AN ACT to amend 440.974 (1) (b); and to create 101.615 (1m) and 101.647 of the statutes; relating to: requiring carbon monoxide detectors in buildings containing one or two dwelling units.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 101.615 (1m) of the statutes is created to read:
101.615 (1m) Section 101.647 applies to a dwelling the initial construction of which was commenced before, on, or after the effective date of this subsection.

SECTION 2. 101.647 of the statutes is created to read:
101.647 Carbon monoxide detectors. (1) DEFINITIONS. In this section:
(a) “Carbon monoxide detector” has the meaning given in s. 101.149 (1) (am).

(2) INSTALLATION AND SAFETY CERTIFICATION. The owner of a dwelling shall install any carbon monoxide detector required under this section according to the directions and specifications of the manufacturer of the carbon monoxide detector. A carbon monoxide detector required under this section shall bear an Underwriters Laboratories, Inc., listing mark and may be a device that is combined with a smoke detector.

(3) REQUIREMENTS. (a) The owner of a dwelling shall install a functional carbon monoxide detector in the basement of the dwelling and on each floor level except the attic, garage, or storage area of each dwelling unit. A carbon monoxide detector wired to the dwelling’s electrical wiring system shall have a backup battery power supply. Except as provided under par. (b), the occupant of the dwelling unit shall maintain any carbon monoxide detector in that unit. This paragraph does not apply to the owner of a dwelling that has no attached garage, no fireplace, and no fuel-burning appliance.

(b) If any occupant who is not the owner of a dwelling or any person authorized by state law or by city, village, town, or county ordinance or resolution to exercise powers or duties involving inspection of real or personal property is present on the premises of the dwelling, the occupant or person authorized shall, prior to entering the dwelling, install a functional carbon monoxide detector in a manner that is consistent with the requirements of this paragraph.

* Section 991.11, WISCONSIN STATUTES 2007-08: Effective date of acts. “Every act and every portion of an act enacted by the legislature over the governor’s partial veto which does not expressly prescribe the time when it takes effect shall take effect on the day after its date of publication as designated” by the secretary of state [the date of publication may not be more than 10 working days after the date of enactment].
property, gives written notice to the owner that the carbon monoxide detector is not functional, the owner shall provide, within 5 days after receipt of that notice, any maintenance necessary to make that carbon monoxide detector functional.

(4) Inspection. The department or person authorized by state law or by city, village, town, or county ordinance or resolution to exercise powers or duties involving inspection of real or personal property may inspect new dwellings and, at the request of the owner or renter, may inspect the interior of a dwelling unit in a dwelling to ensure compliance with this section.

(5) Liability Exemption. The owner of a dwelling is not liable for damages resulting from any of the following:

(a) A false alarm from a carbon monoxide detector if the carbon monoxide detector was reasonably maintained by the owner of the dwelling.

(b) The failure of a carbon monoxide detector to operate properly if that failure was the result of tampering with, or removal or destruction of, the carbon monoxide detector by a person other than the owner of the dwelling or the result of a faulty detector that was reasonably maintained by the owner of the dwelling.

(6) Tampering Prohibited. No person may tamper with, remove, destroy, disconnect, or remove batteries from an installed carbon monoxide detector, except in the course of inspection, maintenance, or replacement of the detector.

Section 3. 440.974 (1) (b) of the statutes is amended to read:

440.974 (1) (b) Subject to s. 440.975, standards for the practice of home inspection by home inspectors and standards for specifying the mechanical and structural components of improvements to residential real property that are included in a home inspection. The rules promulgated under this paragraph shall include standards for the inspection of carbon monoxide detectors. The rules promulgated under this paragraph may not require a home inspector to use a specified form for the report required under s. 440.975 (3).

Section 4. Effective date.

(1m) This act takes effect on February 1, 2011.
