an optional identification requirement for voting in elections.

Analysis by the Legislative Reference Bureau

With certain limited exceptions, before being permitted to vote at any polling place, an elector currently must provide his or her name and address. If the elector is not registered, the elector must provide a specified form of proof of residence in order to register. If an elector is not able to present any required proof of residence, as an alternative, current law permits another qualified elector who resides in the same municipality to corroborate the elector’s registration information. In addition, an elector other than a military elector or an overseas elector, as defined by federal law, who registers by mail and who has not voted in an election in this state must provide one of the forms of identification specified by federal law, or a copy thereof if voting by absentee ballot, in order to be permitted to vote. Corroboration may not be substituted for this identification requirement, but an elector who cannot provide
the required identification may cast a provisional ballot. The municipal clerk or board of election commissioners must determine whether electors casting provisional ballots are qualified to vote by 4 p.m. on the day after an election.

With certain limited exceptions, this bill permits any elector, at the time of registration, to elect to be required to provide identification in order to vote in an election. The bill also permits a registered elector to elect to be required to provide identification in order to vote by appearing in person at the office of the municipal clerk or board of election commissioners of the municipality where the elector resides. The elector must sign a statement making the election and present identification.

Under the bill, the permissible types of identification are: 1) a valid Wisconsin driver's license issued by the Department of Transportation (DOT); 2) a valid, current identification card issued by a U.S. uniformed service; or 3) a valid Wisconsin identification card issued by DOT. With certain limited exceptions, if an elector decides to be subject to an identification requirement, the bill requires the elector to enclose a copy of his or her identification when voting an absentee ballot by mail. Under the bill, if an elector who votes at a polling place has elected to be subject to the identification requirement and fails to provide identification, the elector may vote provisionally. If an elector who votes by absentee ballot has elected to be subject to the identification requirement and fails to enclose a copy of the identification with his or her ballot, the ballot is treated as a provisional ballot. A provisional ballot is marked by the poll workers, who immediately contact the municipal clerk or board of election commissioners. The elector may then provide the required identification either at the polling place before the closing hour or at the office of the clerk or board. If the elector does not provide the required identification to the clerk or board by 4 p.m. on the day following the election, the person's vote is not counted.

The bill provides that an elector who elects to be subject to an identification requirement may revoke the election by appearing at the office of the municipal clerk or board of election commissioners of the municipality where he or she resides and filing a written revocation request. Under the bill, an election to be subject to an identification requirement or a revocation of an election must be filed at least 31 days before the election at which it initially applies.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

provided by the elector, or if the name or any photograph appearing on the document
that is provided cannot be verified by the officials, the elector shall not be permitted
SENATE BILL 200

1 to vote, except as authorized under sub. (7), but if the elector is entitled to cast a
2 provisional ballot under s. 6.97, the officials shall offer the opportunity for the elector
3 to vote under s. 6.97.

4 **SECTION 10.** 6.79 (7) of the statutes is created to read:

5 6.79 (7) LICENSE SURRENDER. If an elector is required to provide identification
6 under s. 6.345 and the elector receives a citation or notice of intent to revoke or
7 suspend an operator’s license from a law enforcement officer in any jurisdiction that
8 is dated within 60 days of the date of an election and the elector is required to
9 surrender his or her operator’s license issued to the elector under ch. 343 at the time
10 the citation or notice is issued, the elector may present an original copy of the citation
11 or notice in lieu of an operator’s license under ch. 343. In such case, the elector shall
12 cast his or her ballot under s. 6.965.

