AN ACT to amend 16.75 (1) (a) 1. and 16.75 (6) (bm) and (e); and to create 16.705 (1r) of the statutes; relating to: state procurement of contractual services.

Analysis by the Legislative Reference Bureau

Currently, state executive branch agencies may contract for services that can be performed more economically or efficiently by contract than by state employees. With numerous exceptions, any services must be obtained from the lowest responsible bidder or the person submitting the most advantageous competitive sealed proposal. Services may be obtained from domestic or foreign sources.

With certain exceptions, this bill requires all contractual services purchased by state executive branch agencies to be performed within the United States. This requirement does not apply if the contractual services cannot be obtained within the United States.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
