2007 ASSEMBLY BILL 697

AN ACT to renumber and amend 118.40 (3) (c); to amend 118.19 (1), 118.40 (1m) (b) 7., 118.40 (2r) (c) 1., 118.40 (2r) (d) 1., 118.40 (2r) (e) 2., 118.51 (2) and 121.02 (1) (a) 2.; and to create 115.001 (16), 118.40 (2r) (c) 4., 118.40 (8), 118.51 (18) and 121.83 (1m) of the statutes; relating to: virtual charter schools.

Analysis by the Legislative Reference Bureau

Under current law, any person who teaches in a public school, including a charter school, must hold a teaching license or permit issued by the Department of Public Instruction (DPI). This bill specifies that if a pupil attends a virtual charter school, a person who provides educational services to the pupil in the pupil’s home, other than staff of the virtual charter school, is not required to hold a teaching license or permit. The bill defines a virtual charter school as a charter school in which instruction is provided primarily through means of the Internet and the pupils and teachers are geographically remote.

Current law provides that a charter school established by a school board must be located in the school district; an independent charter school established by the city of Milwaukee, the University of Wisconsin–Milwaukee, or the Milwaukee Area Technical College must be located in the city of Milwaukee; and an independent charter school established by the University of Wisconsin–Parkside must be located in a unified school district that is located in the county in which the University of Wisconsin–Parkside is situated or in an adjacent county. This bill provides that these restrictions do not apply to virtual charter schools.
In general, current law provides that only pupils who reside in the school district in which an independent charter school is located may attend the charter school. This bill exempts virtual charter schools from this restriction.

Current law provides that if the University of Wisconsin–Parkside establishes a charter school, the state must pay a sum to the unified school district in which it is located to reimburse the school district for the reduction in state aid resulting from the loss of pupils to the charter school. This bill provides that this payment does not apply if the charter school established is a virtual charter school.

The bill provides that if a pupil who is not a resident of this state attends a virtual charter school established by or under contract with a school board in this state, the school board must charge the pupil tuition in an amount equal to at least the amount used for the per pupil state aid adjustment under the Open Enrollment Program.

Finally, the bill clarifies that a pupil may attend a charter school in a nonresident school district through the Open Enrollment Program.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
