

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-1748/3dn  
ARG:jld:rs

March 5, 2009

ATTN: Lloyd Clark

As instructed, the attached draft requires school bus drivers to activate flashing red lights whenever they stop to load or unload passengers, regardless of whether the stop is on or off the roadway. When these red lights are activated, other motorists must stop until the red lights are turned off or the bus begins moving unless they are proceeding in the opposite direction on a divided highway.
