Securities Law, granting rule−making authority, and providing penalties.

Analysis by the Legislative Reference Bureau
In 1969, this state enacted the current Wisconsin Uniform Securities Law, effective January 1, 1970, based upon the Uniform Securities Act of 1956. The Wisconsin Uniform Securities Law has been repeatedly amended, in part to incorporate changes to federal law, including changes made by 1997 Act 316 to conform state law to the federal National Securities Markets Improvement Act of 1996 (NSMIA). In the NSMIA, Congress preempted certain elements of state authority to regulate securities so that, subject to certain exceptions, state laws and regulations requiring registration or qualification of a security or of a securities transaction cannot apply to federal covered securities. The NSMIA defined federal “covered security” to include: 1) securities that are listed or authorized to be listed or traded on the New York Stock Exchange, the American Stock Exchange, the
National Association of Securities Dealers Automated Quotation (NASDAQ) system, or a national securities exchange that has substantially similar listing requirements (exchange-listed securities); 2) securities of investment companies registered with the federal Securities and Exchange Commission (SEC), which are typically mutual funds; 3) securities offered or sold only to qualified purchasers, as defined by the SEC by rule; and 4) securities in certain other specified transactions. Congress also limited, in certain respects, state regulation of broker-dealers. Under the NSMIA, a state may not prohibit an agent for a registered broker-dealer in another state from effecting transactions with certain preexisting clients in the state if certain criteria are met. In the NSMIA, Congress made more significant changes with respect to investment advisers, preempting state registration, but not notice filing, of investment advisers that have assets under management in excess of $25 million, that advise registered investment companies, that do not have a place of business in the state and have had fewer than six clients who are state residents in the preceding 12-month period, or that are otherwise registered with the SEC or exempt from the definition of investment adviser under federal law. After 1999, states cannot require registration of federal covered investment advisers that fail or refuse to pay state notice filing fees. The supervised persons of federal covered investment advisers are also to be regulated exclusively by the SEC, except that a state may register or qualify such an investment adviser representative who has a place of business within the state. The NSMIA also restricts, in part, the ability of a state to establish capital, custody, margin, financial responsibility, record keeping, bonding, or financial or operational requirements for broker-dealers and investment advisers. In the NSMIA, Congress further declared a policy of increasing federal and state cooperation in securities matters and instructed the SEC to cooperate, coordinate, and share information and to seek uniformity in federal and state regulatory standards, forms, and procedures.

This bill adopts the Uniform Securities Act (2002) (USA 2002), with certain modifications recommended by the Wisconsin Uniform Securities Act Study Group (WUSA Study Group). The USA 2002 primarily revises and updates the Uniform Securities Act of 1956, taking into consideration the little-adopted Revised Uniform Securities Act of 1985 and the fact that parts of the Uniform Securities Act of 1956 have been preempted by the NSMIA. The stated purpose of the USA 2002 is to modernize the 1956 Uniform Securities Act as a consequence of a combination of new federal preemptive legislation, significant recent changes in the technology of securities trading and regulation, and the increasingly interstate and international aspects of securities transactions. The USA 2002 identifies, in its preface, three overarching themes: 1) the objectives of uniformity and coordination of federal and state securities law, cooperation among relevant state and federal governments and other regulatory organizations, and investor protection; 2) achieving consistency with the NSMIA, particularly with respect to federal covered securities and federal covered investment advisers; and 3) facilitating electronic records, signatures, and filings, including filings through third-party central information depositories, such as the Central Registration Depository (Web-CRD) and the Investment Adviser Registration Depository (IARD). Thirteen states have adopted the USA 2002.
In general, the form, structure, and mechanics of the USA 2002 are similar to current Wisconsin law and the changes the USA 2002 makes to current law are not dramatic. Also, this bill deviates in a number of ways from the USA 2002 to retain provisions of current law in Wisconsin.

**Securities registration**

Under current law, a person may not offer or sell any security in this state unless the security is registered with the Division of Securities in the Department of Financial Institutions (division), the security or transaction is exempt from registration, or the security is a federal covered security. In addition, a securities issuer or registrant, and certain control persons of the issuer or registrant, may not offer or sell registered securities in this state if the issuer or registrant is in violation of the state's securities laws. A “security” is defined broadly and includes any stock, note, bond, share in a business trust, investment contract, commodity futures contract, or limited partnership interest, as well as many other financial interests. A “security” also presumptively includes an interest in a limited liability company (LLC) if certain conditions are met, but does not include a fixed or variable insurance policy or annuity contract.

Under current law, a security may be registered with the division by coordination or by qualification. Registration by coordination may be used for any security for which a federal registration statement has been filed with the SEC in connection with the same offering and has not yet become effective. For registration by coordination, a registration statement must contain specified information, be accompanied by certain documents, such as the corresponding federal filings, and include a consent to service of process. Registration by coordination generally becomes effective automatically at the moment the federal registration statement becomes effective. Any security may be registered by qualification. For registration by qualification, the registration statement must contain specified information, be accompanied by a consent to service of process, and contain further information and documents required by the division. In addition to securities registration, the division may impose notice filing requirements on the issuer of any federal covered security except an exchange-listed security. The division may require the filing with the division of certain documents filed with the SEC related to the same federal covered security and the payment of a notice filing fee. Where a notice filing requirement can be imposed and is imposed, if the issuer fails to comply with the requirement, the division can prohibit offers and sales of the federal covered security in this state, if certain conditions are met.

Under current law, certain securities are exempt from registration with the division, including: securities of the United States or a state or political subdivision of a state; securities of a bank or public utility; securities listed, or approved for listing, on a securities exchange designated by the division; securities of certain nonprofit organizations; certain commercial paper with a maturity of nine months or less; investment contracts related to certain employee benefit plans; common stock of a service corporation or cooperative; certain security options and commodity futures contracts; securities issued by a broker-dealer to its officers or employees; certain securities issued in connection with an insurance corporation conversion to
a mutual insurance corporation; and any security for which the division finds registration unnecessary for the protection of investors. In addition, even when a security is not exempt, a transaction involving the security may be exempt. Exempt securities transactions include the following: isolated nonissuer transactions; unsolicited nonissuer transactions through a broker-dealer; transactions between issuers and underwriters; nonissuer sales at a price reasonably related to the market price if the issuer is registered with the SEC or exempt from federal registration or if securities of the same class have been registered with the division within the preceding two years or registered with the SEC and certain other conditions are met; an offer or sale to the issuer, a bank or other financial institution, an insurer, a broker-dealer, an investment adviser or federal covered adviser, an investment company or pension or profit-sharing trust, state or federal or local government, or an accredited investor, as defined below (collectively “sophisticated investors”); certain transactions in debt secured by a mortgage and sold as a unit (mortgage-backed securities); an offer or sale of a preorganization subscription; an offer or sale of its securities by an issuer having its principal office in this state to not more than 25 persons, excluding sophisticated investors, if certain conditions are met; a transaction resulting from offers to not more than 25 persons in this state, excluding sophisticated investors, during a 12-month period, if certain conditions are met, regardless of the issuer’s presence in this state; a transaction resulting from an offer to the issuer’s existing security holders, if certain conditions are met; certain merger, reorganization, stock split, or stock dividend transactions; certain debt transactions of nonprofit organizations; certain offers, but not sales, of securities for which both federal and state registration statements have been filed; an offer or sale of securities made in reliance on the federal Regulation D, SEC Rule 505, exemption related to limited offerings not exceeding $5,000,000, if certain conditions are met; and any other transaction as to which the division finds that registration is not necessary or appropriate for the protection of investors. An “accredited investor,” which is a type of sophisticated investor, is defined by federal and state law to include financial institutions, individuals with a specified minimum net worth or income, business entities with certain minimum assets, and corporate executives of a security’s issuer.

Current law authorizes the division, by order after certain required proceedings, to deny or revoke any security exemption or security transaction exemption or to issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, a registration statement under specified circumstances.

This bill, in adopting the USA 2002 with some modification, retains the general structure and content of current law with respect to securities registration. The bill continues to generally require offerings of securities that are not federal covered securities to be registered unless exempt, provides for registration by coordination and registration by qualification, provides for notice filing as to some federal covered securities, recognizes securities exemptions and securities transactions exemptions, and authorizes the division to modify certain of these general requirements and to deny or revoke exemptions and issue stop orders. However, the bill also includes a
number of changes to current law with respect to securities registration and exemptions, including the following:

1. The bill makes some modifications to the definition of “security.” The bill expressly provides that a security may be uncertificated, that is, paperless. The bill modifies the definition of “security” with respect to an interest in an LLC and adds specific language related to interests in limited liability partnerships. The bill expressly includes viatical settlements of insurance contracts in the definition of “security.” The bill expands the definition of “security” with respect to certain derivatives and includes language to clarify when an investment in a common enterprise is a security. The bill also excludes from the definition of “security” interests in pension plans subject to the Employee Retirement Income Security Act of 1974. The bill authorizes the division to exclude certain investment contracts from the definition of “security.”

2. The bill makes certain modifications with respect to exempt securities. The bill modifies and broadens the exemption for federal covered securities and derivative securities, such as options. The bill exempts securities issued by insurance companies. The bill modifies the exemption for securities issued by nonprofit organizations, providing greater discretionary authority to the division with respect to such securities, and exempts certain equipment trust certificates. The bill eliminates specific exemptions related to commercial paper, employee pension plans, common stock of service corporations, securities issued by broker-dealers, and commodity futures contracts.

3. The bill makes certain modifications with respect to exempt securities transactions. Instead of the sophisticated investors exemption under current law, the bill provides a transaction exemption for a sale or offer to an institutional investor, an accredited investor, a federal covered investment adviser, or any other person exempted by the division. The bill defines “institutional investor” to include, subject to certain limitations, all of the following: banks and other financial institutions; insurance companies; investment companies; registered broker-dealers; employee pension and profit-sharing plans, employee benefit plans of state and local governments, and trusts of financial institutions related to these plans; business and nonprofit entities, small business investment companies, and private business development companies, each with total assets in excess of $10,000,000; federal covered investment advisers acting for their own accounts; qualified institutional buyers and major U.S. institutional investors, as defined by federal law, but generally including investment companies, financial institutions, insurance companies, investment advisers, and other entities that act for their own account and invest at least $100,000,000 or have assets under management of at least $100,000,000; any other entity of institutional character with total assets in excess of $10,000,000; and any other person specified by the division. The bill includes various changes related to, and new exemptions for, nonissuer transactions, including those related to foreign issuers, SEC reporting companies, certain debt securities, and transactions by certain federal covered investment advisers. The bill includes new exemptions for certain security swaps, solicitations of interest prior to the effective date of a registration statement, and rescission offers and transactions.
The bill modifies the exemption for certain mortgage-backed securities. The bill eliminates a transaction exemption related to nonprofit debt issues, so that nonprofit-related exemptions are entirely securities exemptions rather than transaction exemptions. The bill also eliminates the specific transaction exemption related to limited offerings under SEC Rule 505.

4. The bill modifies the definition of a securities “issuer.” The bill adds several new definitions, including definitions of “bank,” “depository institution,” “institutional investor,” and “international banking institution.” The bill also adds new definitions of “filing,” “record,” and “sign” to clearly recognize electronic information, documents, and filings.

The bill also varies from, or adopts optional language under, the USA 2002 in a number of respects. These variations, or the adoption of this optional language, are generally recommended by the WUSA Study Group to retain aspects of current law or current division rules with respect to certain matters, including: the definitions of “issuer,” “security,” and “viatical settlement investment”; the security exemption for government securities, relating to industrial revenue bonds; the security transaction exemption for unsolicited broker-dealer transactions, relating to documentation requirements; the security transaction exemption for sales to institutional investors, adding accredited investors; the security transaction exemptions for certain limited offerings and preorganization subscriptions; the security transaction exemption for offers to existing security holders, to add a ten-day notice filing requirement; division authority to deny or revoke exemptions; filing and reporting procedures for open-end mutual funds, and extension procedures for unit investment trusts and closed-end mutual funds; division authority relating to registration requirement waivers, reports by certain professionals, and division comment letters; escrow of securities and impoundment of proceeds; trust indentures for registered debt securities; and security merit review.

Registration of securities professionals

Under current law, unless exempt from licensing, a person may not transact business in this state as a broker-dealer or an agent unless the person is licensed as a broker-dealer or an agent, even if the person is also federally registered as such with the SEC. A “broker-dealer” is any person, whether an individual or an entity, engaged in the business of effecting transactions in securities for the account of others or for the person’s own account, but does not include any of the following: an agent; an issuer; a bank, savings institution, or trust company, when effecting transactions for its own account or executing orders as an agent for a purchaser or seller; a personal representative, guardian, conservator, or pledgee; a person whose dealings in securities are limited to transactions in mortgage-backed securities; a person licensed as a real estate broker who has only isolated and incidental transactions in securities; the State of Wisconsin Investment Board (SWIB); or any other person designated by the division. An “agent” is an individual other than a broker-dealer who represents a broker-dealer or a securities issuer in effecting or attempting to effect transactions in securities, but does not include an individual who represents an issuer in effecting transactions in an exempt security, in effecting
most exempt transactions, or in effecting other transactions if no commission is paid for soliciting persons in this state. Current law provides a number of exemptions to the broker–dealer and agent licensing requirements, including exemptions for persons who effect transactions exclusively for sophisticated investors; persons who represent broker–dealers in effecting certain de minimus transactions for preexisting clients who were residents in the state where the agent is registered for at least 30 days in the previous one–year period; an agent acting exclusively for a securities issuer with respect to certain exempt transactions involving accredited investors; and persons who give group presentations at broker–dealer meetings or seminars where no solicitation, offer, or sale is made. A broker–dealer or issuer may not employ as an agent an individual who is not licensed or exempt from licensing. An agent generally may not represent more than one broker–dealer or issuer and may not simultaneously represent both a broker–dealer and an issuer. However, dual representation by an agent of issuers that are limited partnerships or investment companies is permissible if certain conditions are met.

