November 5, 2008

Representative Gottlieb:

In some other versions of this proposal that have been introduced in recent sessions, we have dealt with one additional contingency — we have provided that if there is more than one biennial budget bill (which is possible under s. 16.45, stats., but which last occurred in 1981), the closed period for contributions ends upon enactment of the last of those bills. If you would like to cover that contingency, please let me know.
