2007 ASSEMBLY BILL 2

January 12, 2007 – Introduced by Representatives WASSERMAN, HINES, ALBERS, JESKEWITZ, NASS, NEWCOMER and SEIDEL, cosponsored by Senator RISSER. Referred to Committee on Transportation.

AN ACT to amend 343.16 (3) (a), 343.21 (2) (a) and 343.25 (7); and to create 343.16 (3) (am) and 343.16 (3) (ar) of the statutes; relating to: operators’ license requirements for certain drivers and for certain drivers’ tests and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, a person who applies for a new driver’s license, must, under most circumstances, demonstrate his or her knowledge of the rules of the road and his or her driving skills in a test administered by the Department of Transportation (DOT). Most drivers’ licenses issued by DOT must be renewed every eight years. To renew a license to drive an automobile or a motorcycle, an applicant must pass a test of his or her eyesight. Current law allows the secretary of DOT to require any person to submit to additional testing to determine incompetency, incapacity, disease, or impairment that may prevent the person from exercising reasonable and ordinary control over a motor vehicle. Under current law, most drivers pay $15 to take up to three driving skills tests.

Under the bill, a person who is at least 75 years of age but less than 85 years of age must pass a test of his or her eyesight every three years. A person who is over the age of 85 must pass a test of his or her eyesight and demonstrate his or her knowledge of traffic laws every two years. The bill requires DOT to submit to the legislature a report on the effects of the proposed legislation on highway safety and a report on effects of aging and driving ability and transportation alternatives for older drivers.
ASSEMBLY BILL 2

Additionally, under the bill, most drivers are charged $13 for each driving skills test that he or she takes. The bill also authorizes the creation of 2.5 positions in DOT to conduct the required studies relating to older drivers and to administer driver licensing services.
