2007 ASSEMBLY BILL 6

January 12, 2007 – Introduced by Representative SCHNEIDER. Referred to Committee on Consumer Protection and Personal Privacy.

AN ACT to repeal 100.52 (3) (b); to renumber 100.52 (3) (a); to amend 20.115 (8) (jm) and 100.52 (4) (b) 1.; and to create 100.523 of the statutes; relating to: requiring telephone solicitors to obtain consent before soliciting sales, contributions, or political support.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Agriculture, Trade and Consumer Protection (DATCP) must promulgate rules requiring a telephone solicitor to identify, at the beginning of a telephone conversation, the telephone solicitor and the person who is selling property, goods, or services. Currently, such rules are required only for persons that are soliciting the purchase of property, goods, or services, and are not required for nonprofit organizations.

This bill deletes the current rule-making requirement. The bill prohibits making a telephone call to a residential customer for the purpose of soliciting a sale, soliciting a contribution to an organization, or soliciting support or opposition to a candidate for election, political party or committee, or referendum question, unless the person making the call immediately identifies himself or herself and any organization on whose behalf the person is making the call, and obtains the recipient’s oral consent to proceed with the telephone call. If the recipient does not consent, the caller must immediately terminate the call.
For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
