our efforts to develop a Space Science and Education Center at Spaceport Sheboygan.

Wisconsin is beginning to explore the potential of a new economic frontier – space! The WAA will help lead this exploration and provide direction and insight. While Spaceport Sheboygan may sound “out of this world”, we have already taken the first step for it to become a reality. The confirmation of Mark, Judy and Mark to the WAA Board will be another step in the right direction for this exciting opportunity.

Again, I respectfully ask that you support each of these appointments to the WAA Board. I extend a message of appreciation to Mark, Judy and Mark for their willingness to serve and I thank you for taking the time to hold this hearing today.

Re: Wisconsin Aerospace Authority

Honorable Senator Lassa:

Public service has been a significant part of my life. I believe my appointment to the Wisconsin Aerospace Authority will give me another opportunity to serve the citizens of Wisconsin.

I served on the Sheboygan Area School District for two terms. During my tenure on the school board, I served as both chairperson and vice chairperson of the finance committee for five out of my six years. My last year on the school board, I served as board president. During my school board tenure, I was appointed to the Governor's Task Force on Educational Excellence.

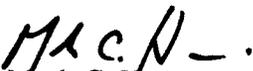

In addition to my strong connection to education, I have close to thirty years of business experience. I have been an investment professional since 1978, working with major domestic and international investment organizations. I am currently a shareholder in Maritime Financial Group located in Sheboygan. As a financial executive, I am well connected with the business community and an active participant in the Sheboygan County Chamber of Commerce.

Currently, I serve as an alderman on the city council of Sheboygan. My position on the city council will give me an additional opportunity to communicate and receive feedback on our community's interest in aerospace and its future in Sheboygan.

My close connection with the education community, coupled with a strong finance background and my position as alderman, will be assets to the Wisconsin Aerospace Authority.

Thank you for this opportunity.

Sincerely,

  
Mark C. Hanna
