Analysis by the Legislative Reference Bureau

Under current law, faculty and academic staff of the University of Wisconsin (UW) System do not have collective bargaining rights under the State Employment Labor Relations Act (SELRA). This bill provides faculty and academic staff of the UW System collective bargaining rights under state law in a manner similar to that provided other state employees under SELRA.
This bill provides all UW System academic staff and all faculty, including specifically faculty who are supervisors or managers, with the right to collectively bargain over wages, hours, and conditions of employment. Collective bargaining units are structured with separate units for faculty at each of the UW System campuses and for academic staff at each of the UW System campuses. The bill also provides that, if the employees approve by vote, any two or more units for faculty or academic staff may be combined into a single unit. Representatives for each unit are chosen by election.

Unfair labor practices for UW System academic staff and faculty collective bargaining are generally the same as those under SELRA, except that the bill specifically provides that it is not an unfair labor practice for the Board of Regents of the UW System to implement changes in salaries or conditions of employment for members of the faculty or academic staff at one UW institution and not for such persons at other UW institutions if certain conditions are met. The bill specifically authorizes fair-share and maintenance of membership agreements for UW academic staff and faculty collective bargaining, as is the case under SELRA. The bill also prohibits strikes.

Under the bill, the subjects of collective bargaining are the same as under SELRA, except that collective bargaining is prohibited on the mission and goals of the Board of Regents of the UW System; the diminution of the right of tenure provided faculty; the rights granted faculty and academic staff under current law; and academic freedom. Finally, under the bill, collective bargaining agreements covering UW faculty and academic staff must be approved by the Joint Committee on Employment Relations and adopted by the legislature.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

of the new salaries. In the first year of the biennium, payments of the salaries
established for the preceding year shall be continued until the biennial budget bill
is enacted. If the budget is enacted after July 1, payments shall be made following

appointment of a person to a position identified in s. 20.923 (4g) (ae) and (am) unless
the increase is approved by the office of state employment relations. The granting
of salary increases to recognize competitive factors does not obligate inclusion of the
annualized amount of the increases in the appropriations under s. 20.285 (1) for
subsequent fiscal bienniums. No later than October 1 of each year, the board shall
report to the joint committee on finance and the secretary of administration and

40.05 (4) (b) Except as provided under pars. (bc) and (bp), accumulated unused sick leave under ss. 13.121 (4), 36.30, 230.35 (2), 233.10, and 757.02 (5) and subch. I or V or VI of ch. 111 of any eligible employee shall, at the time of death, upon qualifying for an immediate annuity or for a lump sum payment under s. 40.25 (1) or upon termination of creditable service and qualifying as an eligible employee under s. 40.02 (25) (b) 6. or 10., be converted, at the employee’s highest basic pay rate he or she received while employed by the state, to credits for payment of health insurance premiums on behalf of the employee or the employee’s surviving insured dependents. Any supplemental compensation that is paid to a state employee who is classified under the state classified civil service as a teacher, teacher supervisor, or education director for the employee’s completion of educational courses that have been approved by the employee’s employer is considered as part of the employee’s basic pay for purposes of this paragraph. The full premium for any eligible employee who is insured at the time of retirement, or for the surviving insured dependents of an eligible employee who is deceased, shall be deducted from the credits until the credits are exhausted and paid from the account under s. 40.04 (10), and then deducted from annuity payments, if the annuity is sufficient. The department shall provide for the direct payment of premiums by the insured to the insurer if the premium to be withheld exceeds the annuity payment. Upon conversion of an employee’s unused sick leave to credits under this paragraph or par. (bf), the employee or, if the employee is deceased, the employee’s surviving insured dependents may initiate deductions from those credits or may elect to delay initiation of deductions from those credits, but only if the employee or surviving insured dependents are covered by a comparable health insurance plan or policy during the period beginning on the date of the conversion and ending on the date on
which the employee or surviving insured dependents later elect to initiate deductions from those credits. If an employee or an employee’s surviving insured dependents elect to delay initiation of deductions from those credits, an employee or the employee’s surviving insured dependents may only later elect to initiate deductions from those credits during the annual enrollment period under par. (be). A health insurance plan or policy is considered comparable if it provides hospital and medical benefits that are substantially equivalent to the standard health insurance plan established under s. 40.52 (1).

