AN ACT to amend 77.61 (4) (c) of the statutes; relating to: the amount of sales and use taxes that a retailer may retain for administrative purposes.

Analysis by the Legislative Reference Bureau

Under current law, a retailer may retain an amount of the sales and use tax collected by retailer to compensate the retailer for the expenses related to collecting the tax and reporting the collection to the Department of Revenue (DOR). The amount that the retailer may retain each calendar quarter is equal to 0.5 percent of the taxes or $10, whichever is greater, but not more than the amount of the tax that the retailer must submit to DOR for that quarter. Under this bill, the amount of the sales and use tax that a retailer may retain each calendar quarter is equal to 0.5 percent of the taxes or $10, whichever is greater, but not more than the tax that the retailer must submit to DOR for that quarter and not more than $1,000.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 77.61 (4) (c) of the statutes is amended to read:
