# RESEARCH APPENDIX - Draft Transfer/Copy Request Form

- Atty's please complete this form and give to Mike Barman

(Request Made By: WES) (Date: 11/24/08)

Please transfer the drafting file for

2007/2003 LRB 0497 to the drafting file

for 2005 LRB 0917/1  
2009

The final version of the 2003 draft and the final Request Sheet will be copied on yellow paper, and returned to the original 2003 drafting file. A new cover sheet will be created/included listing the new location of the drafting file's "guts".

For research purposes, because the 2003 draft was incorporated into a 2005 draft, the complete drafting file will be transferred, as a separate appendix, to the new 2005 drafting file. This request form will be inserted into the "guts" of the 2005 draft. If introduced, the appendix will be scanned/added to the electronic drafting file folder.

**-- OR --**

Please copy the drafting file for

2005 LRB \_\_\_\_\_ / \_\_\_\_\_ (include the version) and place it in the

drafting file for 2005 LRB \_\_\_\_\_

For research purposes, because the original 2005 draft was incorporated into another 2005 draft, the original drafting file will be copied on yellow paper (darkened/auto centered/reduced to 90%) and added, as a separate appendix, to the new 2005 drafting file. This request form will be inserted into the "guts" of the new 2005 draft. If introduced the appendix will be scanned/added to the electronic drafting file folder.

The original drafting file will then returned, intact, to its folder and filed. For future reference, a copy of the transfer/copy request form will also be added to the "guts" of the original draft.

2009 ~~2007~~ BILL

SA ✓  
X-ref ✓

regen

1 AN ACT *to create* 71.05 (6) (b) 39. of the statutes; **relating to:** creating an  
2 individual income tax subtract modification for amounts received from the well  
3 <sup>and abandonment</sup> contamination compensation program. ✓

**Analysis by the Legislative Reference Bureau**

Under current law, the Department of Natural Resources (DNR) administers a program that provides compensation to persons with contaminated wells. A person with a family income of not more than \$65,000 may be eligible for the program. The program generally pays 75 percent of eligible costs with a maximum award of \$9,000. Eligible costs include the costs of treating the well water or of constructing a new well or obtaining clean water from another source. ✓

and wells that are unused  
or of abandoning an unused well  
and abandoned

This bill creates an individual income tax subtract modification for amounts received by an individual from DNR under the contaminated wells compensation program. Under the bill, the amount of the award received by an individual is exempt from taxation.

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill. ✓

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill. ✓

**The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:**

**BILL**

1

**SECTION 1.** 71.05 (6) (b) ~~39~~ of the statutes is created to read:

2

71.05 (6) (b) ~~39~~ Any amount received from the department of natural resources  
as an award under the well contamination *and abandonment* compensation program that is described  
under s. 281.75. ✓

3

4

5

**SECTION 2. Initial applicability.**

6

(1) This act first applies to taxable years beginning on January 1 of the year  
in which this subsection takes effect, except that if this subsection takes effect after  
July 31 this act first applies to taxable years beginning on January 1 of the year  
following the year in which this subsection takes effect. ✓
