
AN ACT to amend 347.48 (2m) (gm) and 347.50 (2m) (a) of the statutes; relating to: enforcement of motor vehicle safety belt violations and providing a penalty.

Analysis by the Legislative Reference Bureau

Current law requires the use of safety belts (seat belts) in certain motor vehicles. With certain exceptions, no person may drive a motor vehicle unless he or she is properly restrained by a seat belt and unless each passenger not required to be in a child safety seat or booster seat is properly restrained by a seat belt. No person who is at least eight years old may be a passenger in the front seat of a motor vehicle, or in a seat other than the front seat for which a seat belt has been installed, unless that person is properly restrained. Current law prohibits a law enforcement officer from stopping or inspecting a motor vehicle solely to determine compliance with seat belt use requirements. The officer may, however, issue a citation for a violation observed in the course of a stop or inspection made for other purposes. A law enforcement officer may not take a person into physical custody solely for a violation of seat belt use requirements.

This bill authorizes a law enforcement officer to stop or inspect a vehicle solely to determine compliance with seat belt use requirements, if the officer has probable cause to believe that a violation has occurred. The bill also increases the penalty for violating this state’s laws requiring the use of seat belts from $10 to $25 for a first offense and to not less than $50 nor more than $75 for the second and each later offense committed within three years. As under current law, violators pay no additional costs, fees, or assessments.

(1) or (2) or rules of the department observed in the course of a stop or inspection made for other purposes, except that a law enforcement officer may not take a person into physical custody solely for a violation of this subsection or sub.
