

2007 ASSEMBLY BILL 25

January 24, 2007 – Introduced by Representative PARISI, cosponsored by Senator MILLER. Referred to Committee on Transportation.

1 **AN ACT to amend** 346.02 (1) of the statutes; **relating to:** the applicability of rules
2 of the road to private roads located in mobile home parks.

Analysis by the Legislative Reference Bureau

Under current law, rules of the road apply upon highways, with certain exceptions. Current law defines “highway” to include all public ways and thoroughfares and bridges on the same. “Highway” includes roads or driveways in parks and in state forests that are open to the public and roads or driveways that are on the grounds of public schools and under the jurisdiction of the county. However, a private road or driveway is not considered a highway.

This bill applies all of the rules of the road to private roads that are located within mobile home parks.
