4 **to:** special distinguishing registration plates for groups that are military in
5 nature and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, members of authorized special groups may obtain special distinguishing registration plates for automobiles and certain other vehicles that are owned or leased by members of these groups. There are numerous special plates related to military service, military honors, and groups associated with a branch of the armed services. State residents who are members or retired members of the national guard may obtain special plates that display the words “Wisconsin guard member” (national guard special plates).

Under this bill, if an applicant for initial issuance of national guard special plates identifies himself or herself as a member or former member of the 32nd “Red Arrow” Brigade or Division, the Department of Transportation (DOT) must provide to the applicant, to be affixed to each special plate, two decals (stickers), one of which displays the words “Red Arrow” and the other of which displays the red arrow symbol associated with the 32nd “Red Arrow” Brigade or Division. An applicant for renewal of registration of national guard special plates may also receive these stickers, free of charge, if these stickers were not previously provided by DOT.

ASSEMBLY BILL 48

This bill also establishes as an authorized special group members or former members of the 32nd “Red Arrow” Brigade or Division. In addition to the regular vehicle registration fee, special group members are required to pay a \$15 fee for issuance or reissuance of the special plates, which fee is mostly deposited in the veterans trust fund. These special plates must display the words “Red Arrow” and the red arrow symbol associated with the 32nd “Red Arrow” Brigade or Division.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
