Dear Senator Lassa, et al:

I am a nominee for appointment to the Department of Regulation and Licensing Marriage and Family Therapy, Professional Counseling and Social Work Examining Board. This appointment has been referred to the Senate Committee on Economic Development, Job Creation, Family Prosperity and Housing which is scheduled to meet at 10:00 AM on Wednesday, March 28, 2007 in Room 300 SE of the State Capitol. I look forward to this Confirmation Hearing and I make myself available for any questions that you may have in advance and at next week's Confirmation Hearing.

I am truly honored and humbled in being nominated for this position in serving the citizens of Wisconsin in the regulation and licensing the practice of Marriage and Family Therapists. It is my understanding that all Committee members have received Appointment documents including my Resume. I would like to summarize my background and motivation to serve the citizens of Wisconsin through appointment to the Department of Regulation and Licensing Marriage and Family Therapy, Professional Counseling and Social Work Examining Board.

I have been in working in the mental health field for the past 37 years. I have been certified and now dually licensed as a Marriage and Family Therapist and Clinical Social Worker through the Department of Regulation and Licensing. For the past 27 years I have been a provider of outpatient psychotherapy services in various State certified outpatient behavioral health clinics. I have been extremely active in my profession as a Marriage and Family Therapist in serving for the past 15 years with the Wisconsin Association for Marriage and Family Therapy, a division of the American Association for Marriage and Family Therapy. In those past 15 years with WAMFT, I have witnessed and was part of the growth of the behavioral health professions. As retirement looms within the next 10 years, I still possess a passion for both professions as a Licensed Marriage and Family Therapist and Licensed Clinical Social Worker. I am particularly passionate about the incorporation of **Core Competencies** being delineated by the various behavioral health professions. These **Core Competencies**, being developed by the national associations, delineate aspirational standards to be implemented by behavioral health clinicians. With my anticipated appointment, I would bring this "aspirational mind set" to improve the delivery of services by behavioral health professions to the citizens of Wisconsin.

I make myself available to you to answer any questions that you may have of me regarding my nomination in advance or at next week's Confirmation hearing. You may contact me by e-mail or by calling my cell phone at (920) 737-2035.

Thank-you in advance in anticipation of your support!

Very truly yours,

Arlie J. Albrecht, LMFT, LCSW.