SECTION 25. 40.05 (4) (bw) of the statutes is amended to read:

40.05 (4) (bw) On converting accumulated unused sick leave to credits for the payment of health insurance premiums under par. (b), that are based on a state employee’s accumulated sabbatical leave or earned vacation leave from the state employee’s last year of service prior to retirement, or both. The department shall apply the credits awarded under this paragraph for the payment of health insurance premiums only after the credits awarded under par. (b) are exhausted. This paragraph applies only to state employees who are eligible for accumulated unused sick leave conversion under par. (b) and who are entitled to the benefits under this paragraph pursuant to a collective bargaining agreement under subch. V or VI of ch. 111.

SUBCHAPTER VI

UNIVERSITY OF WISCONSIN SYSTEM

FACULTY AND ACADEMIC STAFF

LABOR RELATIONS

111.95 Declaration of policy. The public policy of the state as to labor relations and collective bargaining involving faculty and academic staff at the University of Wisconsin System, in furtherance of which this subchapter is enacted, is as follows:

(1) The people of the state of Wisconsin have a fundamental interest in developing harmonious and cooperative labor relations within the University of Wisconsin System.

(2) It recognizes that there are 3 major interests involved: that of the public, that of the employee, and that of the employer. These 3 interests are to a considerable
extent interrelated. It is the policy of this state to protect and promote each of these interests with due regard to the rights of the others.

111.96 Definitions. In this subchapter:

(11) “Institution” has the meaning given in s. 36.05 (9).

(12) “Labor dispute” means any controversy with respect to the subjects of bargaining provided in this subchapter.

(13) “Labor organization” means any employee organization whose purpose is to represent employees in collective bargaining with the employer, or its agents, on matters pertaining to terms and conditions of employment, but does not include any organization that does any of the following:

(a) Advocates the overthrow of the constitutional form of government in the United States.

(b) Discriminates with regard to the terms or conditions of membership because of race, color, creed, sex, age, sexual orientation, or national origin.

(14) “Maintenance of membership agreement” means an agreement between the employer and a labor organization representing employees that requires that all of the employees whose dues are being deducted from earnings under s. 20.921 (1)
or 111.992 at or after the time the agreement takes effect shall continue to have dues

(15) “Management employees” include those personnel engaged
predominately in executive and managerial functions.

(16) “Office” means the office of state employment relations in the department
of administration.

(17) “Referendum” means a proceeding conducted by the commission in which
employees, or supervisors specified in s. 111.98 (5), in a collective bargaining unit
may cast a secret ballot on the question of directing the labor organization and the
employer to enter into a fair-share or maintenance of membership agreement or to
terminate such an agreement.

(18) “Representative” includes any person chosen by an employee to represent
the employee.

(19) “Strike” includes any strike or other concerted stoppage of work by
employees, any concerted slowdown or other concerted interruption of operations or
services by employees, or any concerted refusal to work or perform their usual duties
as employees of the state.

(20) “Supervisor” means any individual whose principal work is different from
that of the individual’s subordinates and who has authority, in the interest of the
employer, to hire, transfer, suspend, lay off, recall, promote, discharge, assign,
reward or discipline employees, or to adjust their grievances, or to authoritatively
recommend such action, if the individual’s exercise of such authority is not of a
merely routine or clerical nature, but requires the use of independent judgment.
(21) “Unfair labor practice” means any unfair labor practice specified in s. 111.991.

111.965 Duties of the state. (1) In the furtherance of this subchapter, the state shall be considered as a single employer. The board shall negotiate and administer collective bargaining agreements. To coordinate the employer position in the negotiation of agreements, the board shall maintain close liaison with the legislature and the office relative to the negotiation of agreements and the fiscal ramifications of those agreements. The board shall coordinate its collective bargaining activities with the office. The legislative branch shall act upon those portions of tentative agreements negotiated by the board that require legislative action.

(2) The board shall establish a collective bargaining capacity and shall represent the state in its responsibility as an employer under this subchapter. The board shall coordinate its actions with the director of the office.

111.97 Rights of employees. Employees shall have the right of self-organization and the right to form, join, or assist labor organizations, to bargain collectively through representatives of their own choosing under this subchapter, and to engage in lawful, concerted activities for the purpose of collective bargaining or other mutual aid or protection. Employees shall also have the right to refrain from any such activities.

111.98 Collective bargaining units. (1) Collective bargaining units for faculty and staff in the unclassified service of the state shall be structured with a collective bargaining unit for each of the following groups:

(a) Faculty of the University of Wisconsin–Madison.

(am) Faculty of the University of Wisconsin–Milwaukee.
SENATE BILL 353

(b) Faculty of the University of Wisconsin–Extension.
(bm) Faculty of the University of Wisconsin–Eau Claire.

