

**DRAFTER'S NOTE**  
**FROM THE**  
**LEGISLATIVE REFERENCE BUREAU**

LRB-1371/1dn  
RPN:nwn:ph

February 5, 2009

I made a slight change in the bill after preparing the analysis. I added language to s. 302.372 (7), allowing DOT to issue a license if the "...county is no longer seeking reimbursement from the violator." I did this because the county may decide, after starting to seek reimbursement, that the person is not able to pay the full amount owed or that the cost of collection is too high, and stop seeking any more reimbursement. OK?

Please review this draft carefully to ensure that it is consistent with your intent.
