

## 2007 ASSEMBLY RESOLUTION 5

February 1, 2007 - Introduced by Representative SCHNEIDER. Referred to  
Committee on Assembly Organization.

1     **To amend** assembly rule 32 (1) (a) and assembly rule 39 (1); **relating to:** the  
2             prohibition against memorializing the federal government.

---

### *Analysis by the Legislative Reference Bureau*

Current assembly rules prohibit the offering of any assembly joint resolution or resolution memorializing Congress or any branch or officer of the federal government, prohibit the assembly from receiving a senate joint resolution memorializing Congress or any branch or officer of the federal government, and require that each such senate joint resolution be transmitted back to the senate immediately after the message referring to the senate joint resolution is read.

This resolution permits any such resolution to be offered or considered in the assembly if the resolution memorializes Congress or any branch or officer of the federal government not to reduce the size of the Wisconsin national guard.