(n) Academic staff of the University of Wisconsin–Stevens Point.
(nm) Academic staff of the University of Wisconsin–Stout.
(o) Academic staff of the University of Wisconsin–Superior.

(op) Academic staff of the University of Wisconsin–Whitewater.

(p) Academic staff of the University of Wisconsin Colleges.

(2) (a) Notwithstanding sub. (1), 2 or more collective bargaining units described under sub. (1) (a) to (p) may be combined into a single unit. If 2 or more collective bargaining units seek to combine into a single collective bargaining unit, the commission shall, upon the petition of at least 30 percent of the employees in each unit, hold an election to determine whether a majority of those employees voting in each unit desire to combine into a single unit. A combined collective bargaining unit shall be formed including all employees from each of those units in which a majority of the employees voting in the election approve a combined unit. The combined collective bargaining unit shall be formed immediately if there is no existing collective bargaining agreement in force in any of the units to be combined. If there is a collective bargaining agreement in force at the time of the election in any of the collective bargaining units to be combined, the combined unit shall be formed upon expiration of the last agreement for the units concerned.

(b) If 2 or more collective bargaining units have combined under par. (a), the commission shall, upon petition of at least 30 percent of the employees in any of the original units, hold an election of the employees in the original unit to determine whether the employees in that unit desire to withdraw from the combined collective bargaining unit. If a majority of the employees voting desire to withdraw from the combined collective bargaining unit, separate units consisting of the unit in which the election was held and a unit composed of the remainder of the combined unit shall be formed. The new collective bargaining units shall be formed immediately if there is no collective bargaining agreement in force for the combined unit. If there is a
collective bargaining agreement in force for the combined collective bargaining unit, the new units shall be formed upon the expiration of the agreement. While there is a collective bargaining agreement in force for the combined collective bargaining unit, a petition for an election under this paragraph may be filed only during October in the calendar year prior to the expiration of the agreement.

(3) The commission shall assign employees to the appropriate collective bargaining units described under sub. (1) or (2).

(4) Any labor organization may petition for recognition as the exclusive representative of a collective bargaining unit described under sub. (1) or (2) in accordance with the election procedures under s. 111.990 if the petition is accompanied by a 30 percent showing of interest in the form of signed authorization cards. Any additional labor organization seeking to appear on the ballot shall file a petition within 60 days of the date of filing of the original petition and prove, through signed authorization cards, that at least 10 percent of the employees in the collective bargaining unit want it to be their representative.

(5) Although academic staff supervisors are not considered employees for the purpose of this subchapter, the commission may consider a petition for a statewide collective bargaining unit consisting of academic staff supervisors, but the representative of the supervisors may not be affiliated with any labor organization representing employees. For purposes of this subsection, affiliation does not include membership in a national, state, county, or municipal federation of national or international labor organizations. The certified representative of the supervisors may not bargain collectively with respect to any matter other than wages and fringe benefits.
111.990 Representatives and elections. (1) A representative chosen for the purposes of collective bargaining by a majority of the employees voting in a collective bargaining unit shall be the exclusive representative of all of the employees in such unit for the purposes of collective bargaining. Any individual employee, or any minority group of employees in any collective bargaining unit, may present any grievance to the employer in person, or through representatives of their own choosing, and the employer shall confer with the individual employee or group of employees with respect to the grievance if the majority representative has been afforded the opportunity to be present at the conference. Any adjustment resulting from such a conference may not be inconsistent with the conditions of employment established by the majority representative and the employer.

(2) Whenever a question arises concerning the representation of employees in a collective bargaining unit, the commission shall determine the representation by taking a secret ballot of the employees and certifying in writing the results to the interested parties and to the board. There shall be included on any ballot for the election of representatives the names of all labor organizations having an interest in representing the employees participating in the election as indicated in petitions filed with the commission. The name of any existing representative shall be included on the ballot without the necessity of filing a petition. The commission may exclude from the ballot one who, at the time of the election, stands deprived of his or her rights under this subchapter by reason of a prior adjudication of his or her having engaged in an unfair labor practice. The ballot shall be so prepared as to permit a vote against representation by anyone named on the ballot. For elections in a collective bargaining unit composed of employees who are members of the faculty or academic staff, whenever more than one representative qualifies to appear on the ballot, the
ballot shall be prepared to provide separate votes on 2 questions. The first question shall be: “Shall the employees of the ... (name of collective bargaining unit) participate in collective bargaining?” The 2nd question shall be: “If the employees of the ... (name of collective bargaining unit) elect to participate in collective bargaining, which labor organization do you favor to act as representative of the employees?” The 2nd question shall not include a choice for no representative. All employees in the collective bargaining unit may vote on both questions. Unless a majority of those employees voting in the election vote to participate in collective bargaining, no votes for a particular representative may be counted. If a majority of those employees voting in the election vote to participate in collective bargaining, the ballots for representatives shall be counted. The commission’s certification of the results of any election is conclusive as to the findings included therein unless reviewed under s. 111.07 (8).

