Eric,

Thanks for your work on this so far!

Going over it, I did notice one thing that I think needs to be changed. Page 2, line 1 should read, "A motor vehicle **or trailer** equipped with...." That way this version completely reflects AA3 to 2007 AB 195, which also amended the relating clause (which you've already done in the 2009 draft).

Thanks!

Aaron,

Representative Townsend would like to redraft 2007 AB 195 (reduced vehicle registration fee for ham radio organizations that volunteer to help out in emergencies). Our office introduced three amendments to AB 195, and those should be incorporated, too. It looks like Brett Balinsky worked on this last session.

Thanks!
