AN ACT to create 343.30 (7) of the statutes; relating to: purchasing or leasing a motor vehicle after a violation relating to operating a motor vehicle while intoxicated and providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, a person who violates state law or a local ordinance prohibiting the operation of a motor vehicle while under the influence of an intoxicant or with a prohibited blood alcohol concentration is subject to having his or her operating privileges suspended or revoked. The duration of the suspension or revocation depends upon how many times the person has violated the state law or local ordinance and ranges from six months to three years.

This bill prohibits a person whose operating privileges have been suspended or revoked for a violation relating to operating a motor vehicle while intoxicated from purchasing or leasing a motor vehicle while his or her operating privileges are suspended or revoked. Under the bill, if a person whose operating privileges have been suspended or revoked has an occupational license, that person may purchase or lease a motor vehicle as long as the occupational license is in effect.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a

report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
