May 14, 2007 – Introduced by Senator KREITLOW. Referred to Committee on Senate Organization.

Relating to: reauthorization of the federal State Children’s Health Insurance Program.

Whereas, the Wisconsin senate regards the health of our children to be of paramount importance to families in our state; and

Whereas, the Wisconsin senate regards poor child health as a threat to the educational achievement and social and psychological well-being of the children of our state; and

Whereas, the Wisconsin senate considers protecting the health of our children to be essential to the well-being of our youngest citizens and the quality of life in our state; and

Whereas, the Wisconsin senate considers the State Children’s Health Insurance Program (SCHIP), which enrolls 96,114 children and their parents through the successful BadgerCare program, to be an integral part of the arrangements for health benefits for the children of our state; and
Whereas, the Wisconsin senate recognizes the value of SCHIP in preserving child wellness, preventing and treating childhood disease, improving health outcomes, and reducing overall health costs; and

Whereas, the Wisconsin senate considers the federal funding available for SCHIP to be indispensable to providing health benefits for children of modest means; now, therefore, be it

Resolved by the senate, That the members of the Wisconsin senate urge the members of Wisconsin’s delegation to the United States Congress to ensure all of the following:

(a) That the Congress timely reauthorizes SCHIP to assure federal funding for SCHIP.

(b) That the federal funding be in the form of a sum sufficient for coverage by all states of all of the following:

1. Uninsured and underinsured children in families whose annual household income does not exceed 300 percent of the federal poverty line, as defined by the federal department of labor under 42 USC 9902 (2).

2. Uninsured and underinsured parents and caregivers of children in families whose annual household income does not exceed 200 percent.

(c) That the federal funding permit innovative state practices to provide increased access to affordable health insurance for all low-income individuals; and, be it further

Resolved, That the members of the Wisconsin senate urge the governor to use his best efforts to work with the Wisconsin delegation to ensure that SCHIP is reauthorized in a timely manner; and, be it further
Resolved, That the members of the Wisconsin senate proclaim that all components of state government should work together with educators, health care providers, social workers, and parents to ensure that all available public and private assistance for providing health benefits to uninsured children in this state be used to the maximum extent possible; and, be it further

Resolved, That the members of the Wisconsin senate urge the governor to use his best efforts to provide meaningful assistance to help identify and enroll children who qualify for Medical Assistance or SCHIP.
