RE: Clearinghouse Rules Referral

The following Clearinghouse Rule has been referred to your committee.

### **CLEARINGHOUSE RULE 08-008**

AN ORDER to create chapter Comm 156, relating to establishing a grant program for rehabilitation and recycling of manufactured housing, and affecting small business.

Submitted by **Department of Commerce.**

Report received from Agency on **April 16, 2008.**

To committee on **Housing.**

Referred on **Monday, April 28, 2008.**

Last day for action - **Wednesday, May 28, 2008.**

Under section 227.19 (4) of the Wisconsin Statutes, your committee has 30 days to take action or get an extension. The day **after** the official referral date is day one of your review period. Therefore, the 30th day should fall four weeks and two days after the referral date. For example, for Clearinghouse Rules referred on a Monday, a Wednesday would be your 30th day. For Clearinghouse Rules referred on a Tuesday, a Thursday would be your 30th day. For Clearinghouse Rules referred on a Wednesday, a Friday would be your 30th day. For Clearinghouse Rules referred on a Thursday or Friday, your 30th day would fall on a weekend. Therefore, your time would expire on the next working day (Monday) as provided for in s. 990.001 of the Wisconsin Statutes. Also, if the 30th day falls on a legal holiday, time would expire on the next working day.

Section 227.19 **requires** you to notify each member of your committee that you have received this Clearinghouse Rule. Although some committee chairs choose to do so, you are not required by law or rule to send a copy of the text of the rule to each member at this time. Instead, your notice could state that members should contact you if they wish to receive a hard copy of the rule. Another option would be to email the rule to members. **(Please note that the text of Rules beginning with the prefix "01" is available online in the Clearinghouse Rules infobase in FOLIO.)** Please put a copy of your official notification memo in the rule jacket.

Three copies of the Clearinghouse Rule and its accompanying documents are contained in the jacket. If you wish to have your Legislative Council attorney review the Clearinghouse Rule, send him/her a copy. I only need one copy remaining in the jacket when you report it out of committee at the end of the review period.

The identical process is happening simultaneously in the Senate. Keep track of their action on the rule.

For assistance with the Clearinghouse Rule process, please consult Kay Inabnet (6-5550) or your Legislative Council attorney. If you wish to learn more on this subject, read *Review of Administrative Rules* which is part of the Legislative Council's Wisconsin Legislator Briefing Book series, section 227.19 of the Wisconsin Statutes or part 2 of the *Administrative Rules Procedures Manual* written by the Revisor of Statutes Bureau and the Wisconsin Legislative Council staff.

Rep. Wieckert:

The Wisconsin Housing Alliance full supports the Clearinghouse Rule 08-008 from the Department of Commerce. This rule implements the manufactured home rehab and recycling grant which was a part of legislation approved by the Assembly Housing Committee as a part of then Act 200. You may recall that prior to this legislation, manufactured home owners paid a title surcharge which was then transferred to the Department of Transportation and then transferred again to the Department of Natural Resources for non-point pollution. The legislation permitted Commerce to retain the surcharge but to use it for an environmentally sound program aimed at the manufactured housing industry. The money will provide grants to dispose of abandoned homes and rehab those homes which are still in use owned by low income individuals. This latter point diverts those homes from landfills and at the same time avoids homelessness by many of those owners.

We urge Committee approval.

Sincerely,

Ross Kinzler  
Executive Director

Scott-

The agency accepted all of the Clearinghouse's recommended changes, and they adequately answered one question the rule reviewer had. So from our perspective, the rule is fine.