Under current law, unless exempt from licensing, a person may not transact business in this state as an investment adviser unless the person is licensed as an investment adviser. An “investment adviser” is a person, whether an individual or an entity, that, for compensation, engages in the business of advising others, directly or through publications or electronically, as to the value of securities or as to the advisability of purchasing or selling securities or that, for compensation and as a part of a regular business, issues analyses or reports concerning securities, but does not include a bank, savings institution, or trust company; certain professionals, such as lawyers and accountants; broker–dealers or agents whose performance of these services is solely incidental to the conduct of their own business and who receive no special compensation for these services; newspaper, magazine, and other publishers; SWIB; federal covered advisers, unless they fail to pay applicable fees to the division; persons whose advice, analyses, or reports relate only to certain exempt government securities or who are otherwise identified by SEC rule as excluded from the definition of investment adviser; an investment adviser representative; or other persons designated by the division. A “federal covered adviser” is a person, whether an individual or an entity, that is registered with the SEC as an investment adviser. Investment advisers that have assets under management of at least $25,000,000 or that are advisers to investment companies are federal covered advisers registered exclusively with the SEC. Current law provides a number of exemptions to the investment adviser licensing requirement, including exemptions for persons who are licensed as broker–dealers; persons whose only clients in this state are sophisticated investors; persons who do not have a place of business in this state and, during the preceding 12–month period, have had no more than five in–state clients who are not sophisticated investors.

Although federal covered advisers are excluded from the definition of “investment adviser” and state registration of federal covered advisers is preempted under the NSMIA, federal covered advisers are generally subject to notice filing requirements under current law. A federal covered adviser must comply with notice filing requirements to transact investment advisory business in this state unless the
federal covered adviser’s only clients who are residents of this state are sophisticated investors or the federal covered adviser does not have a place of business in this state and, during the preceding 12-month period, has advised no more than five in-state clients who are not sophisticated investors.

Under current law, unless exempt from licensing, a person may not transact business in this state as an investment adviser representative unless the person is licensed as an investment adviser representative. An “investment adviser representative” is, with certain exceptions, a “supervised person,” as defined by the division by rule, of an investment adviser or federal covered adviser unless the supervised person does not regularly solicit or communicate with clients or provides only impersonal investment advice or is a third-party solicitor, as defined by the division by rule. Current law provides a number of exemptions to the investment adviser representative licensing requirement, including exemptions for persons who are licensed as agents; persons whose only clients in this state are sophisticated investors; and persons who do not have a place of business in this state and, during the preceding 12-month period, have had no more than five in-state clients who are not sophisticated investors.

Under current law, a licensed investment adviser may not employ as an investment adviser representative a person who is neither licensed nor exempt from licensing. A person employed or supervised by, or associated with, a federal covered adviser may not act as an investment adviser representative in this state unless the person is licensed or exempt from licensing.

Under current law, a broker-dealer, agent, investment adviser, or investment adviser representative may obtain a license by filing with the division, or with an organization designated by the division, such as Web-CRD or IARD, an application together with a consent to service of process. The application must contain all information required by the division by rule. Unless an exception applies, a federal covered adviser must file with the division a notice filing together with payment of a notice filing fee. The notice filing must consist either of a notice filing form prescribed by the division or a copy of documents filed with the SEC. The division may, upon appropriate proceedings, deny an application or suspend or revoke a license or censure a licensee under certain conditions, including if the applicant or licensee filed an application that is materially false or misleading with respect to any material fact; willfully violated state or federal securities laws; has been convicted of certain criminal offenses or has been enjoined by a court; has engaged in dishonest or unethical practices in the securities or investment advisory business or has taken unfair advantage of a customer; is insolvent; is unqualified; or has failed reasonably to supervise agents or employees.

Under current law, the division may prescribe standards of qualification with respect to training, experience, and knowledge of, and provide for examinations of, broker-dealers, agents, investment advisers, and investment adviser representatives. The division may also, subject to federal law, establish minimum net capital requirements for licensed broker-dealers and investment advisers and require licensed broker-dealers and investment advisers who have custody of or discretionary authority over client funds or securities to post bonds. The division
must cooperate with other securities administrators and regulatory authorities to simplify and coordinate license application, notice filing, and renewal procedures. A licensed broker–dealer, agent, or investment adviser may not transact business in this state if it is in violation of the state’s securities laws.

This bill, in adopting the USA 2002 with some modification, retains the general structure and content of current law with respect to securities professionals. Although the bill changes the terminology of regulation from “licensing” to “registration,” the bill continues to require registration of entities and individuals in a similar manner, contains exemptions to registration, and retains similar administrative and supervisory authority by the division over these entities and individuals. However, the bill also includes a number of changes to current law with respect to securities professionals, including the following:

1. The bill eliminates specific exclusions under current law from the definition of a broker–dealer for a personal representative, guardian, conservator, or pledgee; a person whose dealings in securities are limited to transactions in mortgage–backed securities; a person licensed as a real estate broker who has only isolated and incidental transactions in securities; and SWIB. The bill also changes the specific exclusion for a bank, savings institution, or trust company, consistent with federal law under the Gramm–Leach–Bliley Act of 1999, so that the exclusion applies only to a bank or savings institution whose activities as a broker–dealer are limited to certain activities specified under federal law, such as third–party brokerage services, trust activities, custodial services, and de minimus transactions; buying or selling securities for its own account, including in a fiduciary capacity, but not as a part of a regular business; or buying or selling certain securities, under certain conditions, as specified under federal law. The bill also excludes from the definition of broker–dealer an international banking institution and a bank or savings institution that, in 1999, was a member of a national securities exchange and was required by SEC rule to comply with federal broker–dealer regulations.

2. The bill also makes changes to the exemptions to broker–dealer registration. The bill eliminates the group presentation exemption under current law and changes the exemption for transactions exclusively for sophisticated investors. The bill creates several new exemptions to broker–dealer registration. Under the bill, a broker–dealer is exempt from registration if its only transactions effected in this state are with the following: the issuer of the securities involved in the transactions; a broker–dealer registered with the division or exempt from registration; institutional investors, as defined above; accredited investors, as defined above, but not including individuals; a nonaffiliated federal covered investment adviser with investments under management in excess of $100,000,000 acting for the account of others pursuant to discretionary authority in a signed record; a bona fide preexisting customer whose principal place of residence is not in the state if the broker–dealer is registered with the SEC or with the state in which the customer maintains a principal place of residence; a bona fide preexisting customer whose principal place of residence is in this state if the broker–dealer was not present in this state when the customer relationship was established, if the broker–dealer is registered with the SEC or with the state in which the customer relationship was established and
the customer maintained his or her residence, and if, with certain exceptions, the broker-dealer files an application for registration within 45 days after the customer’s first transaction in this state and no further transaction is effected more than 75 days later; or any other person exempted by the division. In addition, the division may permit a broker-dealer registered in a foreign jurisdiction that does not have a place of business in this state to effect certain transactions, including with individuals from the same jurisdiction who are temporarily present in this state and with whom the broker-dealer had a bona fide customer relationship before the individual entered the United States, and may permit an agent to effect these transactions for the broker-dealer.

3. The bill eliminates all specific exclusions under current law from the definition of agent but provides the division with authority to exclude individuals from this definition. The bill also makes changes to the exemptions to agent registration. The bill changes the exemptions for transactions exclusively for sophisticated investors and transactions involving accredited investors. The bill makes a slight change in the wording related to the exemption for de minimus transactions for certain preexisting clients. The bill creates several new exemptions to agent registration, including exempting an individual who represents an exempt broker-dealer; represents an issuer with respect to an offer or sale of the issuer’s own securities and who receives no commission; represents an issuer in effecting most exempt transactions; with exceptions, represents an issuer that effects transactions solely in federal covered securities; represents a broker-dealer registered with the division or exempt from registration in the offer and sale of securities for an account of a nonaffiliated federal covered investment adviser with investments under management in excess of $100,000,000 acting for the account of others pursuant to discretionary authority in a signed record; represents an issuer in connection with the purchase of the issuer’s own securities; represents an issuer or broker-dealer and who restricts participation to performing clerical or ministerial acts; represents a broker-dealer and effects transactions in this state exclusively with certain customers (those whose transactions with a broker-dealer do not require the broker dealer to be registered); and is otherwise exempted by the division.

4. The bill eliminates specific exclusions under current law from the definition of “investment adviser” for trust companies that are not banks and for SWIB. The bill also modifies the exclusion under current law related to federal covered advisers, so that a federal covered adviser is excluded regardless of whether it pays to the division notice filing fees. The bill specifically provides that “investment adviser” includes a financial planner that provides investment advice for compensation. The bill also makes changes to the exemptions to investment adviser registration. The bill eliminates the specific exemption for a licensed broker-dealer and changes the exemptions for persons whose only clients in this state are sophisticated investors and persons who do not have a place of business in this state and, during the preceding 12-month period, have had no more than five in-state clients who are not sophisticated investors. Under the bill, the following persons are exempt from investment adviser registration: persons whose only clients in this state are federal
covered investment advisers, investment advisers registered with the division, broker-dealers registered with the division, institutional investors, or accredited investors other than individuals; persons whose only clients in this state are bona fide preexisting clients whose principal places of residence are not in this state if the investment adviser is registered or exempt from registration in the state in which the clients maintain principal places of residence; persons whose only clients in this state are clients exempted by the division; persons who do not have a place of business in this state and who have had, during the preceding 12 months, no more than five in-state clients in addition to the institutional investors, accredited investors, federal covered investment advisers, registered investment advisers or broker-dealers, or bona fide preexisting clients to which another exemption applies; and any other person exempted by the division.

5. The bill completely eliminates the current law definition of “investment adviser representative” and creates a new definition. Under the bill, an “investment adviser representative” is an individual employed by or associated with an investment adviser or federal covered investment adviser who makes recommendations or gives investment advice regarding securities, manages accounts or portfolios of clients, determines which recommendation or advice regarding securities should be given, provides investment advice, receives compensation to solicit, offer, or sell investment advice, or supervises employees who perform any of these activities. However, “investment adviser representative” includes an individual employed by or associated with a federal covered investment adviser only if the individual has a place of business in this state and the individual is either an “investment adviser representative,” as defined under a particular provision of federal law, or is not a supervised person, as defined under a particular provision of federal law. “Investment adviser representative” also does not include an individual who performs only clerical or ministerial acts; is an agent whose performance of investment advice is solely incidental to the conduct of his or her own business and who receive no special compensation for investment advisory services; or is excluded by the division. The bill also makes changes to the exemptions to investment adviser representative registration. The bill eliminates all specific exemptions to registration under current law and instead provides exemptions from investment adviser registration for an individual who is employed by or associated with an investment adviser that is exempt from registration or a federal covered investment adviser that is excluded from notice filing requirements; an individual who is employed by or associated with an investment adviser or a federal covered investment adviser and has in this state only certain clients (those whose business with an investment adviser do not require the investment adviser to be registered); and any other individual exempted by the division.

6. Other than a change in terminology from “federal covered adviser” to “federal covered investment adviser,” the bill makes no significant definitional change with respect to these advisers. The bill makes changes to the exemptions to notice filing for federal covered investment advisers. The bill changes the exemptions for federal covered investment advisers whose only clients in this state are sophisticated investors and for such advisers who do not have a place of business in this state and,
during the preceding 12-month period, have had no more than five in-state clients who are not sophisticated investors. Under the bill, federal covered investment advisers that do not have a place of business in this state are exempt from notice filing if their only clients in this state are any of the following: federal covered investment advisers; investment advisers registered with the division; broker-dealers registered with the division; institutional investors; accredited investors other than individuals; bona fide preexisting clients whose principal places of residence are not in this state; or other clients specified by the division. Federal covered investment advisers that do not have a place of business in this state are also exempt from notice filing if they have had, during the preceding 12 months, no more than five in-state clients in addition to the institutional investors, accredited investors, federal covered investment advisers, registered investment advisers or broker-dealers, or bona fide preexisting clients to which another exemption applies. The division may also exempt from notice filing any other federal covered investment adviser.

7. The bill provides for qualified immunity for broker-dealers, agents, investment advisers, federal covered investment advisers, and investment adviser representatives related to statements they make in records required by the division.