13 **SECTION 11.** 6.82 (1) (a) of the statutes is amended to read:

14 6.82 (1) (a) When any inspectors are informed that an elector is at the entrance
15 to the polling place who as a result of disability is unable to enter the polling place,
16 they shall permit the elector to be assisted in marking a ballot by any individual
17 selected by the elector, except the elector’s employer or an agent of that employer or
18 an officer or agent of a labor organization which represents the elector. The individual selected by the elector shall present to the inspectors a valid
19 operator’s license issued to the elector under ch. 343, a valid, current identification
20 card issued to the elector by a U.S. uniformed service, or a valid identification card
21 issued to the elector under s. 343.50 and, if the license or identification card does not
22 constitute proof of residence under s. 6.34, shall also provide proof of residence under
23 s. 6.34 for the assisted elector, whenever required, and all other information
necessary for the elector to obtain a ballot under s. 6.79 (2). The inspectors shall issue
a ballot to the individual selected by the elector and shall accompany the individual
to the polling place entrance where the assistance is to be given. If the ballot is a
paper ballot, the assisting individual shall fold the ballot after the ballot is marked
by the assisting individual. The assisting individual shall then immediately take the
ballot into the polling place and give the ballot to an inspector. The inspector shall
distinctly announce that he or she has “a ballot offered by .... (stating person’s name),
an elector who, as a result of disability, is unable to enter the polling place without
assistance”. The inspector shall then ask, “Does anyone object to the reception of this
ballot?” If no objection is made, the inspectors shall record the elector’s name under
s. 6.79 and deposit the ballot in the ballot box, and shall make a notation on the poll
list: “Ballot received at poll entrance”.

SECTION 12. 6.86 (1) (ac) of the statutes is amended to read:

6.86 (1) (ac) Any elector qualifying under par. (a) may make written application
to the municipal clerk for an official ballot by means of facsimile transmission or
electronic mail. Any application under this paragraph shall contain a copy of the
applicant’s original signature. An elector requesting a ballot under this paragraph
shall return with the voted ballot a copy of the request bearing an original signature
of the elector as provided in s. 6.87 (4) (a).

SECTION 13. 6.86 (1) (ar) of the statutes is amended to read:

6.86 (1) (ar) Except as authorized in s. 6.875 (6), the municipal clerk shall not
issue an absentee ballot unless the clerk receives a written application therefor from
a qualified elector of the municipality. The clerk shall retain each absentee ballot
application until destruction is authorized under s. 7.23 (1). Except as authorized
in s. 6.79 (7), if an elector is required to provide identification under s. 6.345 and the
elector applies for an absentee ballot in person at the clerk’s office, the clerk shall not issue the elector an absentee ballot unless the elector presents a valid operator’s license issued to the elector under ch. 343, a valid, current identification card issued to the elector by a U.S. uniformed service, or a valid identification card issued to the elector under s. 343.50. The clerk shall make a copy of the document presented by the elector and shall enclose the copy in the certificate envelope.

SECTION 14. 6.86 (3) (a) 1. of the statutes is amended to read:

6.86 (3) (a) 1. Any elector who is registered and who is hospitalized, may apply for and obtain an official ballot by agent. The agent may apply for and obtain a ballot for the hospitalized absent elector by presenting a form prescribed by the board and containing the required information supplied by the hospitalized elector and signed by that elector and any other elector residing in the same municipality as the hospitalized elector, corroborating the information contained therein. The corroborating elector shall state on the form his or her full name and address. Except as authorized in s. 6.87 (4) (b), if the elector is required to provide identification under s. 6.345, the agent shall present the identification required under sub. (1) (ar). The clerk shall make a copy of the document presented by the agent and shall enclose the copy in the certificate envelope.

SECTION 15. 6.869 of the statutes is amended to read:

6.869 Uniform instructions. The board shall prescribe uniform instructions for absentee voters. The instructions shall include information concerning the procedure for correcting errors in marking a ballot and obtaining a replacement for a spoiled ballot. The procedure shall, to the extent possible, respect the privacy of each elector and preserve the confidentiality of each elector’s vote. For electors who are subject to an identification requirement under s. 6.345, the instructions shall
include information regarding the identification that is required under s. 6.86 (1) (ar)
or the copy of the identification that is required under s. 6.87 (4).

