AN ACT to create 121.54 (2) (f) of the statutes; relating to: transportation of
four−year−old kindergarten pupils attending private schools.

Analysis by the Legislative Reference Bureau

Under current law, a school board that operates high school grades must
generally transport to and from school private school pupils who reside in the school
district and who reside at least two miles from school, regardless of the grade in
which the pupil is enrolled. This bill provides that a school board that does not
operate a four−year−old kindergarten program is not required to transport
four−year−old kindergarten pupils attending private schools.

For further information see the state and local fiscal estimate, which will be
printed as an appendix to this bill.