The bill also varies from, or adopts optional language under, the USA 2002 in a number of respects. These variations, or the adoption of this optional language, are generally recommended by the WUSA Study Group to retain aspects of current law or current division rules with respect to certain matters, including: broker-dealer registration exemptions relating to location of the broker-dealer's place of business, transactions with entity-type accredited investors, unsolicited liquidation transactions for bona fide preexisting customers, de minimis exemptions, and governmental securities dealers; commissions paid to broker-dealers; limited dual-agent registration for limited partnerships or investment companies; investment adviser registration exemptions with respect to entity-type accredited investors, bona fide clients residing out-of-state, and reliance; limits on employment by investment advisers; investment adviser referral fees; federal covered investment adviser notice filing exemptions related to entity-type accredited investors and notice filing expiration; filing of registration applications with third-party organizations designated by the division; the effective date of registration applications; and registration application requirements related to a change of control of a broker-dealer or investment adviser.

Securities fraud, enforcement, and administration

Current law includes numerous provisions prohibiting fraud, in various forms, in connection with securities transactions or the offering or sale of securities, including: making any untrue statement of a material fact or omitting a material fact necessary to make a statement not misleading in connection with the offer, sale, or purchase of a security; engaging in market manipulation; publishing, circulating, or using false advertising or, with exceptions, advertising not filed with the division; and making material false or misleading statements or misleading omissions in documents filed with the division. Broker-dealers and advisers also may not engage in fraud or employ manipulative, deceptive, or fraudulent devices.
ASSEMBLY BILL 816

Under current law, the division administers and enforces the state’s securities laws, has investigative and subpoena powers, may conduct hearings and enter orders, may bring injunction actions, may summarily take action against a licensee or summarily take action to prohibit conduct, may impose administrative assessments for securities law violations, and may promulgate rules and prescribe forms. The division’s orders are generally subject to judicial review. Administrative assessments imposed by the division are appropriated for the division’s investor education program.

Under current law, a person who violates the state’s securities laws may be subject to criminal or civil liability or both. A person who willfully violates the state’s securities laws, with certain exceptions, is guilty of a Class H felony, punishable by a maximum fine of $10,000 or a maximum term of imprisonment of six years or both. The division may refer violations for criminal prosecution to the attorney general or a district attorney. A person who violates the state’s securities laws by offering or selling a security, by purchasing a security, or by willfully participating in market manipulation activity, may be civilly liable to, respectively, the purchaser or seller for specified damages, including interest and reasonable attorney fees, or equitable relief. Certain persons may also be held civilly liable for the violations of others. However, a civil action must be commenced within three years after the act or transaction constituting the violation, but this period of limitation may be extended under certain circumstances. A purchaser or seller also may not commence an action if, before suit is commenced, the purchaser or seller receives a written rescission offer providing specified information about the violation and offering to resolve liability for the violation.

This bill, in adopting the USA 2002 with some modification, retains the general structure and content of current law with respect to securities fraud, enforcement, and administration. However, the bill also includes a number of changes to current law, including the following:

1. The bill authorizes the division to use some new enforcement techniques, such as cease and desist orders, asset freezes, and rescission orders. The bill also expands the division’s authority to assist securities regulators in other jurisdictions. The bill also authorizes the division to seek assistance from district attorneys, the attorney general, or appropriate federal authorities in judicially enforcing subpoenas and further authorizes courts to enforce the division’s cease and desist orders.

2. The bill modifies the statute of limitations in actions to impose civil liability. Under the bill, a person must bring an action for relief based upon sale of an unregistered security or sale by an unregistered securities professional within one year after the violation. For other claims, a person must bring an action for relief within the earlier of two years after discovery of the facts constituting the violation or five years after the violation.

3. With regard to some securities professionals, such as agents, the bill turns definitional exclusions under current law into registration exemptions, which results in an expansion of the scope of antifraud provisions; while these individuals
still would not be required to register with the division, they would be subject to the antifraud provisions of the bill.

4. The bill modifies current law relating to rescission offers arising from asserted liability for violations, and recognizes a transaction exemption for rescission offers made in compliance with this rescission offer provision.

5. The bill modifies current law relating to confidentiality of certain information and documents of the division.

6. The bill slightly changes the division’s current investor education program to an investor education and training program.

The bill also varies from, or adopts optional language under, the USA 2002 in a number of respects. These variations, or the adoption of this optional language, are generally recommended by the WUSA Study Group to retain aspects of current law or current division rules with respect to certain matters, including: fee provisions for division filings; the division’s investigative authority related to acting on broker–dealer and investment adviser registration applications; division authority related to grounds for discipline, censure, penalties, and negotiated settlements in disciplinary actions; continuing education requirements for registered persons; penalty provisions for criminal securities law violations; certain aspects of civil liability; administrative assessments by the division and the investor education and training program; the division’s injunctive authority; confidential information and records of the division; judicial review of summarily issued orders of the division; and the state’s jurisdiction with regard to offers not directed to or received in this state.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

providing for payment of all principal of the revenue obligations and all accrued and
unpaid interest to the date of an event of default on the revenue obligations, and the
letter of credit is accompanied by an opinion of counsel stating all of the following:

1. Either that payment of debt service will not constitute a preference under
federal bankruptcy law if a petition in bankruptcy with respect to the enterprise is
filed or that the guarantee or letter of credit will provide for reimbursement to
holders of the revenue obligations if they are required by order of a federal
bankruptcy court to disgorge as a preference any payment of a debt service.
2. That the enforceability of the guarantee or letter of credit would not be materially affected by the filing of a petition under federal bankruptcy law with respect to the enterprise or any person obligated to reimburse the depository institution for payments made under the guarantee or letter of credit.

for different classes, specifying with respect to par. (b) the scope of the exemption and
the grounds for denial or suspension, and requiring an issuer to do any of the
following:

(25) Any offer or sale of a preorganization subscription, if no commission or other remuneration is paid or given directly or indirectly for soliciting any subscriber in this state and no advertising is published or circulated unless it has been permitted by the division of securities, and if the subscription is not binding and no payment is made by any subscriber until the securities subscribed for may legally be sold.

551.203 Additional exemptions and waivers. A rule adopted or order issued under this chapter may exempt a security, transaction, or offer; a rule under this chapter may exempt a class of securities, transactions, or offers from any or all of the requirements of ss. 551.301 to 551.306 and 551.504; and an order under this
chapter may waive, in whole or in part, any or all of the conditions for an exemption
or offer under ss. 551.201 and 551.202.

551.204 Denial, suspension, revocation, condition, or limitation of
exemptions; burden of proof; additional information. (1) Enforcement
related powers. Except with respect to a federal covered security or a transaction
involving a federal covered security, an order under this chapter may deny, suspend
application of, condition, limit, or revoke an exemption created under s. 551.201 or
551.202 or an exemption or waiver created under s. 551.203 with respect to a specific
security, transaction, or offer, except to the extent limited by the National Securities

pursuant to the procedures in s. 551.306 (4) or s. 551.604 and only prospectively.

(2) Knowledge of order required. A person does not violate s. 551.301,

purchase effected after the entry of an order issued under this section if the person
did not know, and in the exercise of reasonable care could not have known, of the
order.

(3) Additional information required. With respect to an exemption under s.
551.201 or 551.202 that is perfected if a notice or other information is filed with the
division of securities and the division does not disallow the exemption within a
specified period after the filing, the division may, within 10 days after the filing date
of the notice or other information, require that additional information reasonably
related to the offering be filed. If the division requires additional information, the
date by which the division may disallow the exemption is 10 days after the date of
filing that information.
SUBCHAPTER III

REGISTRATION OF SECURITIES AND

NOTICE FILING OF FEDERAL COVERED SECURITIES

551.301 Securities registration requirement. It is unlawful for a person to offer or sell a security in this state unless any of the following apply:

(1) The security is a federal covered security.

(2) The security, transaction, or offer is exempted from registration under this chapter.

(3) The security is registered under this chapter.

551.302 Notice filing. (1) REQUIRED FILING OF RECORDS. With respect to a federal covered security, as defined in section 18 (b) (2) of the Securities Act of 1933 (15 USC 77r (b) (2), that is not otherwise exempt under ss. 551.201 to 551.203, a rule adopted by the administrator or an order issued under this chapter may require the filing of any or all of the following records:

(a) Prior to offer. Not later than the initial offer of the federal covered security in this state, a copy of each document that is part of its registration statement filed with the Securities and Exchange Commission under the Securities Act of 1933, which may, at the option of the issuer, be accompanied by a form containing the information specified by the administrator by rule. If a filing is required under this paragraph, the filing shall be accompanied by a consent to service of process signed by the issuer and a notice filing fee under s. 551.614. Any notice filing required under this paragraph is effective upon receipt by the administrator of the documents and fees required under this paragraph, or upon the effectiveness of the registration statement under the Securities Act of 1933, whichever is later.
(b) After offer. After the initial offer of the federal covered security in this state, a copy of each document that is part of an amendment to its registration statement filed with the Securities and Exchange Commission under the Securities Act of 1933, concurrent with the federal filing, which may, at the option of the issuer, be accompanied by a form containing the information specified by the administrator by rule. If a filing is required under this paragraph and the amendment relates either to a name change of the issuer or a change in the designation of the federal covered security, the filing shall be accompanied by a fee in the amount prescribed by the rule or order requiring the filing. Unless the issuer requests a later effective date, an amendment filing required under this paragraph is effective upon receipt by the administrator of the documents and fees required under this paragraph.

(c) Unit trust or investment company. For a unit investment trust or closed-end investment company to extend its offering beyond a one-year period, a notice of extension, together with any filing fee prescribed by rule or order, at the time prescribed by rule or order.

(3) Notice filings for certain federal covered securities. With respect to a security that is a federal covered security under section 18 (b) (4) (D) of the Securities Act of 1933 (15 USC 77r (b) (4) (D)), a rule under this chapter may require a notice filing by or on behalf of an issuer to include a copy of Form D, including the Appendix, as promulgated by the Securities and Exchange Commission, and a consent to service of process complying with s. 551.611 signed by the issuer not later than 15 days after the first sale of the federal covered security in this state and the payment of a fee as provided in s. 551.614 or by rule of the administrator; and the payment of a fee as provided in s. 551.614 or by rule of the administrator for any late filing.
(4) Stop Orders. Except with respect to a federal covered security under section 18 (b) (1) of the Securities Act of 1933 (15 USC 77r (b) (1)), if the administrator finds that there is a failure to comply with a notice or fee requirement of this section, the administrator may issue a stop order suspending the offer and sale of a federal covered security in this state. If the deficiency is corrected, the stop order is void as of the time of its issuance and no penalty may be imposed by the administrator.

(5) Waiver. The administrator may, by rule or order, waive or further condition any waiver of a requirement under this section or under any rule promulgated by the administrator, or order issued, under this section.

551.303 Securities registration by coordination. (1) Registration permitted. A security for which a registration statement has been filed under the Securities Act of 1933 in connection with the same offering may be registered by coordination under this section.

(2) Required records. A registration statement and accompanying records under this section must contain or be accompanied by all of the following records in addition to the information specified in s. 551.305 and a consent to service of process complying with s. 551.611:

(a) A copy of the latest form of prospectus filed under the Securities Act of 1933.

(b) A copy of the articles of incorporation and bylaws or their substantial equivalents currently in effect; a copy of any agreement with or among underwriters; a copy of any indenture or other instrument governing the issuance of the security to be registered; and a specimen, copy, or description of the security that is required by rule adopted or order issued under this chapter.

(c) Copies of any other information or any other records filed by the issuer under the Securities Act of 1933 requested by the administrator.
(d) An undertaking to forward each amendment to the federal prospectus, other than an amendment that delays the effective date of the registration statement, promptly after it is filed with the Securities and Exchange Commission.

(3) **Conditions for Effectiveness of Registration Statement.** A registration statement under this section becomes effective simultaneously with or subsequent to the federal registration statement when all the following conditions are satisfied:

(a) A stop order under sub. (4) or s. 551.306 or issued by the Securities and Exchange Commission is not in effect and a proceeding is not pending against the issuer under s. 551.306.

(b) The registration statement has been on file for at least 20 days or a shorter period provided by rule adopted or order issued under this chapter.

(4) **Notice of Federal Registration Statement Effectiveness.** The registrant shall promptly notify the administrator in a record of the date when the federal registration statement becomes effective and the content of any price amendment and shall promptly file a record containing the price amendment. If the notice is not timely received, the administrator may issue a stop order, without prior notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with this section. The administrator shall promptly notify the registrant of an order by telecopy, telephone, or electronic means and promptly confirm this notice by a record. If the registrant subsequently complies with the notice requirements of this section, the stop order is void as of the date of its issuance.

(5) **Effectiveness of Registration Statement.** If the federal registration statement becomes effective before each of the conditions in this section is satisfied or is waived by the administrator, the registration statement is automatically
effective under this chapter when all the conditions are satisfied or waived. If the registrant notifies the administrator of the date when the federal registration statement is expected to become effective, the administrator shall promptly notify the registrant by telecopy, telephone, or electronic means and promptly confirm this notice by a record, indicating whether all the conditions are satisfied or waived and whether the administrator intends the institution of a proceeding under s. 551.306. The notice by the administrator does not preclude the institution of such a proceeding.

