AN ACT to amend 118.33 (1) (a) (intro.); and to create 118.33 (1) (e) of the statutes; relating to: granting a high school diploma to a foreign exchange student.

Analysis by the Legislative Reference Bureau

Under current law, with limited exceptions, a school board may not grant a high school diploma to a pupil who has not satisfied minimum course work and attendance requirements established for the high school grades. This bill permits a school board to award a high school diploma to a foreign exchange student where the school board determines that the foreign exchange student has satisfied course work and attendance criteria established by the school board.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 118.33 (1) (a) (intro.) of the statutes is amended to read:

118.33 (1) (a) (intro.) Except as provided in par. pars. (d) and (e), a school board may not grant a high school diploma to any pupil unless the pupil has earned:

SECTION 2. 118.33 (1) (e) of the statutes is created to read:

2. A school board may grant a high school diploma to a foreign exchange student enrolled in the school district who has not satisfied the requirements of pars. (a) and (b) if the school board determines that the foreign exchange student has demonstrated a level of proficiency in the subjects listed in par.
