2007 SENATE BILL 213

June 13, 2007 – Introduced by Senators LEHMAN, KREITLOW, SULLIVAN, VINEHOUT, CARPENTER, HANSEN, WIRCH and PLALE, cosponsored by Representatives STRACHOTA, WASSERMAN, ZEPNICK, HILGENBERG and SMITH. Referred to Committee on Ethics Reform and Government Operations.

AN ACT to renumber and amend 13.121 (4); and to create 13.121 (4) (b) of the statutes; relating to: the elimination of the accumulated unused sick leave credit program for state legislators.

Analysis by the Legislative Reference Bureau

Under current law, a state employee in a position that is covered under the Wisconsin Retirement System (WRS) is entitled to receive paid sick leave credits as part of his or her compensation under the state compensation plan, at the election of the employer, or pursuant to a collective bargaining agreement. If a state employee does not use all of his or her sick leave credits during a calendar year, he or she may accumulate this unused sick leave from year to year in a sick leave account. Generally, if a state employee terminates covered employment under the WRS and meets certain conditions related to age or years of employment, the employee's accumulated unused sick leave may be converted, at his or her highest basic pay rate, to credits for the payment of postretirement health insurance premiums under a health insurance plan administered by the Group Insurance Board.

This bill provides that no member of the assembly or senate may accumulate unused sick leave from year to year in his or her sick leave account for work performed as a member of the legislature in any legislative session beginning on or after January 5, 2009. The bill, however, does permit senators who are currently serving a term of office that begins on or after January 3, 2007, but before January 5, 2009, to continue to accumulate unused sick leave for work performed as a member of the legislature before the commencement of the 2011–12 legislative session.