(3) Whenever an election has been conducted under sub. (2) in which a majority of the employees voting indicate a desire to participate in collective bargaining but in which no named representative is favored by a majority of the employees voting, the commission may, if requested by a party to the proceeding within 30 days from the date of the certification of the results of the election, conduct a runoff election. In that runoff election, the commission shall drop from the ballot the name of the representative who received the least number of votes at the original election.

(4) While a collective bargaining agreement between a labor organization and an employer is in force under this subchapter, a petition for an election in the collective bargaining unit to which the agreement applies may only be filed during October in the calendar year prior to the expiration of that agreement. An election held under that petition may be held only if the petition is supported by proof that
at least 30 percent of the employees in the collective bargaining unit desire a change or discontinuance of existing representation. Within 60 days of the time that an original petition is filed, another petition may be filed supported by proof that at least 10 percent of the employees in the same collective bargaining unit desire a different representative. If a majority of the employees in the collective bargaining unit vote for a change or discontinuance of representation by any named representative, the decision takes effect upon expiration of any existing collective bargaining agreement between the employer and the existing representative.

111.991 Unfair labor practices. (1) It is an unfair labor practice for an employer individually or in concert with others:

(a) To interfere with, restrain, or coerce employees in the exercise of their rights guaranteed under s. 111.97.

(b) Except as otherwise provided in this paragraph, to initiate, create, dominate, or interfere with the formation or administration of any labor or employee organization or contribute financial support to it. Except as provided in ss. 40.02 (22) (e) and 40.23 (1) (f) 4., no change in any law affecting the Wisconsin Retirement System under ch. 40 and no action by the employer that is authorized by such a law is a violation of this paragraph unless an applicable collective bargaining agreement specifically prohibits the change or action. No such change or action affects the continuing duty to bargain collectively regarding the Wisconsin Retirement System under ch. 40 to the extent required by s. 111.998. It is not an unfair labor practice for the employer to reimburse an employee at his or her prevailing wage rate for the time spent during the employee’s regularly scheduled hours conferring with the employer’s officers or agents and for attendance at commission or court hearings necessary for the administration of this subchapter.
(c) To encourage or discourage membership in any labor organization by
discrimination in regard to hiring, tenure, or other terms or conditions of
employment. This paragraph does not apply to fair-share or maintenance of
membership agreements.

(d) To refuse to bargain collectively on matters set forth in s. 111.998 with a
representative of a majority of its employees in an appropriate collective bargaining
unit. Whenever the employer has a good faith doubt as to whether a labor
organization claiming the support of a majority of its employees in an appropriate
collective bargaining unit does in fact have that support, it may file with the
commission a petition requesting an election as to that claim. The employer is not
considered to have refused to bargain until an election has been held and the results
of the election are certified to the employer by the commission. A violation of this
paragraph includes the refusal to execute a collective bargaining agreement
previously orally agreed upon.

(e) To violate any collective bargaining agreement previously agreed upon by
the parties with respect to wages, hours, and conditions of employment affecting the
employees, including an agreement to arbitrate or to accept the terms of an
arbitration award, when previously the parties have agreed to accept such award as
final and binding upon them.

(f) To deduct labor organization dues from an employee’s earnings, unless the
employer has been presented with an individual order therefor, signed by the
employee personally, and terminable by at least the end of any year of its life or
earlier by the employee giving at least 30 but not more than 120 days written notice
of such termination to the employer and to the representative labor organization,
except if there is a fair-share or maintenance of membership agreement in effect.
The employer shall give notice to the labor organization of receipt of such notice of termination.

(1m) Notwithstanding sub. (1), it is not an unfair labor practice for the board to implement changes in salaries or conditions of employment for members of the faculty or academic staff at one institution, and not for other members of the faculty or academic staff at another institution, but this may be done only if the differential treatment is based on comparisons with the compensation and working conditions of employees performing similar services for comparable higher education institutions or based upon other competitive factors.

