Description										
Notice to a victim of the right to make a statement at sentencing or disposition										

Assumptions Used in Arriving at Fiscal Estimate

This bill changes the timing of the requirement that the District Attorney notify the victim of a crime of his or her right to make a statement at sentencing. The law currently requires that the notice be given after a conviction. This bill allows the notice to be given at any time during the proceedings.

The notice requirement is a responsibility of the District Attorney's office. Therefore, this bill will not have a fiscal impact on the circuit courts.
