2007 SENATE BILL 557

March 4, 2008 – Introduced by Senators LEHMAN, DARLING, ERPENBACH, OLSEN, ROESSLER and SCHULTZ, cosponsored by Representatives DAVIS, BERCEAU, HAHN, MOLEPSKE and TURNER. Referred to Committee on Education.

AN ACT to amend 115.88 (1m); and to create 115.88 (1m) (b) of the statutes; relating to: state special education aid for the salaries of certain pupil services personnel and granting rule-authority.

Analysis by the Legislative Reference Bureau

Currently, the salaries of school nurses, school social workers, school psychologists, and school counselors employed for a special education program are among the costs that are eligible to be reimbursed by the state through special education aid. If the amount appropriated for such aid is insufficient to fully reimburse the costs, the amount paid is prorated.

This bill directs the Department of Public Instruction to determine the average percentage of work time that each of the personnel categories specified above spends providing services to children with disabilities, and provides that that percentage of the salaries of personnel in that category is the cost eligible for reimbursement from the state.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