**551.304 Securities registration by qualification.** (1) Registration permitted. A security may be registered by qualification under this section.

(2) Required records. A registration statement under this section must contain the information or records specified in s. 551.305, a consent to service of process complying with s. 551.611, and, if required by rule adopted under this chapter, any, or any combination of, the following information or records:

(a) With respect to the issuer and any significant subsidiary, its name, address, and form of organization; the state or foreign jurisdiction and date of its organization; the general character and location of its business; a description of its physical properties and equipment; and a statement of the general competitive conditions in the industry or business in which it is or will be engaged.

(b) With respect to each director and officer of the issuer, and other person having a similar status or performing similar functions, the person’s name, address, and principal occupation for the previous 5 years; the amount of securities of the issuer held by the person as of the 30th day before the filing of the registration statement; the amount of the securities covered by the registration statement to which the person has indicated an intention to subscribe; and a description of any
material interest of the person in any material transaction with the issuer or a significant subsidiary effected within the previous 3 years or proposed to be effected.

(c) With respect to persons covered by par. (b), the aggregate sum of the remuneration paid to those persons during the previous 12 months and estimated to be paid during the next 12 months, directly or indirectly, by the issuer, and all predecessors, parents, subsidiaries, and affiliates of the issue.

(d) With respect to a person owning of record or owning beneficially, if known, 10 percent or more of the outstanding shares of any class of equity security of the issuer, the information specified in par. (b) other than the person’s occupation.

(e) With respect to a promoter, if the issuer was organized within the previous 3 years, the information or records specified in par. (b), any amount paid to the promoter within that period or intended to be paid to the promoter, and the consideration for the payment.

(b) The administrator has not issued an order under s. 551.306
(c) The applicant or registrant has not requested that effectiveness be delayed.

(4) DELAY OF EFFECTIVENESS OF REGISTRATION STATEMENT. The administrator may delay effectiveness once for not more than 90 days if the administrator determines and notifies via comment letter or other letter that the registration statement is not complete in all material respects and promptly notifies the applicant or registrant of that determination, which may be by means of a comment letter or correspondence and not an order. The administrator may also further delay effectiveness for a further period of not more than 30 days if the administrator determines that the delay is necessary or appropriate.

(5) PROSPECTUS DISTRIBUTION MAY BE REQUIRED. A rule adopted or order issued under this chapter may require as a condition of registration under this section that a prospectus containing a specified part of the information or record specified in sub. (2) be sent or given to each person to which an offer is made, before or concurrently, with the earliest of the following:

(a) The first offer made in a record to the person otherwise than by means of a public advertisement, by or for the account of the issuer or another person on whose behalf the offering is being made or by an underwriter or broker-dealer that is offering part of an unsold allotment or subscription taken by the person as a participant in the distribution.
(b) The confirmation of a sale made by or for the account of the person.
(c) Payment pursuant to such a sale.
551.305 Securities registration filings. (1) WHO MAY FILE. A registration statement may be filed by the issuer, a person on whose behalf the offering is to be made, or a broker-dealer registered under this chapter.

(2) FILING FEE. A person filing a registration statement shall pay a filing fee as provided in s. 551.614 or as may be supplemented by rule of the administrator. If a registration statement is withdrawn before the effective date or a preeffective stop order is issued under s. 551.306, the administrator shall retain the fee as provided in s. 551.614 or as may be supplemented by rule of the administrator.

(3) STATUS OF OFFERING. A registration statement filed under s. 551.303 or 551.304 must specify all of the following:

(a) The amount of securities to be offered in this state.

(b) The states in which a registration statement or similar record in connection with the offering has been or is to be filed.

(c) Any adverse order, judgment, or decree issued in connection with the offering by a state securities regulator, the Securities and Exchange Commission, or a court.

(4) INCORPORATION BY REFERENCE. A record filed under this chapter or the predecessor act within 5 years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the record is currently accurate.

(5) NONISSUER DISTRIBUTION. In the case of a nonissuer distribution, information or a record may not be required under sub. (9) or s. 551.304, unless it is known to the person filing the registration statement or to the person on whose
behalf the distribution is to be made or unless it can be furnished by those persons
without unreasonable effort or expense.

(7) **Form of Subscription.** A rule adopted or order issued under this chapter
may require as a condition of registration that a security registered under this
chapter be sold only on a specified form of subscription or sale contract and that a
signed or conformed copy of each contract be filed under this chapter or preserved
for a period specified by the rule or order, which may not be longer than 5 years.

(8) **Effective Period.** Except while a stop order is in effect under s. 551.306,
a registration statement is effective for one year after its effective date, or for any
longer period designated in an order under this chapter during which the security
is being offered or distributed in a nonexempted transaction by or for the account of
the issuer or other person on whose behalf the offering is being made or by an
underwriter or broker-dealer that is still offering part of an unsold allotment or
subscription taken as a participant in the distribution. For the purposes of a
nonissuer transaction, all outstanding securities of the same class identified in the
registration statement as a security registered under this chapter are considered to
be registered while the registration statement is effective. If any securities of the
same class are outstanding, a registration statement may not be withdrawn until one
year after its effective date. A registration statement may be withdrawn only with
the approval of the administrator.

(9) **Periodic Reports.** While a registration statement is effective, a rule
adopted or order issued under this chapter may require the person that filed the
registration statement to file reports, not more often than quarterly, to keep the
information or other record in the registration statement reasonably current and to
disclose the progress of the offering.
(10) Posteffective Amendments. A registration statement may be amended after its effective date. The posteffective amendment becomes effective when the administrator so orders. If a posteffective amendment is made to increase the number of securities specified to be offered or sold, the person filing the amendment shall pay a registration fee as provided in s. 551.614 or as may be supplemented by rule of the administrator. A posteffective amendment relates back to the date of the offering of the additional securities being registered if, within one year after the date of the sale, the amendment is filed and the additional registration fee is paid.

(11) Indentures. The administrator may by rule require that securities be issued under a trust indenture, unless this requirement is waived by the administrator.

551.306 Denial, suspension, and revocation of securities registration.

(1) Stop orders. The administrator may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, a registration statement if the administrator finds that the order is in the public interest and that any of the following apply:

(a) The registration statement as of its effective date or before the effective date in the case of an order denying effectiveness, an amendment under s. 551.305 (10) as of its effective date, or a report under s. 551.305 (9), is incomplete in a material respect or contains a statement that, in the light of the circumstances under which it was made, was false or misleading with respect to a material fact.

(b) This chapter or a rule adopted or order issued under this chapter or a condition imposed under this chapter has been willfully violated, in connection with the offering, by the person filing the registration statement; by the issuer, a partner, officer, or director of the issuer or a person having a similar status or performing a
similar function; a promoter of the issuer; or a person directly or indirectly controlling or controlled by the issuer; but only if the person filing the registration statement is directly or indirectly controlled by or acting for the issuer; or by an underwriter.

(c) The security registered or sought to be registered is the subject of a permanent or temporary injunction of a court of competent jurisdiction or an administrative stop order or similar order issued under any federal, foreign, or state law other than this chapter applicable to the offering, but the administrator may not institute a proceeding against an effective registration statement under this paragraph more than one year after the date of the order or injunction on which it is based, and the administrator may not issue an order under this paragraph on the basis of an order or injunction issued under the securities act of another state unless the order or injunction was based on conduct that would constitute, as of the date of the order, a ground for a stop order under this section.

(d) The issuer's enterprise or method of business includes or would include activities that are unlawful where performed.

(e) With respect to a security sought to be registered under s. 551.303, there has been a failure to comply with the undertaking required by s. 551.303 (2) (d).

(f) The applicant or registrant has not paid the filing fee, but the administrator shall void the order if the deficiency is corrected.

(g) The offering will work or tend to work a fraud upon purchasers or would so operate.

(3) INSTITUTION OF STOP ORDER. The administrator may not institute a stop order proceeding against an effective registration statement on the basis of conduct or a transaction known to the administrator when the registration statement became
effective unless the proceeding is instituted within 30 days after the registration statement became effective.

(4) SUMMARY PROCESS. The administrator may summarily revoke, deny, postpone, or suspend the effectiveness of a registration statement pending final determination of an administrative proceeding. Upon the issuance of the order, the administrator shall promptly notify each person specified in sub. (5) that the order has been issued, the reasons for the revocation, denial, postponement, or suspension, and that within 10 days after the receipt of a request in a record from the person the matter will be scheduled for a hearing. If a hearing is not requested and none is ordered by the administrator, within 30 days after the date of service of the order, the order becomes final. If a hearing is requested or ordered, the administrator, after notice of and opportunity for hearing for each person subject to the order, may modify or vacate the order or extend the order until final determination.

(5) PROCEDURAL REQUIREMENTS FOR STOP ORDER. A stop order may not be issued under this chapter without all of the following:

(a) Appropriate notice to the applicant or registrant, the issuer, and the person on whose behalf the securities are to be or have been offered.

(b) An opportunity for hearing.

(c) Findings of fact and conclusions of law in a record in accordance with ch. 227.

(6) MODIFICATION OR VACATION OF STOP ORDER. The administrator may modify or vacate a stop order issued under this section if the administrator finds that the conditions that caused its issuance have changed or that it is necessary or appropriate in the public interest or for the protection of investors.

551.307 Waiver and modification. The administrator may waive or modify, in whole or in part, any or all of the requirements of ss. 551.302, 551.303, and 551.304
(2) or the requirement of any information or record in a registration statement or in
a periodic report filed pursuant to s. 551.305 (9).

(2) Amendment. If the information or record contained in an application filed under sub. (1) is or becomes inaccurate or incomplete in a material respect, the registrant shall promptly file a correcting amendment.

(3) Effectiveness of registration. (a) If an order is not in effect and a proceeding is not pending under s. 551.412, registration is effective 30 days from the filing of the application or at the earliest of the following times prior to the expiration of 30 days from the filing of the application, whichever is earlier, unless the registration is denied:

1. The date that the administrator issues registration to the applicant.

2. The date that approval of registration status is transmitted by the administrator to the applicant through the central registration depository of the National Association of Securities Dealers, Inc.

3. On January 1 for any renewal application filed during December of the preceding year with the central registration depository, unless the administrator makes a written request for additional information relevant to the application prior to January 1.

(b) A rule adopted or order issued under this chapter may set an earlier effective date or may defer the effective date until noon on the 45th day after the filing of any amendment completing the application.

(4) Registration renewal. A registration is effective until midnight on December 31 of the year for which the application for registration is filed. Unless an order is in effect under s. 551.412, a registration may be automatically renewed each
year by filing such records as are required by rule adopted or order issued under this chapter, by paying the fee specified in s. 551.614, and by paying costs charged by the designee of the administrator for processing the filings.

(5) ADDITIONAL CONDITIONS OR WAIVERS. A rule adopted or order issued under this chapter may impose other conditions, not inconsistent with the National Securities Markets Improvement Act of 1996. An order issued under this chapter may waive, in whole or in part, specific requirements in connection with registration as are in the public interest and for the protection of investors.

(6) ADDITIONAL INFORMATION REQUIRED. (a) In addition to the information required elsewhere under this section, an application for registration shall contain, in the case of an individual, the individual's social security number and, in the case of a person who is not an individual, the person's federal employer identification number. The administrator may not disclose any information received under this paragraph to any person except the following:

1. The department of revenue, for the sole purpose of requesting certifications under s. 73.0301.

2. The department of children and families in accordance with a memorandum of understanding under s. 49.857.

(b) If an applicant for the issuance or renewal of a registration under this section is an individual who does not have a social security number, the applicant, as a condition of applying for or applying to renew the registration, shall submit a statement made or subscribed under oath or affirmation to the administrator that the applicant does not have a social security number. The form of the statement shall be prescribed by the department of children and families.
(c) Any license issued or renewed in reliance upon a false statement submitted by an applicant under par. (a) or (b) is invalid.

551.407 Succession and change in registration of broker-dealer or investment adviser. (1) Succession. A broker-dealer or investment adviser may succeed to the current registration of another broker-dealer or investment adviser or a notice filing of a federal covered investment adviser, and a federal covered investment adviser may succeed to the current registration of an investment adviser or notice filing of another federal covered investment adviser, by filing as a successor an application for registration pursuant to s. 551.401 or 551.403 or a notice pursuant to s. 551.405 for the unexpired portion of the current registration or notice filing.

(2) Organizational change. A broker-dealer or investment adviser that changes its form of organization or state of incorporation or organization may continue its registration by filing an amendment to its registration if the change does not involve a change in control. The amendment becomes effective when filed or on a date designated by the registrant in its filing. The new organization is a successor to the original registrant for the purposes of this chapter. If there is a change in control, the broker-dealer or investment adviser shall file a new application for registration. A predecessor registered under this chapter shall stop conducting its securities business other than winding down transactions and shall file for withdrawal of broker-dealer or investment adviser registration within 45 days after filing its amendment to effect succession.