**SECTION 16.** 6.87 (3) (d) of the statutes is amended to read:

6.87 (3) (d) A municipal clerk may, if the clerk is reliably informed by an absent
elector of a facsimile transmission number or electronic mail address where the
elector can receive an absentee ballot, transmit a facsimile or electronic copy of the
absent elector’s ballot to that elector in lieu of mailing under this subsection if, in the
judgment of the clerk, the time required to send the ballot through the mail may not
be sufficient to enable return of the ballot by the time provided under sub. (6). An
elector may receive an absentee ballot under this subsection only if the elector has
filed a valid application for the ballot under s. 6.86 (1). If the clerk transmits an
absentee ballot under this paragraph, the clerk shall also transmit a facsimile or
electronic copy of the text of the material that appears on the certificate envelope
prescribed in sub. (2), together with instructions prescribed by the board. The
instructions shall require the absent elector to make and subscribe to the
certification as required under sub. (4) (a) and to enclose the absentee ballot in a
separate envelope contained within a larger envelope, that shall include the
completed certificate. The elector shall then affix sufficient postage unless the
absentee ballot qualifies for mailing free of postage under federal free postage laws
and shall mail the absentee ballot to the municipal clerk. Except as authorized in
s. 6.97 (2), an absentee ballot received under this paragraph shall not be counted
unless it is cast in the manner prescribed in this paragraph and in accordance with
the instructions provided by the board.

**SECTION 17.** 6.87 (4) of the statutes is renumbered 6.87 (4) (a) and amended to
read:
6.87 (4) (a) Except as otherwise provided in s. 6.875, the elector voting absentee shall make and subscribe to the certification before one witness who is an adult U.S. citizen. The absent elector, in the presence of the witness, shall mark the ballot in a manner that will not disclose how the elector’s vote is cast. The elector shall then, still in the presence of the witness, fold the ballots so each is separate and so that the elector conceals the markings thereon and deposit them in the proper envelope. If a consolidated ballot under s. 5.655 is used, the elector shall fold the ballot so that the elector conceals the markings thereon and deposit the ballot in the proper envelope. If proof of residence is required, Except as authorized in par. (b) and notwithstanding s. 343.43 (1) (f), if the elector is required to provide identification under s. 6.345, the elector shall enclose a copy of the identification in the envelope. If proof of residence under s. 6.34 is required and the document enclosed by the elector under this paragraph does not constitute proof of residence under s. 6.34, the elector shall also enclose proof of residence under s. 6.34 in the envelope. Proof of residence is required if the elector is not a military elector or an overseas elector, as defined in s. 6.34 (1), and the elector registered by mail and has not voted in an election in this state. If the elector requested a ballot by means of facsimile transmission or electronic mail under s. 6.86 (1) (ac), the elector shall enclose in the envelope a copy of the request which bears an original signature of the elector. The elector may receive assistance under sub. (5). The return envelope shall then be sealed. The witness may not be a candidate. The envelope shall be mailed by the elector, or delivered in person, to the municipal clerk issuing the ballot or ballots. If the envelope is mailed from a location outside the United States, the elector shall affix sufficient postage unless the ballot qualifies for delivery free of postage under federal law. Failure to return an unused ballot in a primary does not invalidate the
ballot on which the elector’s votes are cast. Return of more than one marked ballot
in a primary or return of a ballot prepared under s. 5.655 or a ballot used with an
electronic voting system in a primary which is marked for candidates of more than
one party invalidates all votes cast by the elector for candidates in the primary.

SECTION 18. 6.87 (4) (b) of the statutes is created to read:

6.87 (4) (b) If the absentee elector is required to provide identification under
s. 6.345 and the elector has received a citation or notice of intent to revoke or suspend
an operator’s license from a law enforcement officer in any jurisdiction that is dated
within 60 days of the date of the election and the elector is required to surrender his
or her operator’s license issued to the elector under ch. 343 at the time the citation
or notice is issued, the elector may enclose a copy of the citation or notice in lieu of
an operator’s license under ch. 343 if the elector is voting by mail, or may present an
original copy of the citation or notice in lieu of an operator’s license under ch. 343 if
the elector is voting at the office of the municipal clerk.