(2) It is unfair practice for an employee individually or in concert with others:

(a) To coerce or intimidate an employee in the enjoyment of the employee’s legal rights, including those guaranteed under s. 111.97.

(b) To coerce, intimidate, or induce any officer or agent of the employer to interfere with any of the employer’s employees in the enjoyment of their legal rights including those guaranteed under s. 111.97 or to engage in any practice with regard to its employees which would constitute an unfair labor practice if undertaken by the officer or agent on the officer’s or agent’s own initiative.

(c) To refuse to bargain collectively on matters specified in s. 111.998 with the authorized officer or agent of the employer that is the recognized or certified exclusive collective bargaining representative of employees specified in s. 111.96 (8) in an appropriate collective bargaining unit. Such refusal to bargain shall include a refusal to execute a collective bargaining agreement previously orally agreed upon.

(d) To violate the provisions of any written agreement with respect to terms and conditions of employment affecting employees, including an agreement to arbitrate
or to accept the terms of an arbitration award, when previously the parties have
agreed to accept such awards as final and binding upon them.

(e) To engage in, induce, or encourage any employees to engage in a strike or
a concerted refusal to work or perform their usual duties as employees.

(f) To coerce or intimidate a supervisory employee, officer, or agent of the
employer, working at the same trade or profession as the employer’s employees, to
induce the person to become a member of or act in concert with the labor organization
of which the employee is a member

(3) It is an unfair labor practice for any person to do or cause to be done on
behalf of or in the interest of employers or employees, or in connection with or to
influence the outcome of any controversy as to employment relations, any act
prohibited by subs. (1) and (2).

(4) Any controversy concerning unfair labor practices may be submitted to the
commission as provided in s. 111.07, except that the commission shall schedule a
hearing on complaints involving alleged violations of sub. (2) (e) within 3 days after
filing of a complaint, and notice shall be given to each party interested by service on
the party personally, or by telegram, advising the party of the nature of the complaint
and of the date, time, and place of hearing. The commission may appoint a substitute
tribunal to hear unfair labor practice charges by either appointing a 3-member panel
or submitting a 7-member panel to the parties and allowing each to strike 2 names.
Any such panel shall report its finding to the commission for appropriate action.

111.992 Fair-share and maintenance of membership agreements. (1)

(a) No fair-share or maintenance of membership agreement may become effective
unless authorized by a referendum. The commission shall order a referendum
whenever it receives a petition supported by proof that at least 30 percent of the
employees or supervisors specified in s. 111.98 (5) in a collective bargaining unit
desire that a fair-share or maintenance of membership agreement be entered into
between the employer and a labor organization. A petition may specify that a
referendum is requested on a maintenance of membership agreement only, in which
case the ballot shall be limited to that question.

(b) For a fair-share agreement to be authorized, at least two-thirds of the
eligible employees or supervisors voting in a referendum shall vote in favor of the
agreement. For a maintenance of membership agreement to be authorized, at least
a majority of the eligible employees or supervisors voting in a referendum shall vote
in favor of the agreement. In a referendum on a fair-share agreement, if less than
two-thirds but more than one-half of the eligible employees or supervisors vote in
favor of the agreement, a maintenance of membership agreement is authorized.

(c) If a fair-share or maintenance of membership agreement is authorized in
a referendum, the employer shall enter into such an agreement with the labor
organization named on the ballot in the referendum. Each fair-share or
maintenance of membership agreement shall contain a provision requiring the
employer to deduct the amount of dues as certified by the labor organization from the
earnings of the employees or supervisors affected by the agreement and to pay the
amount so deducted to the labor organization. Unless the parties agree to an earlier
date, the agreement shall take effect 60 days after certification by the commission
that the referendum vote authorized the agreement. The employer shall be held
harmless against any claims, demands, suits and other forms of liability made by
employees or supervisors or local labor organizations which may arise for actions
taken by the employer in compliance with this section. All such lawful claims,
demands, suits and other forms of liability are the responsibility of the labor organization entering into the agreement.

    (d) Under each fair-share or maintenance of membership agreement, an employee or supervisor who has religious convictions against dues payments to a labor organization based on teachings or tenets of a church or religious body of which he or she is a member shall, on request to the labor organization, have his or her dues paid to a charity mutually agreed upon by the employee or supervisor and the labor organization. Any dispute concerning this paragraph may be submitted to the commission for adjudication.