(3) Name change. A broker-dealer or investment adviser that changes its name may continue its registration by filing an amendment to its registration. The amendment becomes effective when filed or on a date designated by the registrant.
(4) Change of control. A change of control of a broker-dealer or investment adviser may be made in accordance with a rule adopted or order issued under this chapter.

551.408 Termination of employment or association of agent and investment adviser representative and transfer of employment or association. (1) Notice of termination. If an agent registered under this chapter terminates employment by or association with a broker-dealer or issuer, or if an investment adviser representative registered under this chapter terminates employment by or association with an investment adviser or federal covered investment adviser, or if either registrant terminates activities that require registration as an agent or investment adviser representative, the broker-dealer, issuer, investment adviser, or federal covered investment adviser shall promptly file a notice of termination. If the registrant learns that the broker-dealer, issuer, investment adviser, or federal covered investment adviser has not filed the notice, the registrant may do so.

(2) Transfer of employment or association. If an agent registered under this chapter terminates employment by or association with a broker-dealer registered under this chapter and begins employment by or association with another broker-dealer registered under this chapter; or if an investment adviser representative registered under this chapter terminates employment by or association with an investment adviser registered under this chapter or a federal covered investment adviser that has filed a notice under s. 551.405 and begins employment by or association with another investment adviser registered under this chapter or a federal covered investment adviser that has filed a notice under s. 551.405; then upon the filing by or on behalf of the registrant, within 30 days after
the termination, of an application for registration that complies with the
requirement of s. 551.406 (1) and payment of the filing fee required under s. 551.614,
the registration of the agent or investment adviser representative is:

(a) Immediately effective as of the date of the completed filing, if the agent’s
Central Registration Depository record or successor record or the investment adviser
representative’s Investment Adviser Registration Depository record or successor
record does not contain a new or amended disciplinary disclosure within the previous
12 months.

(b) Temporarily effective as of the date of the completed filing, if the agent’s
Central Registration Depository record or successor record or the investment adviser
representative’s Investment Adviser Registration Depository record or successor
record contains a new or amended disciplinary disclosure within the preceding 12
months.

(3) Withdrawal of temporary registration. The administrator may withdraw
a temporary registration if there are or were grounds for discipline as specified in s.
551.412 and the administrator does so within 30 days after the filing of the
application. If the administrator does not withdraw the temporary registration
within the 30-day period, registration becomes automatically effective on the 31st
day after filing.

(4) Power to prevent registration. The administrator may prevent the
effectiveness of a transfer of an agent or investment adviser representative under
sub. (2) (a) or (b) based on the public interest and the protection of investors.

(5) Termination of registration or application for registration. If the
administrator determines that a registrant or applicant for registration is no longer
in existence or has ceased to act as a broker–dealer, agent, investment adviser, or
investment adviser representative, or is the subject of an adjudication of incapacity or is subject to the control of a committee, conservator, or guardian, or cannot reasonably be located, a rule adopted or order issued under this chapter may require the registration be canceled or terminated or the application denied. The administrator may reinstate a canceled or terminated registration, with or without hearing, and may make the registration retroactive.

**551.409 Withdrawal of registration of broker-dealer, agent, investment adviser, and investment adviser representative.** Withdrawal of registration by a broker-dealer, agent, investment adviser, or investment adviser representative becomes effective 60 days after the filing of the application to withdraw or within any shorter period as provided by rule adopted or order issued under this chapter unless a revocation or suspension proceeding is pending when the application is filed. If a proceeding is pending, withdrawal becomes effective when and upon such conditions as required by rule adopted or order issued under this chapter. The administrator may institute a revocation or suspension proceeding under s. 551.412 within one year after the withdrawal became effective automatically and issue a revocation or suspension order as of the last date on which registration was effective if a proceeding is not pending.

**551.411 Postregistration requirements.** (1) **Financial requirements.** Subject to section 15 (h) of the Securities Exchange Act of 1934 (15 USC 78o (h)) or section 222 of the Investment Advisers Act of 1940 (15 USC 80b–18a), a rule adopted or order issued under this chapter may establish minimum financial requirements for broker-dealers registered or required to be registered under this chapter and investment advisers registered or required to be registered under this chapter.
(2) Financial reports. Subject to section 15 (h) of the Securities Exchange Act of 1934 (15 USC 78o (h)) or section 222 (b) of the Investment Advisers Act of 1940 (15 USC 80b–18a), a broker-dealer registered or required to be registered under this chapter and an investment adviser registered or required to be registered under this chapter shall file such financial reports as are required by a rule adopted or order issued under this chapter. If the information contained in a record filed under this subsection is or becomes inaccurate or incomplete in a material respect, the registrant shall promptly file a correcting amendment.

(3) Record keeping. Subject to section 15 (h) of the Securities Exchange Act of 1934 (15 USC 78o (h)) or section 222 of the Investment Advisers Act of 1940 (15 USC 80b–18a):

(a) A broker-dealer registered or required to be registered under this chapter and an investment adviser registered or required to be registered under this chapter shall make and maintain the accounts, correspondence, memoranda, papers, books, and other records required by rule adopted or order issued under this chapter.

(b) Broker-dealer records required to be maintained under par. (a) may be maintained in any form of data storage acceptable under section 17 (a) of the Securities Exchange Act of 1934 (15 USC 78q (a)) if they are readily accessible to the administrator.

(c) Investment adviser records required to be maintained under par. (a) may be maintained in any form of data storage required by rule adopted or order issued under this chapter.

(4) Audits or inspections. The records of a broker-dealer registered or required to be registered under this chapter and of an investment adviser registered or required to be registered under this chapter are subject to such reasonable
periodic, special, or other audits or inspections by a representative of the administrator, within or without this state, as the administrator considers necessary or appropriate in the public interest and for the protection of investors. The administrator may also conduct an examination of the books, records, and affairs of an applicant for registration as a broker-dealer or investment adviser. An audit or inspection may be made at any time and without prior notice. The administrator may copy, and remove for audit or inspection copies of, all records the administrator reasonably considers necessary or appropriate to conduct the audit or inspection. The administrator may assess a reasonable charge for conducting an audit or inspection under this subsection.

(5) Custody and discretionary authority bond or insurance. Subject to section 15 (h) of the Securities Exchange Act of 1934 (15 USC 78o (h)) or section 222 of the Investment Advisers Act of 1940 (15 USC 80b-18a), a rule adopted or order issued under this chapter may require a broker-dealer or investment adviser that has custody of or discretionary authority over funds or securities of a customer or client to obtain insurance or post a bond or other satisfactory form of security in an amount prescribed by the administrator by rule. The administrator may determine the requirements of the insurance, bond, or other satisfactory form of security. Insurance or a bond or other satisfactory form of security may not be required of a broker-dealer registered under this chapter whose net capital exceeds, or of an investment adviser registered under this chapter whose minimum financial requirements exceed, the amounts required by rule or order under this chapter. The insurance, bond, or other satisfactory form of security must permit an action by a person to enforce any liability on the insurance, bond, or other satisfactory form of security if instituted within the time limitations in s. 551.509 (10) (b).
(6) REQUIREMENTS FOR CUSTODY. Subject to section 15 (h) of the Securities Exchange Act of 1934 (15 USC 78o (h)) or section 222 of the Investment Advisers Act of 1940 (15 USC 80b–18a), an agent may not have custody of funds or securities of a customer except under the supervision of a broker–dealer and an investment adviser representative may not have custody of funds or securities of a client except under the supervision of an investment adviser or a federal covered investment adviser. A rule adopted or order issued under this chapter may prohibit, limit, or impose conditions on a broker–dealer regarding custody of funds or securities of a customer and on an investment adviser regarding custody of securities or funds of a client.

(7) INVESTMENT ADVISER BROCHURE RULE. With respect to an investment adviser registered or required to be registered under this chapter, a rule adopted or order issued under this chapter may require that information or other record be furnished or disseminated to clients or prospective clients in this state as necessary or appropriate in the public interest and for the protection of investors and advisory clients.

(8) CONTINUING EDUCATION. A rule adopted or order issued under this chapter may require an individual registered under s. 551.402 or 551.404 to participate in a continuing education program approved by the administrator and administered by a self–regulatory organization or, in the absence of such a program, a rule adopted or order issued under this chapter may require continuing education for an individual registered under s. 551.404.

(9) INTEREST RATE ON CUSTOMER ACCOUNTS. No registered broker–dealer shall be subject to s. 138.05 (1) (a) with respect to any debit balance in a customer account.
551.412  Denial, revocation, suspension, censure, withdrawal, restriction, condition, or limitation of registration.  (1)  DISCIPLINARY CONDITIONS - APPLICANTS. If the administrator finds that the order is in the public interest and sub. (4) authorizes the action, an order issued under this chapter may deny an application, or may condition or limit registration of an applicant, to be a broker-dealer, agent, investment adviser, or investment adviser representative and, if the applicant is a broker-dealer or investment adviser, of a partner, officer, director, person having a similar status or performing similar functions, or person directly or indirectly in control of the broker-dealer or investment adviser.

(2)  DISCIPLINARY CONDITIONS - REGISTRANTS. If the administrator finds that the order is in the public interest and sub. (4) authorizes the action, an order issued under this chapter may revoke, suspend, censure, condition, or limit the registration of a registrant and, if the registrant is a broker-dealer or investment adviser, of a partner, officer, director, person having a similar status or performing similar functions, or person directly or indirectly in control of the broker-dealer or investment adviser. However, the administrator may not do any of the following:

(a)  Institute a revocation or suspension proceeding under this subsection based on an order issued under a law of another state that is reported to the administrator or a designee of the administrator more than one year after the date of the order on which it is based.

(b)  Under sub. (4) (e) 1. or 2., issue an order on the basis of an order issued under the securities act of another state unless the other order was based on conduct for which sub. (4) would authorize the action had the conduct occurred in this state.
(3) Disciplinary penalties - registrants. If the administrator finds that the order is in the public interest and sub. (4) (a) to (f), (h), (i), (j), (L), (m), or (o) to (r) authorizes the action, an order under this chapter may censure, impose a bar, or impose a civil penalty in an amount not to exceed a maximum of $10,000 for a single violation or $100,000 for more than one violation, or in such amount as agreed to by the parties, on a registrant and, if the registrant is a broker-dealer or investment adviser, a partner, officer, director, person having a similar status or performing similar functions, or person directly or indirectly in control of the broker-dealer or investment adviser.

(4) Grounds for discipline. A person may be disciplined under subs. (1) to (3) if the person:

(a) Has filed an application for registration in this state under this chapter or the predecessor act within the previous 10 years, which, as of the effective date of registration or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained a statement that, in light of the circumstances under which it was made, was false or misleading with respect to a material fact.

(b) Willfully violated or willfully failed to comply with this chapter or the predecessor act or a rule adopted or order issued under this chapter or the predecessor act within the previous 10 years.

(c) Has been convicted of a felony or within the previous 10 years has been convicted of a misdemeanor involving a security, a commodity future or option contract, or an aspect of a business involving securities, commodities, investments, franchises, insurance, banking, or finance.

instituted by the administrator under this chapter or the predecessor act, a state, the
Securities and Exchange Commission, or the United States from engaging in or
continuing an act, practice, or course of business involving an aspect of a business
involving securities, commodities, investments, franchises, insurance, banking, or
finance.

(e) Is the subject of an order, issued after notice and opportunity for hearing,
by any of the following:

1. The securities or other financial services regulator of a state or the Securities
and Exchange Commission or other federal agency denying, revoking, barring, or
suspending registration as a broker-dealer, agent, investment adviser, federal
covered investment adviser, or investment adviser representative.

2. The securities regulator of a state or the Securities and Exchange
Commission against a broker-dealer, agent, investment adviser, investment adviser
representative, or federal covered investment adviser.

3. The Securities and Exchange Commission or a self-regulatory organization
suspending or expelling the registrant from membership in the self-regulatory
organization.

5. The insurance regulator of a state denying, suspending, or revoking
registration as an insurance agent.

6. A depository institution or financial services regulator suspending or barring
the person from the depository institution or other financial services business.

(f) Is the subject of an adjudication or determination, after notice and
opportunity for hearing, by the Securities and Exchange Commission; the
SECTION 16

ASSEMBLY BILL 816

Commodity Futures Trading Commission; the Federal Trade Commission; a federal
depository institution regulator, or a depository institution, insurance, or other
financial services regulator of a state that the person willfully violated the Securities
Act of 1933, the Securities Exchange Act of 1934, the Investment Advisers Act of
1940, the Investment Company Act of 1940, or the Commodity Exchange Act, the
securities or commodities law of a state, or a federal or state law under which a
business involving investments, franchises, insurance, banking, or finance is
regulated.

(g) Is insolvent, either because the person’s liabilities exceed the person’s assets
or because the person cannot meet the person’s obligations as they mature, but the
administrator may not enter an order against an applicant or registrant under this
paragraph without a finding of insolvency as to the applicant or registrant.

(h) Refuses to allow or otherwise impedes the administrator from conducting
an audit or inspection under s. 551.411 (4) or refuses access to a registrant’s office to
conduct an audit or inspection under s. 551.411 (4).