SECTION 19. 6.875 (6) (c) 1. of the statutes is amended to read:

6.875 (6) (c) 1. Upon their visit to the home or facility under par. (a), the
deputies shall personally offer each elector who has filed a proper application for an
absentee ballot the opportunity to cast his or her absentee ballot. If an elector is
present who has not filed a proper application for an absentee ballot, the 2 deputies
may accept an application from the elector and shall issue a ballot to the elector if
the elector is qualified, the elector presents identification, whenever required under
s. 6.345, and the application is proper. The deputies shall each witness the
certification and may, upon request of the elector, assist the elector in marking the
elector’s ballot. All voting shall be conducted in the presence of the deputies. Upon
request of the elector, a relative of the elector who is present in the room may assist
SECTION 19

SENATE BILL 200

the elector in marking the elector’s ballot. No individual other than a deputy may
witness the certification and no individual other than a deputy or relative of an
elector may render voting assistance to the elector.

SECTION 20. 6.88 (3) (a) of the statutes is amended to read:

6.88 (3) (a) Except in municipalities where absentee ballots are canvassed
under s. 7.52, at any time between the opening and closing of the polls on election day,
the inspectors shall, in the same room where votes are being cast, in such a manner
that members of the public can hear and see the procedures, open the carrier
envelope only, and announce the name of the absent elector or the identification
serial number of the absent elector if the elector has a confidential listing under s.
6.47 (2). When the inspectors find that the certification has been properly executed,
the applicant is a qualified elector of the ward or election district, and the applicant
has not voted in the election, they shall enter an indication on the poll list next to the
applicant’s name indicating an absentee ballot is cast by the elector. They shall then
open the envelope containing the ballot in a manner so as not to deface or destroy the
certification thereon. The inspectors shall take out the ballot without unfolding it
or permitting it to be unfolded or examined. Unless the ballot is cast under s. 6.95,
the inspectors shall verify that the ballot has been endorsed by the issuing clerk. If
the poll list indicates that proof of residence under s. 6.34 is required and no proof
of residence is enclosed or the name or address on the document that is provided is
not the same as the name and address shown on the poll list, or if the elector is
required to provide identification under s. 6.345 and no copy of the identification is
enclosed or the name on the document that is provided cannot be verified by the
inspectors, the inspectors shall proceed as provided under s. 6.97 (2). The inspectors
shall then deposit the ballot into the proper ballot box and enter the absent elector’s
name or voting number after his or her name on the poll list in the same manner as
if the elector had been present and voted in person.

SECTION 21. 6.965 of the statutes is created to read:

6.965 Voting procedure for electors presenting citation or notice in
lieu of license. Whenever any elector is allowed to vote at a polling place under s.
6.79 (7) by presenting a citation or notice of intent to revoke or suspend an operator’s
license in lieu of an operator’s license issued to the elector under ch. 343, the
inspectors shall, before giving the elector a ballot, write on the back of the ballot the
serial number of the elector corresponding to the number kept at the election on the
poll list or other list maintained under s. 6.79 and the notation “s. 6.965.” If voting
machines are used in the municipality where the elector is voting, the elector’s vote
may be received only upon an absentee ballot furnished by the municipal clerk which
shall have the notation “s. 6.965” written on the back of the ballot by the inspectors
before the ballot is given to the elector. If the municipal clerk receives an absentee
ballot from an elector who presents a citation or notice, or copy thereof, under s. 6.87
(4) (b), the clerk shall enter a notation on the certificate envelope “Ballot under s.
6.965, stats.” Upon receiving the envelope, the inspectors shall open and write on
the back of the ballot the serial number of the elector corresponding to the number
kept at the election on the poll list or other list maintained under s. 6.79 and the
notation “s. 6.965.” The inspectors shall indicate on the poll list or other list
maintained under s. 6.79 the fact that the elector is voting by using a citation or
notice in lieu of a license. The inspectors shall then deposit the ballot. The ballot
shall then be counted under s. 5.85, or under s. 7.51 or 7.52.

