2007 SENATE BILL 250

AN ACT to amend 301.46 (2) (a), (b) (intro.), (c) and (d); and to create 301.45 (4g) of the statutes; relating to: persons registered as sex offenders.

Analysis by the Legislative Reference Bureau

Under current law, a person convicted of committing certain sex offenses is required to register as a sex offender with the Department of Corrections (DOC). A person who commits a sex offense in another state and who resides, attends school, or works within this state is also required to register with DOC. DOC must provide access to the registry information on an Internet site and must make updates and changes to a registrant’s information available electronically to police chiefs and sheriffs. Current law also allows a police chief or sheriff to request DOC to provide a list of registered sex offenders.

This bill requires a person who is required to register as a sex offender to have a face-to-face meeting with the police chief or sheriff for the city, town, village, or county within which the person resides. Under the bill, this meeting must take place within 30 days of the person entering the state, being released from prison, or taking up residence in a new city, town, village, or county.

The bill also requires DOC to provide to law enforcement any updated or changed information in its registry. The bill further requires DOC, upon request of a police chief or sheriff, to provide the police chief or sheriff with a list of persons
registered as sex offenders arranged according to the zip codes within which the persons reside.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

**SECTION 1.** 301.45 (4g) of the statutes is created to read:

This subsection does not apply to persons who are moved into a correctional facility.