(i) Has failed to reasonably supervise an agent, investment adviser
representative, or other individual, if the agent, investment adviser representative,
or other individual was subject to the person’s supervision and committed a violation
of this chapter or the predecessor act or a rule adopted or order issued under this
chapter or the predecessor act within the previous 10 years.

(j) Has not paid the proper filing fee within 30 days after having been notified
by the administrator of a deficiency, but the administrator shall vacate an order
under this paragraph when the deficiency is corrected.

(k) After notice and opportunity for a hearing, has been found within the

3. To have been suspended or expelled from membership by or participation in a securities exchange or securities association operating under the securities laws of a foreign jurisdiction.

(m) Has engaged in dishonest or unethical practices in the securities, commodities, investment, franchise, banking, finance, or insurance business within the previous 10 years.

(n) Is not qualified on the basis of factors such as training, experience, and knowledge of the securities business. However, in the case of an application by an agent for a broker-dealer that is a member of a self-regulatory organization or by an individual for registration as an investment adviser representative, a denial order may not be based on this paragraph if the individual has successfully completed all examinations required by sub. (5). The administrator may require an applicant for registration under s. 551.402 or 551.404 who has not been registered in a state within the 2 years preceding the filing of an application in this state to successfully complete an examination.
(o) Is the subject of an order of the administrator denying an application or suspending or revoking a registration as a broker-dealer, agent, or investment adviser.

(q) Has made any material misrepresentation to or withheld or concealed any material fact from the administrator, or has refused to furnish information reasonably requested by the administrator.

(r) Has not complied with the conditions or limitations of a registration issued under this chapter.

(4g) ADDITIONAL GROUNDS FOR DENIAL OF APPLICATION. (a) The administrator shall deny an application for the issuance or renewal of a registration if any of the following applies:

1. The applicant fails to provide any information required under s. 551.406 (6)
   (a) 1. or 2.

2. The department of revenue certifies under s. 73.0301 that the applicant is liable for delinquent taxes. An applicant whose application for the issuance or renewal of a registration is denied under this subdivision for delinquent taxes is entitled to a notice under s. 73.0301 (2) (b) 1. b. and hearing under s. 73.0301 (5) (a), but is not entitled to any other notice, hearing, or review under this subchapter.

3. The applicant is an individual who fails to comply, after appropriate notice, with a subpoena or warrant issued by the department of children and families or a county child support agency under s. 59.53 (5) and related to paternity or child support proceedings or who is delinquent in making court-ordered payments of child
or family support, maintenance, birth expenses, medical expenses or other expenses
related to the support of a child or former spouse, as provided in a memorandum of
understanding entered under s. 49.857. An applicant whose application is denied
under this subdivision for delinquent payments is entitled to a notice and hearing
under s. 49.857 but is not entitled to any other notice or hearing under this
subchapter.

(b) Unless s. 551.406 (6) (b) applies to the registrant, the administrator shall
restrict or suspend a registration under this subchapter if the registrant is an
individual who fails to provide his or her social security number. The administrator
shall restrict or suspend a registration under this subchapter if the registrant is an
individual who fails to comply, after appropriate notice, with a subpoena or warrant
issued by the department of children and families or a county child support agency
under s. 59.53 (5) and related to paternity or child support proceedings or who is
delinquent in making court-ordered payments of child or family support,
maintenance, birth expenses, medical expenses or other expenses related to the
support of a child or former spouse, as provided in a memorandum of understanding
entered into under s. 49.857. A registrant whose registration is restricted or
suspended under this paragraph is entitled to a notice and hearing under s. 49.857
but is not entitled to any other notice or hearing under this subchapter.

(c) The administrator shall revoke a registration if the department of revenue
certifies under s. 73.0301 that the registrant is liable for delinquent taxes. A
registrant whose registration is revoked under this paragraph for delinquent taxes
is entitled to a notice under s. 73.0301 (2) (b) 1. b. and hearing under s. 73.0301 (5)
(a) but is not entitled to any other notice, hearing, or review under this subchapter.
(4r) Enumeration of clauses not exclusive. The enumeration of the causes stated in sub. (4) shall not be exclusive and the administrator may deny an application or suspend or revoke any registrant or censure any registrant for any cause whether similar to or different from these causes when necessary or appropriate in public interest or for the protection of investors.

(5) Examinations. A rule adopted or order issued under this chapter may require that an examination, including an examination developed or approved by an organization of securities regulators, be successfully completed by a class of individuals or all individuals. An order issued under this chapter may waive, in whole or in part, an examination as to an individual and a rule adopted under this chapter may waive, in whole or in part, an examination as to a class of individuals if the administrator determines that the examination is not necessary or appropriate in the public interest and for the protection of investors.

(6) Summary process. The administrator may suspend or deny an application summarily; restrict, condition, limit, or suspend a registration; or censure, bar, or impose a civil penalty on a registrant before final determination of an administrative proceeding. Upon the issuance of an order, the administrator shall promptly notify each person subject to the order that the order has been issued, the reasons for the action, and that within 15 days after the receipt of a request in a record from the person the matter will be scheduled for a hearing. If a hearing is not requested and none is ordered by the administrator within 30 days after the date of service of the order, the order becomes final by operation of law. If a hearing is requested or ordered, the administrator, after notice of and opportunity for hearing to each person subject to the order, may modify or vacate the order or extend the order until final determination.
(7) PROCEDURAL REQUIREMENTS. An order issued may not be issued under this section, except under sub. (6), without all of the following:

(a) Appropriate notice to the applicant or registrant.

(b) Opportunity for hearing.

(c) Findings of fact and conclusions of law in a record in accordance with ch. 227.

(8) CONTROL PERSON LIABILITY. A person that controls, directly or indirectly, a person not in compliance with this section may be disciplined by order of the administrator under subs. (1) to (3) to the same extent as the noncomplying person, unless the controlling person did not know, and in the exercise of reasonable care could not have known, of the existence of conduct that is a ground for discipline under this section.

(9) LIMIT ON INVESTIGATION OR PROCEEDING. The administrator may not institute a proceeding under sub. (1), (2), or (3) based solely on material facts actually known by the administrator unless an investigation or the proceeding is instituted within one year after the administrator actually acquires knowledge of the material facts.

SUBCHAPTER V

FRAUD AND LIABILITIES

551.501 General fraud. It is unlawful for a person, in connection with the offer, sale, or purchase of a security, directly or indirectly, to do any of the following:

(1) To employ a device, scheme, or artifice to defraud.

(2) To make an untrue statement of a material fact or to omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

(3) To engage in an act, practice, or course of business that operates or would operate as a fraud or deceit upon another person.
551.502 Prohibited conduct in providing investment advice. (1) Fraud in providing investment advice. It is unlawful for a person that advises others for compensation, either directly or indirectly or through publications or writings, as to the value of securities or the advisability of investing in, purchasing, or selling securities or that, for compensation and as part of a regular business, issues or promulgates analyses or reports relating to securities, to do any of the following:

(a) To employ a device, scheme, or artifice to defraud another person.

(b) To engage in an act, practice, or course of business that operates or would operate as a fraud or deceit upon another person.

(2) Rules defining fraud. A rule adopted under this chapter may define an act, practice, or course of business of an investment adviser or an investment adviser representative, other than a supervised person, as defined in section 202 (a) (25) of the Investment Advisers Act of 1940 (15 USC 80b–2 (a) (25)), of a federal covered investment adviser, as fraudulent, deceptive, or manipulative, and prescribe means reasonably designed to prevent investment advisers and investment adviser representatives, other than supervised persons, as defined in section 202 (a) (25) of the Investment Advisers Act of 1940 (15 USC 80b–2 (a) (25)), of a federal covered investment adviser, from engaging in acts, practices, and courses of business defined as fraudulent, deceptive, or manipulative.

(3) Rules specifying contents of advisory contract. A rule adopted under this chapter may specify the contents of an investment advisory contract entered into, extended, or renewed by an investment adviser.

551.503 Evidentiary burden. (1) Civil. In a civil action or administrative proceeding under this chapter, a person claiming an exemption, exception, preemption, or exclusion has the burden to prove the applicability of the claim.
In a criminal proceeding under this chapter, a person claiming an exemption, exception, preemption, or exclusion has the burden of going forward with evidence of the claim.

551.504 Filing of sales and advertising literature. (1) Filing requirement. Except as otherwise provided in sub. (2), a rule adopted or order issued under this chapter may require the filing of a prospectus, pamphlet, circular, form letter, advertisement, sales literature, or other advertising record relating to a security or investment advice, addressed or intended for distribution to prospective investors, including clients or prospective clients of a person registered or required to be registered as an investment adviser under this chapter.

(2) Excluded communications. This section does not apply to sales and advertising literature specified in sub. (1) which relates to a federal covered security, a federal covered investment adviser, or a security or transaction exempted by s. 551.201, 551.202, or 551.203 except as required pursuant to s. 551.201 (7).

551.505 Misleading filings. It is unlawful for a person to make or cause to be made, in a record that is used in an action or proceeding or filed under this chapter, a statement that, at the time and in the light of the circumstances under which it is made, is false or misleading in a material respect, or, in connection with the statement, to omit to state a material fact necessary to make the statement made, in the light of the circumstances under which it was made, not false or misleading.

551.506 Misrepresentations concerning registration or exemption. The filing of an application for registration, a registration statement, a notice filing under this chapter, the registration of a person, the notice filing by a person, or the registration of a security under this chapter does not constitute a finding by the administrator that a record filed under this chapter is true, complete, and not
misleading. The filing or registration or the availability of an exemption, exception, preemption, or exclusion for a security or a transaction does not mean that the administrator has passed upon the merits or qualifications of, or recommended or given approval to, a person, security, or transaction. It is unlawful to make, or cause to be made, to a purchaser, customer, client, or prospective customer or client a representation inconsistent with this section.

551.507 Qualified immunity. A broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative is not liable to another broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative for defamation relating to a statement that is contained in a record required by the administrator, or designee of the administrator, the Securities and Exchange Commission, or a self-regulatory organization, unless the person knew, or should have known at the time that the statement was made, that it was false in a material respect or the person acted in reckless disregard of the statement’s truth or falsity.

551.508 Criminal penalties. (1) Criminal penalties. A person that willfully violates this chapter, or a rule adopted or order issued under this chapter, except s. 551.504 or the notice filing requirements of s. 551.302 or 551.405, or that willfully violates s. 551.505 knowing the statement made to be false or misleading in a material respect, upon conviction, shall be guilty of a Class H felony. An individual convicted of violating a rule or order under this chapter may be fined, but may not be imprisoned, if the individual did not have knowledge of the rule or order. Each of the acts specified shall constitute a separate offense and a prosecution or conviction for any one of such offenses shall not bar prosecution or conviction for any other offense.
(2) Criminal reference not required. The attorney general or the district attorney of the appropriate county, with or without a reference from the administrator, may institute criminal proceedings under this chapter.

(3) No limitation on other criminal enforcement. This chapter does not limit the power of this state to punish a person for conduct that constitutes a crime under other laws of this state.

(2) Liability of seller to purchaser. A person is liable to the purchaser if the person sells a security in violation of s. 551.301 or 551.501 and, as to s. 551.501 (2), the purchaser did not know the untruth or omission and the seller cannot sustain the burden of proof that the seller did not know and, in the exercise of reasonable care, could not have known of the untruth or omission. An action under this subsection is governed by the following:

(a) The purchaser may maintain an action to recover the consideration paid for the security, less the amount of any income received on the security, and interest at the legal rate under s. 138.04 from the date of the purchase, costs, and reasonable attorney fees determined by the court, upon the tender of the security, or for actual damages as provided in par. (c).

(b) The tender referred to in par. (a) may be made any time before entry of judgment. Tender requires only notice in a record of ownership of the security and willingness to exchange the security for the amount specified. A purchaser that no longer owns the security may recover actual damages as provided in par. (c).
(c) Actual damages in an action arising under this subsection are the amount that would be recoverable upon a tender less the value of the security when the purchaser disposed of it, and interest at the legal rate under s. 138.04 from the date of the purchase, costs, and reasonable attorney fees determined by the court.

(3) LIABILITY OF PURCHASER TO SELLER. A person is liable to the seller if the person buys a security in violation of s. 551.501 and, as to s. 551.501 (2), the seller did not know the untruth or omission and the purchaser cannot sustain the burden of proof that the purchaser did not know and, in the exercise of reasonable care, could not have known of the untruth or omission. An action under this subsection is governed by the following:

(a) The seller may maintain an action to recover the security, and any income received on the security, costs, and reasonable attorney fees determined by the court, upon the tender of the purchase price, or for actual damages as provided in par. (c).

(b) The tender referred to in par. (a) may be made any time before entry of judgment. Tender requires only notice in a record of the present ability to pay the amount tendered and willingness to take delivery of the security for the amount specified. If the purchaser no longer owns the security, the seller may recover actual damages as provided in par. (c).

(c) Actual damages in an action arising under this subsection are the difference between the price at which the security was sold and the value the security would have had at the time of the sale in the absence of the purchaser’s conduct causing liability, and interest at the legal rate under s. 138.04 from the date of the sale of the security, costs, and reasonable attorney fees determined by the court.