SECTION 22. 6.97 (title) of the statutes is amended to read:
SEC 22 SENATE BILL 200

6.97 (title) Voting procedure for individuals not providing required proof of residence or identification.

SECTION 23. 6.97 (1) and (2) of the statutes are amended to read:

6.97 (1) Whenever any individual who is required to provide proof of residence under s. 6.34 in order to be permitted to vote appears to vote at a polling place and cannot provide the required proof of residence, the inspectors shall offer the opportunity for the individual to vote under this section. Whenever any individual who is required to provide identification under s. 6.345 appears to vote at a polling place and does not present identification, the inspectors or the municipal clerk shall similarly offer the opportunity for the individual to vote under this section. If the individual wishes to vote, the inspectors shall provide the elector with an envelope marked “Ballot under s. 6.97, stats.” on which the serial number of the elector is entered and shall require the individual to execute on the envelope a written affirmation stating that the individual is a qualified elector of the ward or election district where he or she offers to vote and is eligible to vote in the election. The inspectors shall, before giving the elector a ballot, write on the back of the ballot the serial number of the individual corresponding to the number kept at the election on the poll list or other list maintained under s. 6.79 and the notation “s. 6.97”. If voting machines are used in the municipality where the individual is voting, the individual’s vote may be received only upon an absentee ballot furnished by the municipal clerk which shall have the corresponding number from the poll list or other list maintained under s. 6.79 and the notation “s. 6.97” written on the back of the ballot by the inspectors before the ballot is given to the elector. When receiving the individual’s ballot, the inspectors shall provide the individual with written voting information prescribed by the board under s. 7.08 (8). The inspectors shall
indicate on the list the fact that the individual is required to provide proof of residence or identification under s. 6.345 but did not do so. The inspectors shall notify the individual that he or she may provide proof of residence or identification to the municipal clerk or executive director of the municipal board of election commissioners. The inspectors shall also promptly notify the municipal clerk or executive director of the name, address, and serial number of the individual. The inspectors shall then place the ballot inside the envelope and place the envelope in a separate carrier envelope.

(2) Whenever any individual who votes by absentee ballot is required to provide proof of residence in order to be permitted to vote and does not provide the required proof of residence under s. 6.34, the inspectors shall treat the ballot as a provisional ballot under this section. Whenever any individual who is required to provide identification under s. 6.345, other than an individual who is exempted under s. 6.87 (4), votes by absentee ballot and does not enclose a copy of the identification specified in s. 6.86 (1) (ar), the inspectors shall similarly treat the ballot as a provisional ballot under this section. Upon removing the ballot from the envelope, the inspectors shall write on the back of the absentee ballot the serial number of the individual corresponding to the number kept at the election on the poll list or other list maintained under s. 6.79 and the notation “s. 6.97”. The inspectors shall indicate on the list the fact that the individual is required to provide proof of residence or a copy of the identification specified in s. 6.86 (1) (ar) but did not do so. The inspectors shall promptly notify the municipal clerk or executive director of the municipal board of election commissioners of the name, address, and serial number of the individual. The inspectors shall then place the ballot inside an envelope on
which the name and serial number of the elector is entered and shall place the
envelope in a separate carrier envelope.

SECTION 24. 6.97 (3) of the statutes is renumbered 6.97 (3) (b) and amended to
read:

6.97 (3) (b) Whenever the municipal clerk or executive director of the municipal
board of election commissioners is informed by the inspectors that a ballot has been
cast under this section, the clerk or executive director shall promptly provide written
notice to the board of canvassers of each municipality, special purpose district, and
county that is responsible for canvassing the election of the number of ballots cast
under this section in each ward or election district. The municipal clerk or executive
director then shall determine whether each individual voting under this section is
qualified to vote in the ward or election district where the individual’s ballot is cast.
If the elector is required to provide a license or identification card or copy thereof
under s. 6.79 (2) or 6.87 (4) and fails to do so, the elector bears the burden of correcting
the omission by providing the license or identification card or copy thereof at the
polling place before the closing hour or at the office of the municipal clerk or board
of election commissioners no later than 4 p.m. on the day after the election. The
municipal clerk or executive director shall make a record of the procedure used to
determine the validity of each ballot cast under this section. If, prior to 4 p.m. on the
day after the election, the municipal clerk or executive director determines that the
individual is qualified to vote in the ward or election district where the individual’s
ballot is cast, the municipal clerk or executive director shall notify the board of
canvassers for each municipality, special purpose district and county that is
responsible for canvassing the election of that fact.

SECTION 25. 6.97 (3) (a) and (c) of the statutes are created to read:
6.97 (3) (a) Whenever an elector who votes by provisional ballot under sub. (1) or (2) because the elector does not provide a license or identification card or copy thereof under s. 6.79 (2) or 6.87 (4) later appears at the polling place where the ballot is cast before the closing hour and provides the license or identification card, the inspectors shall remove the elector’s ballot from the separate carrier envelope, shall note on the poll list that the elector’s provisional ballot is withdrawn, and shall deposit the elector’s ballot in the ballot box. If the inspectors have notified the municipal clerk or executive director of the board of election commissioners that the elector’s ballot was cast under this section, the inspectors shall notify the clerk or executive director that the elector’s provisional ballot is withdrawn.

(c) A ballot cast under this section by an elector for whom a valid license or identification card or copy thereof is required under s. 6.79 (2) or 6.87 (4) shall not be counted unless the municipal clerk or executive director of the board of election commissioners provides timely notification that the elector has provided a valid license or identification card or copy thereof under this section.

SECTION 26. 6.97 (4) of the statutes is amended to read:

6.97 (4) Whenever a board of canvassers receives timely notification from the municipal clerk or executive director of the board of election commissioners under sub. (3) (b) that an individual who has voted under this section is qualified to vote in the ward or election district where the individual’s ballot is cast, the board of canvassers shall promptly reconvene and, if the ballot cast by the individual is otherwise valid, shall count the ballot and adjust the statements, certifications and determinations accordingly. If the municipal clerk or executive director transmits returns of the election to the county clerk or board of election commissioners, the municipal clerk or executive director shall transmit to the county clerk or board of
election commissioners a copy of the amended returns together with all additional
ballots counted by each board of canvassers.

SECTION 29. 7.52 (3) (a) of the statutes is amended to read:

7.52 (3) (a) The board of absentee ballot canvassers shall first open the carrier
envelope only, and, in such a manner that a member of the public, if he or she desired,
could hear, announce the name of the absent elector or the identification serial
number of the absent elector if the elector has a confidential listing under s. 6.47 (2).
When the board of absentee ballot canvassers finds that the certification has been
properly executed and the applicant is a qualified elector of the ward or election
district, the board of absentee ballot canvassers shall enter an indication on the poll
list next to the applicant’s name indicating an absentee ballot is cast by the elector.
The board of absentee ballot canvassers shall then open the envelope containing the
ballot in a manner so as not to deface or destroy the certification thereon. The board
of absentee ballot canvassers shall take out the ballot without unfolding it or
permitting it to be unfolded or examined. Unless the ballot is cast under s. 6.95, the
board of absentee ballot canvassers shall verify that the ballot has been endorsed by
the issuing clerk. If the poll list indicates that proof of residence is required and no
proof of residence is enclosed or the name or address on the document that is provided

required to provide a copy of identification under s. 6.87 (4) and no copy of the
identification is enclosed or the name on the document cannot be verified by the
canvassers, the board of absentee ballot canvassers shall proceed as provided under
s. 6.97 (2). The board of absentee ballot canvassers shall mark the poll list number
of each elector who casts an absentee ballot on the back of the elector’s ballot. The
board of absentee ballot canvassers shall then deposit the ballot into the proper
ballot box and enter the absent elector’s name or poll list number after his or her
name on the poll list.
