2007 SENATE BILL 184

May 14, 2007 – Introduced by Senators KREITLOW, LASSA, RISSER, LEHMAN and ERPENBACH, cosponsored by Representatives VRUWINK, SHILLING, SUDER, SHERIDAN, BOYLE, POPE-ROBERTS, MOLEPSKE, POCAN, TRAVIS, GUNDERSON, BERCEAU, SINICKI, ALBERS and WOOD. Referred to Committee on Judiciary and Corrections.

AN ACT to amend 343.17 (3) (b); and to create 343.177 of the statutes; relating to: requiring the Department of Transportation to establish rules allowing living will and health care power of attorney information to be included on driver’s licenses, extending the time limit for emergency rule procedures, providing an exemption from emergency rule procedures, providing an exemption from rule-making procedures, and granting rule-making authority.

Analysis by the Legislative Reference Bureau

Under current law, any person at least 18 years of age and of sound mind may voluntarily execute a declaration to physicians (commonly known as a “living will”) authorizing the withholding or withdrawal of life-sustaining procedures or of feeding tubes when the person is in a terminal condition or is in a persistent vegetative state. Also, under current law, any person at least 18 years of age and of sound mind may voluntarily execute a power of attorney for health care, under which, if the person is found to be incapacitated, the person’s designated agent may make health care decisions on behalf of the person. The Department of Health and Family Services (DHFS) must prepare and provide copies of living will and health care power of attorney forms, in quantities, to health care professionals, hospitals, nursing homes, county clerks, and local bar associations, and individually to private persons.

This bill requires the Department of Transportation (DOT) to establish by rule a procedure that allows any person who has been issued a regular operator’s license
and who has executed a living will or health care power of attorney to write, in a space
provided on the back of the operator’s license, the identity of an individual who has
custody of the person’s living will or designated as the person’s agent under a health
care power of attorney.

The bill also requires DOT to make available on its Internet Web site the living
will and health care power of attorney forms prepared by DHFS.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do
enact as follows:

**SECTION 1.** 343.17 (3) (b) of the statutes is amended to read:

343.17 (3) (b) The reverse side of the license shall contain an explanation of any
restriction codes or endorsement abbreviations used on the front of the license, in
sufficient detail to identify the nature of the restrictions or endorsements to a law
enforcement officer of this state or another jurisdiction. Except for a commercial
driver license, a part of the reverse side of each license shall be printed to serve as
a document of gift under s. 157.06 (2) (b) and (c) or a document of refusal to make an
anatomical gift under s. 157.06 (2) (i). A part of the reverse side of each license shall
be printed to allow a licensee to write on the license document information
authorized by rule under s. 343.177 (1).

**SECTION 2.** 343.177 of the statutes is created to read:

343.177 Living will and health care power of attorney information. (1)

The department shall, by rule, establish a procedure that allows any person who has
been issued a regular license, as described in s. 343.03 (3) (a), and who has executed
a declaration to physicians under ch. 154 or a power of attorney for health care under
ch. 155 to write, in a space provided on the back of the license document, the identity
of an individual having custody of the person’s declaration to physicians or
designated as the person’s agent under a power of attorney for health care or, as
applicable, of both such individuals. The rules shall require the licensee, if the
licensee revokes a declaration to physicians under ch. 154 or a power of attorney for
health care under ch. 155, or changes the individual previously identified on the
license document as having custody of the declaration to physicians or designated as
the licensee's agent under a power of attorney for health care, to promptly cross out
any inaccurate or outdated information written by the licensee on the license
document under authority of this subsection.

(2) The department shall make available, at no charge, on a portion of its
Internet Web site related to driver licensing the declaration to physicians form
specified in s. 154.03 (2) (intro.) and the power of attorney for health care form
specified in s. 155.30 (3) (intro.). If these forms are available on the Internet Web site
of the department of health and family services, the department of transportation
may, in lieu of posting the forms on its own Web site, provide a link to the forms on
the Web site of the department of health and family services.

(1) The department of transportation shall submit in proposed form the rules
required under section 343.177 (1) of the statutes, as created by this act, to the
legislative council staff under section 227.15 (1) of the statutes no later than May 11,
2008.

(2) Using the emergency rules procedure under section 227.24 of the statutes,
the department of transportation shall promulgate the rules required under section
343.177 (1) of the statutes, as created by this act, for purposes of implementing this
act, for the period before the effective date of the rules submitted under subsection
(1). The department shall promulgate these emergency rules no later than May 11,
2008. Notwithstanding section 227.24 (1) (c) and (2) of the statutes, these emergency
rules may remain in effect until July 1, 2009, or the date on which permanent rules
take effect, whichever is sooner. Notwithstanding section 227.24 (1) (a) and (3) of the
statutes, the department is not required to provide evidence that promulgating a rule
under this subsection as an emergency rule is necessary for the preservation of the
public peace, health, safety, or welfare and is not required to provide a finding of
emergency for a rule promulgated under this subsection.

SECTION 4. Initial applicability.

(1) This act first applies to operator’s licenses issued on the effective date of this
subsection.

SECTION 5. Effective dates. This act takes effect on May 11, 2008, except as
follows:

(1) SECTION 3 (1) and (2) of this act takes effect on January 1, 2008, or the day
after publication, whichever is later.

(END)