(4) LIABILITY OF UNREGISTERED BROKER-DEALER AND AGENT. A person acting as a broker-dealer or agent that sells or buys a security in violation of s. 551.401 (1),
551.402 (1), or 551.506 is liable to the customer. The customer, if a purchaser, may
maintain an action for recovery of actual damages as specified in sub. (2) (a) to (c),
or, if a seller, for a remedy as specified in sub. (3) (a) to (c).

(5) LIABILITY OF UNREGISTERED INVESTMENT ADVISER AND INVESTMENT ADVISER
REPRESENTATIVE. A person acting as an investment adviser or investment adviser
representative that provides investment advice for compensation in violation of s.
551.403 (1), 551.404 (1), or 551.506 is liable to the client. The client may maintain
an action to recover the consideration paid for the advice, interest at the legal rate
under s. 138.04 from the date of payment, costs, and reasonable attorney fees
determined by the court.

(6) LIABILITY FOR INVESTMENT ADVICE. A person that receives directly or
indirectly any consideration for providing investment advice to another person and
that employs a device, scheme, or artifice to defraud the other person or engages in
an act, practice, or course of business that operates or would operate as a fraud or
deceit on the other person is liable to the other person. An action under this
subsection is governed by the following:

(a) The person defrauded may maintain an action to recover the consideration
paid for the advice and the amount of any actual damages caused by the fraudulent
conduct, interest at the legal rate under s. 138.04 from the date of the fraudulent
conduct, costs, and reasonable attorney fees determined by the court, less the
amount of any income received as a result of the fraudulent conduct.

(b) This subsection does not apply to a broker-dealer or its agents if the
investment advice provided is solely incidental to transacting business as a
broker-dealer and no special compensation is received for the investment advice.
(7) Joint and several liability. The following persons are liable jointly and severally with and to the same extent as persons liable under subs. (2) to (6):

(a) A person that directly or indirectly controls a person liable under subs. (2) to (6), unless the controlling person sustains the burden of proof that the person did not know, and in the exercise of reasonable care could not have known, of the existence of conduct by reason of which the liability is alleged to exist.

(b) An individual who is a managing partner, executive officer, or director of a person liable under subs. (2) to (6), including an individual having a similar status or performing similar functions, unless the individual sustains the burden of proof that the individual did not know, and in the exercise of reasonable care could not have known, of the existence of conduct by reason of which the liability is alleged to exist.

(c) An individual who is an employee of or associated with a person liable under subs. (2) to (6) and who materially aids the conduct giving rise to the liability, unless the individual sustains the burden of proof that the individual did not know, and in the exercise of reasonable care could not have known, of the existence of conduct by reason of which the liability is alleged to exist.

(d) A person that is a broker-dealer, agent, investment adviser, or investment adviser representative that materially aids the conduct giving rise to the liability under subs. (2) to (6), unless the person sustains the burden of proof that the person did not know, and in the exercise of reasonable care could not have known, of the existence of conduct by reason of which liability is alleged to exist.

(8) Right of contribution. A person liable under this section has a right of contribution as in cases of contract against any other person liable under this section for the same conduct.
(9) **Survival of cause of action.** A cause of action under this section survives the death of an individual who might have been a plaintiff or defendant.

(10) **Statute of limitations.** A person may not obtain relief:

(a) Under sub. (2) for violation of s. 551.301, or under sub. (4) or (5), unless the action is instituted within one year after the violation occurred.

(b) Under sub. (2), other than for violation of s. 551.301, or under sub. (3) or (6), unless the action is instituted within the earlier of 2 years after discovery of the facts constituting the violation or 5 years after the violation.

(11) **No enforcement of violative contract.** A person that has made, or has engaged in the performance of, a contract in violation of this chapter or a rule adopted or order issued under this chapter, or that has acquired a purported right under the contract with knowledge of conduct by reason of which its making or performance was in violation of this chapter, may not base an action on the contract.

(12) **No contractual waiver.** A condition, stipulation, or provision binding a person purchasing or selling a security or receiving investment advice to waive compliance with this chapter or a rule adopted or order issued under this chapter is void.

(13) **Survival of other rights or remedies.** The rights and remedies provided by this chapter are in addition to any other rights or remedies that may exist, but this chapter does not create a cause of action not specified in this section or s. 551.411 (5).

551.511 **Rescission offers.** A purchaser, seller, or recipient of investment advice may not maintain an action under s. 551.509 if all of the following apply:

(1) The purchaser, seller, or recipient of investment advice receives in a record, before the action is instituted, an offer stating the respect in which liability under s. 551.509 may have arisen and fairly advising the purchaser, seller, or recipient of
investment advice of that person’s rights in connection with the offer, and any
financial or other information necessary to correct all material misrepresentations
or omissions in the information that was required by this chapter to be furnished to
that person at the time of the purchase, sale, or investment advice, and any of the
following:

(a) If the basis for relief under this section may have been a violation of s.
551.509 (2), an offer to repurchase the security for cash, payable on delivery of the
security, equal to the consideration paid, and interest at the legal rate under s. 138.04
from the date of the purchase, less the amount of any income received on the security,
or, if the purchaser no longer owns the security, an offer to pay the purchaser upon
acceptance of the offer damages in an amount that would be recoverable upon a
tender, less the value of the security when the purchaser disposed of it, and interest
at the legal rate under s. 138.04 from the date of the purchase in cash equal to the
damages computed in the manner provided in this subsection.

(b) If the basis for relief under this section may have been a violation of s.
551.509 (3), an offer to tender the security, on payment by the seller of an amount
equal to the purchase price paid, less income received on the security by the
purchaser and interest at the legal rate under s. 138.04 from the date of the sale, or,
if the purchaser no longer owns the security, an offer to pay the seller upon
acceptance of the offer, in cash, damages in the amount of the difference between the
price at which the security was purchased and the value the security would have had
at the time of the purchase in the absence of the purchaser’s conduct that may have
caused liability and interest at the legal rate under s. 138.04 from the date of the sale.
(c) If the basis for relief under this section may have been a violation of s. 551.509 (4), and if the customer is a purchaser, an offer to pay as specified in par. (a), or, if the customer is a seller, an offer to tender or to pay as specified in par. (b).

(d) If the basis for relief under this section may have been a violation of s. 551.509 (5), an offer to reimburse in cash the consideration paid for the advice and interest at the legal rate under s. 138.04 from the date of payment.

(e) If the basis for relief under this section may have been a violation of s. 551.509 (6), an offer to reimburse in cash the consideration paid for the advice, the amount of any actual damages that may have been caused by the conduct, and interest at the legal rate under s. 138.04 from the date of the violation causing the loss.

(2) The offer under sub. (1) states that it must be accepted by the purchaser, seller, or recipient of investment advice within 30 days after the date of its receipt by the purchaser, seller, or recipient of investment advice or any shorter period, of not less than 3 days, that the administrator, by order, specifies.

(3) The offeror has the present ability to pay the amount offered or to tender the security under sub. (1).

(4) The offer under sub. (1) is delivered to the purchaser, seller, or recipient of investment advice, or sent in a manner that ensures receipt by the purchaser, seller, or recipient of investment advice.

(5) The purchaser, seller, or recipient of investment advice that accepts the offer under sub. (1) in a record within the period specified under sub. (2) is paid in accordance with the terms of the offer.
551.601 Administration. (1) Administration. The administrator shall administer this chapter.

(2) Unlawful use of records or information. It is unlawful for the administrator or an officer, employee, or designee of the administrator to use for personal benefit or the benefit of others records or other information obtained by or filed with the administrator that are not public under s. 551.607 (2). This chapter does not authorize the administrator or an officer, employee, or designee of the administrator to disclose the record or information, except in accordance with s. 551.602, 551.607 (3), or 551.608.

(3) No privilege or exemption created or diminished. This chapter does not create or diminish a privilege or exemption that exists at common law, by statute or rule, or otherwise.

(4) Investor education. The administrator may develop and implement investor education initiatives to inform the public about investing in securities, with particular emphasis on the prevention and detection of securities fraud. In developing and implementing these initiatives, the administrator may collaborate with public and nonprofit organizations with an interest in investor education. The administrator may accept a grant or donation from a person that is not affiliated with the securities industry or from a nonprofit organization, regardless of whether the organization is affiliated with the securities industry, to develop and implement investor education initiatives. This subsection does not authorize the administrator
to require participation or monetary contributions of a registrant in an investor education program.

(5) Securities investor education and training funding. All moneys collected from the administrative assessment under s. 551.604 (4) shall be credited to the appropriation under s. 20.144 (1) (i). Subject to s. 20.144 (1) (i), the division shall use moneys credited to that appropriation for the purposes specified in sub. (4) and s. 20.144 (1) (i).

551.602 Investigations and subpoenas. (1) Authority to investigate. The administrator may do any of the following:

(a) Conduct public or private investigations within or outside of this state which the administrator considers necessary or appropriate to determine whether a person has violated, is violating, or is about to violate this chapter or a rule adopted or order issued under this chapter, or to aid in the enforcement of this chapter or in the adoption of rules and forms under this chapter.

(b) Require or permit a person to testify, file a statement, or produce a record, under oath or otherwise as the administrator determines, as to all the facts and circumstances concerning a matter to be investigated or about which an action or proceeding is to be instituted.

(c) Publish a record concerning an action, proceeding, or an investigation under, or a violation of, this chapter or a rule adopted or order issued under this chapter.

(2) Administrator powers to investigate. For the purpose of an investigation under this chapter, the administrator or its designated officer may administer oaths and affirmations, subpoena witnesses, seek compulsion of attendance, take
evidence, require the filing of statements, and require the production of any records
that the administrator considers relevant or material to the investigation.

(3) Procedure and remedies for noncompliance. If a person does not appear
or refuses to testify, file a statement, produce records, or otherwise does not obey a
subpoena as required by the administrator under this chapter, the administrator
may apply to, or may refer the matter to the attorney general, district attorney of the
appropriate county, or appropriate federal authority who may apply to, the circuit
court of of the appropriate county or a court of another state to enforce compliance.
The court may do any of the following:

(a) Hold the person in contempt.
(b) Order the person to appear before the administrator.
(c) Order the person to testify about the matter under investigation or in
question.
(d) Order the production of records.
(e) Grant injunctive relief, including restricting or prohibiting the offer or sale
of securities or the providing of investment advice.
(f) Impose a civil penalty of not less than $5,000 and not greater than $250,000
for each violation.
(g) Grant any other necessary or appropriate relief.

(4) Application for relief. This section does not preclude a person from
applying to the circuit court of the appropriate county or a court of another state for
relief from a request to appear, testify, file a statement, produce records, or obey a
subpoena.

(5) Use immunity procedure. (a) An individual is not excused from attending,
testifying, filing a statement, producing a record or other evidence, or obeying a
subpoena of the administrator under this chapter or in an action or proceeding instituted by the administrator under this chapter on the ground that the required testimony, statement, record, or other evidence, directly or indirectly, may tend to incriminate the individual or subject the individual to a criminal fine, penalty, or forfeiture. If the individual refuses to testify, file a statement, or produce a record or other evidence on the basis of the individual's privilege against self-incrimination, the administrator may apply to the circuit court of the appropriate county to compel the testimony, the filing of the statement, the production of the record, or the giving of other evidence. The testimony, record, or other evidence compelled under such an order may not be used, directly or indirectly, against the individual in a criminal case, except in a prosecution for perjury or contempt or otherwise failing to comply with the order.

(b) The immunity provided under par. (a) is subject to the restrictions under s. 972.085.

(6) ASSISTANCE TO SECURITIES REGULATOR OF ANOTHER JURISDICTION. At the request of the securities regulator of another state or a foreign jurisdiction, the administrator may provide assistance if the requesting regulator states that it is conducting an investigation to determine whether a person has violated, is violating, or is about to violate a law or rule of the other state or foreign jurisdiction relating to securities matters that the requesting regulator administers or enforces. The administrator may provide the assistance by using the authority to investigate and the powers conferred by this section as the administrator determines is necessary or appropriate. The assistance may be provided without regard to whether the conduct described in the request would also constitute a violation of this chapter or other law of this state if occurring in this state. In deciding whether to provide the assistance,
the administrator may consider whether the requesting regulator is permitted and has agreed to provide assistance reciprocally within its state or foreign jurisdiction to the administrator on securities matters when requested; whether compliance with the request would violate or prejudice the public policy of this state; and the availability of resources and employees of the administrator to carry out the request for assistance.

551.603 Civil enforcement. (1) Civil action instituted by administrator. If the administrator believes that a person has engaged, is engaging, or is about to engage in an act, practice, or course of business constituting a violation of this chapter or a rule adopted or order issued under this chapter or that a person has, is, or is about to engage in an act, practice, or course of business that materially aids a violation of this chapter or a rule adopted or order issued under this chapter, the administrator may maintain, or may refer the matter to the attorney general or district attorney of the appropriate county who may maintain, an action in the circuit court of the appropriate county to enjoin the act, practice, or course of business and to enforce compliance with this chapter or a rule adopted or order issued under this chapter.

(2) Relief available. In an action under this section and on a proper showing, the court may do any of the following:

(a) Issue a permanent or temporary injunction, restraining order, or declaratory judgment.

(b) Order other appropriate or ancillary relief, which may include any of the following:
1. An asset freeze, accounting, writ of attachment, writ of general or specific
   execution, and appointment of a receiver or conservator, that may be the
   administrator, for the defendant or the defendant’s assets.

2. Ordering the administrator to take charge and control of a defendant’s
   property, including investment accounts and accounts in a depository institution,
   rents, and profits; to collect debts; and to acquire and dispose of property.

3. Imposing a civil penalty up to $5,000 for a single violation or up to $250,000
   for more than one violation; an order of rescission, restitution, or disgorgement
   directed to a person that has engaged in an act, practice, or course of business
   constituting a violation of this chapter or the predecessor act or a rule adopted or
   order issued under this chapter or the predecessor act.

4. Ordering the payment of prejudgment and postjudgment interest.

(c) Order such other relief as the court considers appropriate.

(3) No bond required. The administrator may not be required to post a bond
   in an action or proceeding under this chapter.

551.604 Administrative enforcement. (1) Issuance of an order or notice.
   If the administrator determines that a person has engaged, is engaging, or is about
   to engage in an act, practice, or course of business constituting a violation of this
   chapter or a rule adopted or order issued under this chapter or that a person has
   materially aided, is materially aiding, or is about to materially aid an act, practice,
   or course of business constituting a violation of this chapter or a rule adopted or order
   issued under this chapter, the administrator may do any of the following:

   (a) Issue an order directing the person to cease and desist from engaging in the
       act, practice, or course of business or to take other action necessary or appropriate
       to comply with this chapter.
(b) Issue an order denying, suspending, revoking, or conditioning the exemptions for a broker-dealer under s. 551.401 (2) (d) or (f) or an investment adviser under s. 551.403 (2) (a) 3.

(c) Issue an order under s. 551.204.

(2) SUMMARY PROCESS. An order under sub. (1) is effective on the date of issuance. Upon issuance of the order, the administrator shall promptly serve each person subject to the order with a copy of the order and a notice that the order has been entered. The order must include a statement of any civil penalty or costs of investigation the administrator will seek, a statement of the reasons for the order, and notice that, within 15 days after receipt of a request in a record from the person, the matter will be scheduled for a hearing. If a person subject to the order does not request a hearing and none is ordered by the administrator within 30 days after the date of service of the order, the order, including the imposition of a civil penalty or requirement for payment of the costs of investigation sought in a statement in the order, becomes final as to that person by operation of law. If a hearing is requested or ordered, the administrator, after notice of and opportunity for hearing to each person subject to the order, may modify or vacate the order or extend it until final determination.

(3) PROCEDURE FOR FINAL ORDER. If a hearing is requested or ordered pursuant to sub. (2), a hearing must be held pursuant to ch. 227. A final order may not be issued unless the administrator makes findings of fact and conclusions of law in a record in accordance with ch. 227. The final order may make final, vacate, or modify the order issued under sub. (1).
(4) Civil penalty. In a final order under sub. (3), the administrator may impose a civil penalty in the form of an administrative assessment up to $5,000 for a single violation or up to $250,000 for more than one violation.

(5) Costs. In a final order, the administrator may charge the actual cost of an investigation or proceeding for a violation of this chapter or a rule adopted or order issued under this chapter.

(6) Filing of certified final order with court; effect of filing. If a petition for judicial review of a final order is not filed in accordance with s. 551.609, the administrator may file a certified copy of the final order with the clerk of a court of competent jurisdiction. The order so filed has the same effect as a judgment of the court and may be recorded, enforced, or satisfied in the same manner as a judgment of the court.

(7) Enforcement by court; further civil penalty. If a person does not comply with an order under this section, the administrator may petition a court of competent jurisdiction to enforce the order. The court may not require the administrator to post a bond in an action or proceeding under this section. If the court finds, after service and opportunity for hearing, that the person was not in compliance with the order, the court may adjudge the person in civil contempt of the order. The court may impose a further civil penalty against the person for contempt in an amount not less than $5,000 but not greater than $100,000 for each violation and may grant any other relief the court determines is just and proper in the circumstances.

551.605 Rules, forms, orders, interpretative opinions, and hearings.

(1) Issuance and adoption of forms, orders, and rules. The administrator may do any of the following:
(a) Issue forms and orders and, after notice and comment, adopt and amend rules necessary or appropriate to carry out this chapter, and repeal rules, including rules and forms governing registration statements, applications, notice filings, reports, and other records.

(b) By rule, define terms, whether or not used in this chapter, but those definitions may not be inconsistent with this chapter.

(c) By rule, classify securities, persons, and transactions and adopt different requirements for different classes.

(2) Findings and Cooperation. Under this chapter, except as provided under s. 551.412 (4g) (b) and (c), a rule or form may not be adopted or amended, or an order issued or amended, unless the administrator finds that the rule, form, order, or amendment is necessary or appropriate in the public interest or for the protection of investors and is consistent with the purposes intended by this chapter. In adopting, amending, and repealing rules and forms, s. 551.608 applies in order to achieve uniformity among the states and coordination with federal laws in the form and content of registration statements, applications, reports, and other records, including the adoption of uniform rules, forms, and procedures.

(3) Financial Statements. Subject to section 15 (h) of the Securities Exchange Act and section 222 of the Investment Advisers Act of 1940, the administrator may require that a financial statement filed under this chapter be prepared in accordance with generally accepted accounting principles in the United States and comply with other requirements specified by rule adopted or order issued under this chapter. A rule adopted or order issued under this chapter may establish:
(a) Subject to section 15 (h) of the Securities Exchange Act and section 222 of the Investment Advisers Act of 1940, the form and content of financial statements required under this chapter.

(b) Whether unconsolidated financial statements must be filed.

(c) Whether required financial statements must be audited by an independent certified public accountant.

(4) INTERPRETATIVE OPINIONS. The administrator may provide interpretative opinions or issue determinations that the administrator will not institute a proceeding or an action under this chapter against a specified person for engaging in a specified act, practice, or course of business if the determination is consistent with this chapter. A rule adopted or order issued under this chapter may establish a reasonable charge for interpretative opinions or determinations that the administrator will not institute an action or a proceeding under this chapter.

(5) EFFECT OF COMPLIANCE. A penalty under this chapter may not be imposed for, and liability does not arise from, conduct that is engaged in or omitted in good faith in conformity with a rule, form, or order of the administrator under this chapter.

(6) PRESUMPTION FOR PUBLIC HEARINGS. A hearing in an administrative proceeding under this chapter must be conducted in public unless the administrator for good cause consistent with this chapter determines that the hearing will not be so conducted.

551.606 Administrative files and opinions. (1) PUBLIC REGISTER OF FILINGS. The administrator shall maintain, or designate a person to maintain, a register of applications for registration of securities; registration statements; notice filings; applications for registration of broker-dealers, agents, investment advisers, and investment adviser representatives; notice filings by federal covered investment
advisers that are or have been effective under this chapter or the predecessor act; notices of claims of exemption from registration or notice filing requirements contained in a record; orders issued under this chapter or the predecessor act; and interpretative opinions or no action determinations issued under this chapter.

(2) Public availability. The administrator shall make all rules, forms, interpretative opinions, and orders available to the public.

(3) Copies of public records. The administrator shall furnish a copy of a record that is a public record or a certification that the public record does not exist to a person that so requests. A rule adopted under this chapter may establish a reasonable charge for furnishing the record or certification. A copy of the record certified or a certificate by the administrator of a record's nonexistence is prima facie evidence of a record or its nonexistence.

551.607 Public records; confidentiality. (1) Presumption of public records. Except as otherwise provided in sub. (2), records obtained by the administrator or filed under this chapter, including a record contained in or filed with a registration statement, application, notice filing, or report, are public records and are available for public examination.

(2) Nonpublic records. The following records are not public records and are not available for public examination under sub. (1):

(a) Information and records obtained by the administrator in connection with an audit or inspection under s. 551.411 (4) or a pending investigation under s. 551.602.

(b) A part of a record filed in connection with a registration statement under ss. 551.301 and 551.303 to 551.305 or a record under s. 551.411 (4) that contains trade
secrets or confidential information if the person filing the registration statement or
record has asserted a claim of confidentiality or privilege that is authorized by law.

(c) A record that is not required to be provided to the administrator or filed
under this chapter and is provided to the administrator only on the condition that
the record will not be subject to public examination or disclosure.

(d) A nonpublic record received from a person specified in s. 551.608 (1).

(e) Subject to s. 551.406 (6) (a), any social security number, residential address
unless used as a business address, and residential telephone number unless used as
a business telephone number, contained in a record that is filed.

(f) A record obtained by the administrator through a designee of the
administrator that a rule or order under this chapter determines has been
appropriately expunged from the administrator’s records by the designee.

(3) ADMINISTRATOR DISCRETION TO DISCLOSE. If disclosure is for the purpose of a
civil, administrative, or criminal investigation, action, or proceeding or to a person
specified in s. 551.608 (1), the administrator may disclose a record or information
obtained in connection with an audit or inspection under s. 551.411 (4) or a record
or information obtained in connection with a pending investigation under s. 551.602.

551.608 Uniformity and cooperation with other agencies. (1) Objective
of uniformity. The administrator shall, in its discretion, cooperate, coordinate,
consult, and, subject to s. 551.607, share records and information with the securities
regulator of another state, Canada, a Canadian province or territory, a foreign
court jurisdiction, the Securities and Exchange Commission, the United States
Department of Justice, the Commodity Futures Trading Commission, the Federal
Trade Commission, the Securities Investor Protection Corporation, a self−regulatory
organization, a national or international organization of securities regulators, a
federal or state banking or insurance regulator, and a governmental law
enforcement agency to effectuate greater uniformity in securities matters among the
federal government, self-regulatory organizations, states, and foreign governments.

(2) POLICIES TO CONSIDER. In cooperating, coordinating, consulting, and sharing
records and information under this section and in acting by rule, order, or waiver
under this chapter, the administrator shall, in its discretion, take into consideration
in carrying out the public interest the following general policies:

(a) Maximizing effectiveness of regulation for the protection of investors.
(b) Maximizing uniformity in federal and state regulatory standards.
(c) Minimizing burdens on the business of capital formation, without adversely
affecting essentials of investor protection.

(3) SUBJECTS FOR COOPERATION. The cooperation, coordination, consultation,
and sharing of records and information authorized by this section includes:

551.609 Judicial review. A final order issued by the administrator under this chapter is subject to judicial review in accordance with ch. 227, but administrative enforcement orders originally entered without hearing may be reviewed only if the party seeking review has requested a hearing within the time provided by s. 551.604 (2).

551.611 Service of process. (1) Signed consent to service of process. A consent to service of process complying with this section required by this chapter must be signed and filed in the form required by a rule or order under this chapter. A consent appointing the administrator the person’s agent for service of process in a noncriminal action or proceeding against the person, or the person’s successor or personal representative under this chapter or a rule adopted or order issued under this chapter after the consent is filed, has the same force and validity as if the service were made personally on the person filing the consent. A person that has filed a
consent complying with this subsection in connection with a previous application for
registration or notice filing need not file an additional consent.

(2) Conduct constituting appointment of agent for service. If a person,
including a nonresident of this state, engages in an act, practice, or course of business
prohibited or made actionable by this chapter or a rule adopted or order issued under
this chapter and the person has not filed a consent to service of process under sub.

administrator as the person’s agent for service of process in a noncriminal action or
proceeding against the person or the person’s successor or personal representative.

(3) Procedure for service of process. Service under sub. (1) or (2) may be
made by providing a copy of the process to the office of the administrator, but it is not
effective unless all of the following apply:

(a) The plaintiff, which may be the administrator, promptly sends notice of the
service and a copy of the process, return receipt requested, to the defendant or
respondent at the address set forth in the consent to service of process or, if a consent
to service of process has not been filed, at the last known address, or takes other
reasonable steps to give notice.

(b) The plaintiff files an affidavit of compliance with this subsection in the
action or proceeding on or before the return day of the process, if any, or within the
time that the court, or the administrator in a proceeding before the administrator,
allows.

(4) Service in administrative proceedings or civil actions by administrator.
Service pursuant to sub. (3) may be used in a proceeding before the administrator or
by the administrator in a civil action in which the administrator is the moving party.
(5) Opportunity to Defend. If process is served under sub. (3), the court, or the administrator in a proceeding before the administrator, shall order continuances as are necessary or appropriate to afford the defendant or respondent reasonable opportunity to defend.

551.613 Jurisdiction. (1) Sales and offers to sell. (4) Acceptances in this state. For the purpose of this section, an offer to purchase or to sell is accepted in this state, whether or not either party is then present in this state, if the acceptance meets all of the following criteria:

The filing party shall also, within 90 days after the end of each fiscal year following the filing under s. 551.302, and within 90 days after sales in this state have terminated, file a report to allow the division of securities to determine that the amount of the fee paid is correct.