    (2) (a) Once authorized, a fair-share or maintenance of membership agreement shall continue in effect, subject to the right of the employer or labor organization concerned to petition the commission to conduct a new referendum. Such a petition must be supported by proof that at least 30 percent of the employees or supervisors in the collective bargaining unit desire that the fair-share or maintenance of membership agreement be discontinued. Upon so finding, the commission shall conduct a new referendum. If the continuance of the fair-share or maintenance of membership agreement is approved in the referendum by at least the percentage of eligible voting employees or supervisors required for its initial authorization, it shall be continued in effect, subject to the right of the employer or labor organization to later initiate a further vote following the procedure prescribed in this subsection. If the continuation of the agreement is not supported in any referendum, it is considered terminated at the termination of the collective bargaining agreement, or one year from the date of the certification of the result of the referendum, whichever is earlier.
(b) The commission shall declare any fair-share or maintenance of membership agreement suspended upon such conditions and for such time as the commission decides whenever it finds that the labor organization involved has refused on the basis of race, color, sexual orientation, or creed to receive as a member any employee or supervisor in the collective bargaining unit involved, and the agreement shall be made subject to the findings and orders of the commission. Any of the parties to the agreement, or any employee or supervisor covered under the agreement, may come before the commission, as provided in s. 111.07, and petition the commission to make such a finding.

(3) A stipulation for a referendum executed by an employer and a labor organization may not be filed until after the representation election has been held and the results certified.

(4) The commission may, under rules adopted for that purpose, appoint as its agent an official of a state agency whose employees are entitled to vote in a referendum to conduct a referendum under this section.

111.993 Grievance arbitration. (1) Parties to the dispute pertaining to the interpretation of a collective bargaining agreement may agree in writing to have the commission or any other appointing state agency serve as arbitrator or may designate any other competent, impartial, and disinterested persons to so serve. Such arbitration proceedings shall be governed by ch. 788.

(2) The board shall charge an institution for the employer’s share of the cost related to grievance arbitration under sub. (1) for any arbitration that involves one or more employees of the institution. Each institution so charged shall pay the amount that the board charges from the appropriation account or accounts used to
pay the salary of the grievant. Funds received under this subsection shall be credited to the appropriation account under s. 20.545 (1) (km).

111.994 Mediation. The commission may appoint any competent, impartial, disinterested person to act as mediator in any labor dispute either upon its own initiative or upon the request of one of the parties to the dispute. It is the function of a mediator to bring the parties together voluntarily under such favorable auspices as will tend to effectuate settlement of the dispute, but neither the mediator nor the commission shall have any power of compulsion in mediation proceedings.

111.995 Fact-finding. (1) If a dispute has not been settled after a reasonable period of negotiation and after the settlement procedures, if any, established by the parties have been exhausted, the representative that has been certified by the commission after an election, as the exclusive representative of employees in an appropriate bargaining unit, and the employer, its officers, and agents, after a reasonable period of negotiation, are deadlocked with respect to any dispute between them arising in the collective bargaining process, either party may petition the commission, in writing, to initiate fact-finding under this section, and to make recommendations to resolve the deadlock.

(2) Upon receipt of a petition to initiate fact-finding, the commission shall make an investigation with or without a formal hearing, to determine whether a deadlock in fact exists. The commission shall certify the results of the investigation. If the commission decides that fact-finding should be initiated, it shall appoint a qualified, disinterested person or, when jointly requested by the parties, a 3-member panel to function as a fact finder.

(3) The fact finder may establish dates and place of hearings and shall conduct the hearings under rules established by the commission. Upon request, the
commission shall issue subpoenas for hearings conducted by the fact finder. The fact
finder may administer oaths. Upon completion of the hearing, the fact finder shall
make written findings of fact and recommendations for solution of the dispute and
shall cause the same to be served on the parties and the commission. In making
findings and recommendations, the fact finder shall take into consideration among
other pertinent factors the principles vital to the public interest in efficient and
economical governmental administration. Upon the request of either party the fact
finder may orally present the recommendations in advance of service of the written
findings and recommendations. Cost of fact-finding proceedings shall be divided
equally between the parties. At the time the fact finder submits a statement of his
or her costs to the parties, the fact finder shall submit a copy thereof to the
commission at its Madison office.

(4) A fact finder may mediate a dispute at any time prior to the issuance of the
fact finder’s recommendations.

(5) Within 30 days of the receipt of the fact finder’s recommendations or within
a time period mutually agreed upon by the parties, each party shall advise the other,
in writing, as to the party’s acceptance or rejection, in whole or in part, of the fact
finder’s recommendations and, at the same time, send a copy of the notification to
the commission at its Madison office. Failure to comply with this subsection, by the
employer or employee representative, is a violation of s. 111.991 (1) (d) or (2) (c).

