BILL 164

March 12, 2007 – Introduced by Representatives FRISKE, GRONEMUS, SHERMAN, A. OTT, MURSAU, GUNDERSON and MUSSER, cosponsored by Senator SCHULTZ. Referred to Committee on Transportation.

AN ACT to amend 348.175 of the statutes; and to affect 2005 Wisconsin Act 167, sections 2 and 7 and 2005 Wisconsin Act 167, section 18 (1); relating to: vehicle weight limitations.

Analysis by the Legislative Reference Bureau

Under current law, with limited exceptions, no person may operate upon a highway any vehicle or combination of vehicles that exceeds certain statutory weight limits unless the person obtains a permit issued by the Department of Transportation (DOT) or a local highway authority. One exception allows DOT and local highway authorities to declare certain highways under their jurisdiction as frozen and eligible for increased weight limitations, and to establish increased weight limitations on these highways, for the transportation of certain forest products or of abrasives or salt for highway winter maintenance in excess of generally applicable statutory weight limitations.

2005 Wisconsin Act 167 (Act 167) eliminated, effective January 1, 2011, this frozen road weight limitation exception with respect to vehicles transporting certain forest products. This bill repeals Act 167’s elimination of the frozen road weight limitation exception for forest products, thereby restoring this exception. The bill also requires that DOT and local highway authorities, with respect to highways under their respective jurisdictions, make frozen road declarations on the first day that conditions warrant, as determined by DOT and local highway authorities under applicable standards, and that these declarations become effective as of 12:01 a.m. on the second day following the declaration.
For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
