Support Natural Resource Board Nominees

The Wisconsin League of Conservation Voters urges you to support the appointments of John Welter, Jane Wiley, and Dave Clausen to the Natural Resources Board (NRB), which will be up for a vote in the Senate Natural Resources Committee on Thursday.

Holding votes on NRB nominees within six months of the Governor's appointment is a component of the Hunter, Angler, Trapper Bill of Rights, which was recently selected as one of four priorities by Wisconsin's conservation community for this legislative session. While these particular appointments are far older than six months, we are pleased to see a straight up or down vote finally being taken. In addition, we support the appointment of John Welter, Jane Wiley and Dave Clausen. Each of these individuals has the natural resource knowledge and background to provide beneficial input to the NRB.

Support (with changes) JR7AB 1/JR7SB 1: Ethics Reform

The Wisconsin League of Conservation Voters urges you to support JR7AB 1 only with the following recommended changes, which is before the Assembly Judiciary and Ethics Committee on Tuesday and to