111.996 Strike prohibited. (1) Upon establishing that a strike is in progress,
the employer may either seek an injunction or file an unfair labor practice charge
with the commission under s. 111.991 (2) (e) or both. It is the responsibility of the
board to decide whether to seek an injunction or file an unfair labor practice charge.
The existence of an administrative remedy does not constitute grounds for denial of injunctive relief.

(2) The occurrence of a strike and the participation in the strike by an employee do not affect the rights of the employer, in law or in equity, to deal with the strike, including all of the following:

(a) The right to impose discipline, including discharge, or suspension without pay, of any employee participating in the strike.

(b) The right to cancel the reinstatement eligibility of any employee engaging in the strike.

(c) The right of the employer to request the imposition of fines, either against the labor organization or the employee engaging in the strike, or to sue for damages because of such strike activity.

111.997 Management rights. Nothing in this subchapter shall interfere with the right of the board, in accordance with this subchapter to do any of the following:

(1) Carry out the statutory mandate and goals assigned to the board by the most appropriate and efficient methods and means and utilize personnel in the most appropriate and efficient manner possible.

(2) Suspend, demote, discharge, or take other appropriate disciplinary action against the employee; or to lay off employees in the event of lack of work or funds or under conditions where continuation of such work would be inefficient and nonproductive.

111.998 Subjects of bargaining. (1) (a) Except as provided in pars. (b) to (f), matters subject to collective bargaining to the point of impasse are salaries; fringe benefits consistent with sub. (2); and hours and conditions of employment.
(b) The board is not required to bargain on management rights under s. 111.997, except that procedures for the adjustment or settlement of grievances or disputes arising out of any type of disciplinary action in s. 111.997 (2) is a subject of bargaining.

(c) The board is prohibited from bargaining on matters contained in sub. (2).

(d) Except as provided in sub. (2) (d) and (e) and ss. 40.02 (22) (e) and 40.23 (1) (f) 4., all laws governing the Wisconsin Retirement System under ch. 40 and all actions of the board that are authorized under any such law which apply to nonrepresented individuals employed by the state shall apply to similarly situated employees, unless otherwise specifically provided in a collective bargaining agreement that applies to those employees.

(e) Demands relating to retirement and group insurance shall be submitted to the board at least one year prior to commencement of negotiations.

(f) The board is not required to bargain on matters related to employee occupancy of houses or other lodging provided by the state.

(2) The board is prohibited from bargaining on:

(a) The mission and goals of the board as set forth in the statutes; the diminution of the right of tenure provided the faculty under s. 36.13, the rights granted faculty under s. 36.09 (4) and academic staff under s. 36.09 (4m), or the rights of appointment provided academic staff under s. 36.15; or academic freedom.

(b) Amendments to this subchapter.

(c) Family leave and medical leave rights below the minimum afforded under s. 103.10. Nothing in this paragraph prohibits the board from bargaining on rights to family leave or medical leave which are more generous to the employee than the rights provided under s. 103.10.
SENATE BILL 353

(d) An increase in benefit adjustment contribution rates under s. 40.05 (2n) (a)

3.

(e) The rights of employees to have retirement benefits computed under s. 40.30.

(f) Honesty testing requirements that provide fewer rights and remedies to employees than are provided under s. 111.37.

(h) Creditable service to which s. 40.285 (2) (b) 4. applies.

(i) Compliance with the health benefit plan requirements under ss. 632.746 (1) to (8) and (10), 632.747, and 632.748.

(j) Compliance with the insurance requirements under s. 631.95.

(k) The definition of earnings under s. 40.02 (22).

(L) The maximum benefit limitations under s. 40.31

(m) The limitations on contributions under s. 40.32.

(n) The provision to employees of the health insurance coverage required under s. 632.895 (11) to (14).

(o) The requirements related to coverage of and prior authorization for treatment of an emergency medical condition under s. 632.85.

(p) The requirements related to coverage of drugs and devices under s. 632.853.

(q) The requirements related to experimental treatment under s. 632.855.

(r) The requirements under s. 609.10 related to offering a point-of-service option plan.

(s) The requirements related to internal grievance procedures under s. 632.83 and independent review of certain health benefit plan determinations under s. 632.835.
(3) Upon request, the chancellor at each institution, or his or her designee, shall meet and confer with the collective bargaining representative, if any, with regard to any issue that is a permissive subject of bargaining, except when the issue is under active consideration by a governance organization under s. 36.09 (4) or (4m).

