Hi Cindy and Eric, I hope fall is treating you well.

Speaking with Nichole Yunk I understand you're planning on beginning the drafting on the Driver License Recovery Omnibus package, and the Federal Drug opt-out.

I thought I'd throw my \$.02 out from DOT.

As I recall, the opt-out bill and companion joint resolutions were perfect last session. Recommend a redraft using those bills as models. Please remember, this is not a proposal that DOT supports nor opposes.

Take care.

1 AN ACT *to amend* 343.32 (1m) (b) (intro.), 938.34 (14r) (a) and 961.50 (1) (intro.)
2 of the statutes; **relating to:** motor vehicle operating privilege suspensions for
3 controlled substance violations.

Analysis by the Legislative Reference Bureau

Current law requires a court to suspend the motor vehicle operating privilege of a person, including a juvenile, if the person is convicted of any violation of the state's Uniform Controlled Substances Act (drug violation). Under this bill, a court may, but is not required to, suspend a person's motor vehicle operating privilege if the person is convicted of a drug violation.

Also under current law, the Department of Transportation (DOT) must suspend a person's operating privilege whenever DOT receives notice that the person has been convicted in another state for an offense that, if committed in this state, would be a drug violation. Under this bill, DOT may, but is not required to, suspend a person's motor vehicle operating privilege if the person is convicted in another state for an offense that, if committed in this state, would be a drug violation.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
