 - (**sb** = Senate Bill) (**sr** = Senate Resolution)
 - (**ajr** = Assembly Joint Resolution)
 - (**sjr** = Senate Joint Resolution)
- Miscellaneous ... **Misc**

5/3 - Ag Committee Amigo Session
Premises Registration +
Pseudorabies Central

Clark County - First Confirmed
Positive → April 16 (307 pigs)

↓
led to 2nd positive
(14 pigs)

Under federal regs. WI must locate
+ test all swine w/in 5 miles
of the positive animal.

Must retest (30-60 days)
herds w/in 2 miles.

Only 4 of 36 premises were
registered in the 2nd positive
area.

Response System worked the way it was
supposed to + we were able to
keep our federal PRF status.
* Would have worked better +
more efficiently if all would
have been registered.

Rep. Bremnerus - There is a big
difference between promises &
animal ID - need to clarify to
avoid confusion.

Dr. G - Promises ID is a
response mechanism

Not a prevention mechanism