111.999 Labor proposals. The board shall notify and consult with the joint committee on employment relations, in such form and detail as the committee requests, regarding substantial changes in wages, employee benefits, personnel management, and program policy contract provisions to be included in any contract proposal to be offered to any labor organization by the state or to be agreed to by the state before such proposal is actually offered or accepted.

111.9991 Agreements. (1) Any tentative agreement reached between the board, acting for the state, and any labor organization representing a collective bargaining unit specified in s. 111.98 shall, after official ratification by the labor organization, be submitted by the board to the joint committee on employment relations, which shall hold a public hearing before determining its approval or disapproval. If the committee approves the tentative agreement, it shall introduce in a bill or companion bills, to be put on the calendar or referred to the appropriate scheduling committee of each house, that portion of the tentative agreement which requires legislative action for implementation, such as salary and wage adjustments, changes in fringe benefits, and any proposed amendments, deletions, or additions to existing law. Such bill or companion bills are not subject to ss. 13.093 (1), 13.50 (6) (a) and (b), and 16.47 (2). The committee may, however, submit suitable portions of the tentative agreement to appropriate legislative committees for advisory recommendations on the proposed terms. The committee shall accompany the introduction of such proposed legislation with a message that informs the legislature
of the committee’s concurrence with the matters under consideration and that recommends the passage of such legislation without change. If the joint committee on employment relations does not approve the tentative agreement, it shall be returned to the parties for renegotiation. If the legislature does not adopt without change that portion of the tentative agreement introduced by the joint committee on employment relations, the tentative agreement shall be returned to the parties for renegotiation.

(2) No portion of any tentative agreement shall become effective separately.

(3) Agreements shall coincide with the fiscal year or biennium.

(4) The negotiation of collective bargaining agreements and their approval by the parties should coincide with the overall fiscal planning and processes of the state.

(5) All compensation adjustments for employees shall be effective on the beginning date of the pay period nearest the statutory or administrative date.

111.9992 Status of existing benefits and rights. Unless a prohibited subject of bargaining under s. 111.998 (2), and except as provided in ss. 7.33 (4), 40.05, 40.80 (3), 111.998 (1) (d), and 230.35 (2d) and (3) (e) 6., all statutes and rules governing the salaries, fringe benefits, hours, and conditions of employment apply to each employee, unless otherwise provided in a collective bargaining agreement.

111.9993 Rules, transcripts, fees. (1) The commission may adopt reasonable and proper rules relative to the exercise of its powers and authority and proper rules to govern its proceedings and to regulate the conduct of all elections and hearings under this subchapter. All transcript fees shall be credited to the appropriation account under s. 20.425 (1) (i).
(2) The commission shall assess and collect a filing fee for filing a complaint alleging that an unfair labor practice has been committed under s. 111.991. The commission shall assess and collect a filing fee for filing a request that the commission act as an arbitrator to resolve a dispute involving the interpretation or application of a collective bargaining agreement under s. 111.993. For the performance of commission actions under ss. 111.993, 111.994, and 111.995, the commission shall require that the parties to the dispute equally share in the payment of the fee and, for the performance of commission actions involving a complaint alleging that an unfair labor practice has been committed under s. 111.991, the commission shall require that the party filing the complaint pay the entire fee. If any party has paid a filing fee requesting the commission to act as a mediator for a labor dispute and the parties do not enter into a voluntary settlement of the labor dispute, the commission may not subsequently assess or collect a filing fee to initiate fact-finding to resolve the same labor dispute. If any request concerns issues arising as a result of more than one unrelated event or occurrence, each such separate event or occurrence shall be treated as a separate request. The commission shall promulgate rules establishing a schedule of filing fees to be paid under this subsection. Fees required to be paid under this subsection shall be paid at the time of filing the complaint or the request for fact-finding, mediation, or arbitration. A complaint or request for fact-finding, mediation, or arbitration is not filed until the date such fee or fees are paid. Fees collected under this subsection shall be credited to the appropriation account under s. 20.425 (1) (i).

employee under this subchapter. However, nothing in this subchapter affects any
right of an employee to pursue a grievance procedure under a collective bargaining

determines that a grievance arising under such a collective bargaining agreement
involves the same parties and matters as a complaint under s. 230.85, it shall order
the arbitrator’s final award on the merits conclusive as to the rights of the parties
to the complaint, on those matters determined in the arbitration which were at issue
and upon which the determination necessarily depended.
