March 19, 2007 – Introduced by Representatives HRAYCHUCK, BALLWEG, BIES, F. LASEE and MURSAU, cosponsored by Senator HARSDFORD. Referred to Committee on State Affairs.

AN ACT to renumber and amend 125.51 (8); to amend 125.04 (3) (g) (intro.), 125.04 (5) (a) 5., 125.07 (1) (b) 5., 125.07 (3) (a) 6m., 125.10 (4), 125.17 (6) (a) 2., 125.185 (2) and (4), 125.51 (1) (a), 125.53 (1), 125.54 (1), 125.66 (4), 125.68 (1) (title), 125.68 (1) (a) (intro.), 125.68 (2), 125.68 (2m) (a), 125.68 (4) (c) (title), 1. and 3., 125.68 (5), 125.68 (8) (a) 3., 125.69 (1) (b) 1., 3. and 4., 125.69 (1) (c) 2. and 125.69 (6) (c); and to create 125.05 (1) (a) 3s., 125.51 (3p) and 125.51 (8) (a) 4. of the statutes; relating to: creating a new license authorizing retail sales of wine by certain restaurants for consumption on or off the premises where sold and the penalty for certain alcohol beverage violations.

Analysis by the Legislative Reference Bureau

Under current law, alcohol beverages are generally distributed to consumers under a three-tier distribution system: a manufacturer may sell only to a wholesaler or rectifier (a person who blends, refines, or purifies distilled spirits or wines); a wholesaler or rectifier may sell only to a wholesaler or retailer; and a retailer may sell only to a consumer. With specific exceptions, no person may sell outside the three-tier system and no person may sell alcohol beverages to a consumer unless the seller possesses a license or permit authorizing the sale. A “Class A” license
ASSEMBLY BILL 189

authorizes the retail sale of intoxicating liquor, including wine, for consumption off the licensed premises. A “Class B” license authorizes the retail sale of intoxicating liquor for consumption on or off the licensed premises, which authorization is subject to certain limitations, some of which depend on whether the issuing municipality has adopted an ordinance related to “Class B” licenses. A “Class C” license authorizes the retail sale of wine by the glass or in an opened original container for consumption on the licensed premises. A “Class C” license may only be issued for a restaurant in which the sale of alcohol beverages accounts for less than 50 percent of gross receipts and that either does not have a barroom or has a barroom in which wine is the only intoxicating liquor sold. Each of these licenses is issued by a municipality.

This bill creates a “Class D” license authorizing the retail sale of wine by the glass or in an opened original bottle or other original container for consumption on the licensed premises or in unopened original bottles or other original containers in any quantity to be consumed off the licensed premises. A “Class D” license may only be issued to a restaurant that meets the requirements for issuance of a “Class C” license. The license is issued by municipalities and the annual fee for the license is determined by each issuing municipality, but may not exceed $100. The restrictions and requirements applicable under current law to either “Class C” licenses or “Class B” licenses are also generally applicable to “Class D” licenses.

Under current law, no person (including a licensee or permittee) may procure for, sell, dispense, or give away alcohol beverages to any individual who has not attained the legal drinking age of 21 years (underage person) or who is not accompanied by his or her parent, guardian, or spouse who has reached the legal drinking age. Current law also prohibits an adult from intentionally encouraging or contributing to the illegal provision of alcohol beverages to an underage person and from knowingly permitting or failing to take action to prevent the illegal consumption of alcohol beverages by an underage person on premises owned by the adult or under the adult’s control. A person who violates any of these prohibitions is subject to various penalties, ranging from a forfeiture of $500 to a fine of $10,000 and imprisonment for not more than nine months, as well as possible driver’s license suspension and alcohol beverage license suspension. However, a Class “A,” Class “B,” “Class A,” or “Class B” licensee violating any of these prohibitions is subject only to alcohol beverage license suspension. The bill provides that a “Class C” or “Class D” licensee violating any of these prohibitions is also subject only to alcohol beverage license suspension.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
