AN ACT to renumber and amend 943.50 (1) (a); to amend 943.50 (title), 943.50 (1) (b) 1. and 943.51 (1) (a); and to create 943.50 (1) (ad) and 943.50 (1m) (i) of the statutes; relating to: theft of services and providing a penalty.

Analysis by the Legislative Reference Bureau

Current law prohibits retail theft. A person who steals from a merchant is subject to penalties that vary according to the value of the merchandise that was stolen. Retail theft is a Class A misdemeanor if the value of the merchandise does not exceed $2,500, a Class I felony if the value of the merchandise exceeds $2,500 but does not exceed $5,000, a Class H felony if the value of the merchandise exceeds $5,000 but does not exceed $10,000, and a Class G felony if the value of the merchandise exceeds $10,000.

This bill defines “merchandise” to include a service, benefit, or privilege provided for a fee by a merchant. Under this bill, a person who obtains a service, benefit, or privilege and intentionally absconds without paying for the service, benefit, or privilege is guilty of retail theft and subject to the same penalties as under current law.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a
report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.
