2007 SENATE BILL 17

January 26, 2007 – Introduced by Senators KEDZIE and KAPANKE. Referred to Committee on Commerce, Utilities and Rail.

AN ACT to amend 27.08 (2) (b), 27.08 (2) (c), 28.20, 59.69 (3) (a), 59.69 (3) (b), 59.69 (3) (e), 60.61 (2) (intro.), 60.61 (3) (intro.), 60.62 (2), 60.62 (3), 61.34 (3), 62.22 (1), 62.22 (1e), 62.23 (7a) (a), 66.0105, 66.0217 (3) (intro.), 66.0219 (intro.), 66.0223 (1), 70.99 (8) and 236.02 (5); and to create 60.10 (1) (h), 60.225 and 60.23 (33) of the statutes; relating to: the powers of certain towns, authorizing the creation of charter towns by certain town boards, and expanding the authority of charter towns to create tax incremental financing districts.

Analysis by the Legislative Reference Bureau

Under current law, if a town meeting authorizes a town board to do so, the town board may exercise powers relating to villages and conferred on village boards by statute, except those powers that conflict with statutes relating to towns and town boards. For example, a town board exercising village powers may not create a tax incremental financing (TIF) district other than for very limited purposes related to agricultural, forestry, tourism or manufacturing projects; annex territory; exercise extraterritorial zoning jurisdiction over another town; or, in counties that have adopted a county zoning ordinance, enact a town zoning ordinance unless it is approved by the county board. If a town board exercises village powers, the town is still subject to annexation by a city or village and may be subject to extraterritorial zoning powers exercised by a city or village. Current law also authorizes towns that
SENATE BILL 17

enter into a cooperative boundary agreement with a city or village that will annex all or part of the town to create a TIF.

This bill authorizes a town board that is authorized to exercise village powers to adopt a resolution, which is subject to ratification in a referendum that the town board must call, declaring that it is a “charter town.” The bill allows the town board of a charter town to create a TIF district to the same extent as a city or village; it allows a charter town board to exercise certain zoning powers and exempts the town from being subject to certain city and village extraterritorial powers. This bill does not allow charter towns to annex territory or to engage in extraterritorial zoning or plat approval.

The powers granted to towns in this bill apply only if certain conditions are met on the date on which the board adopts the resolution. Some of the conditions that must be satisfied include the following:

1. The population of the town must be at least 2,500.
2. The town board creates a town plan commission and adopts a comprehensive land use plan.
3. The town board enacts and enforces building code ordinances.
4. The town board enacts a construction site erosion control and storm water management zoning ordinance.

In addition, certain charter towns are exempt from being subject to city and village annexation powers and land acquisition powers if certain conditions are met, and counties must recognize a charter town’s official map in the same way that it recognizes city and village official maps. Some of the conditions that must be met include the following:

1. At least 10 percent of the town residents receive water supply or sewage disposal services, or both, from one of several entities, such as a town sanitary district, a town utility district, a metropolitan sewerage district, or another city, village, or town.
2. The equalized value of the town must exceed $100,000,000.
3. The town must provide law enforcement services 24 hours a day.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
