Thank you for your responses!

The afternoon of the 30th appears to work the best for the greatest number of members. I'll be sending out a notice shortly for a 1:00 p.m. exec on that day.

Please do note that the Natural Resources committee will be meeting that day as well (starting at 10:00 and anticipated to go 4-5 hours). I've checked in with the clerk, and they are fine with our four shared members ducking out for an exec. We hope it will only take 5-10 minutes.

Let me know if you have any questions.

Thanks - have a great weekend!

Subject: Ag Committee Exec - May 30th or May 31st?

As discussed during today's Ag Committee meeting, we'd like to try to get a quick executive session scheduled after Memorial Day.

Please let me know as soon as possible which date - the afternoon of Wednesday May 30th or the morning of Thursday May 31st - is a better option for your boss.

Right now, it is not anticipated we will be in session at all that week. If we do, however, happen to be in session on the 31st, the committee will meet that morning. The Rural Economic Development Committee is meeting the morning of the 30th, and we have some shared members, which is why I'm exploring that option.

If you could let me know by noon tomorrow, I'd really appreciate it.

Thanks!
Erin

Erin:

A committee meeting on the 7th in the morning is impossible for Bobby as she is already booked from 8:30AM-1Pm with the DPI CTSO (Career Technical Student Organization- FFA, DECA, Skills America, FCCLA, FBLA, HOSA)) Annual Government Day activities. Then at 1:30PM she already has two in office meetings. Later afternoon would be good - otherwise, she will not be present.

Fill me in.
