March 13, 2008 – Introduced by Representatives Vruwink, Albers, Sheridan and A. Williams, cosponsored by Senators Darling and Roessler. Referred to Committee on Tourism, Recreation and State Properties.

AN ACT to amend 23.33 (4c) (a) 3. and 350.101 (1) (c) of the statutes; relating to: prohibited alcohol concentration for operating an all-terrain vehicle or a snowmobile.

Analysis by the Legislative Reference Bureau

Under current law, no one may operate an all-terrain vehicle or a snowmobile with a prohibited alcohol concentration. Under most circumstances, a prohibited alcohol concentration is 0.08, but for a person who has not attained the age of 19, the prohibited alcohol concentration for the purpose of operating an all-terrain vehicle or a snowmobile is any amount over 0.0.

Under this bill, any person who has not attained the age of 21 may not operate an all-terrain vehicle or a snowmobile with an alcohol concentration above 0.0.
