

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-0785/1dn  
ARG:bjk:ph

December 5, 2008

In the attached redraft of 2007 AB-629, I have made minor changes to address a technical concern that DOT raised last session in the context of a different bill (2007 AB-538).

I recommend that the attached draft be reviewed by DOT. I cannot predict whether the smaller motorcycle plates can accommodate all of the information required under this draft.

The attached draft will result in some cost to DOT. Do you want to increase the DMV appropriation to cover the additional cost to DMV created by the draft?
