*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

**JOINT LEGISLATIVE COUNCIL PREFATORY NOTE:** This draft was prepared for the Joint Legislative Council's Special Committee on State-Tribal Relations.

**GENERAL BACKGROUND**

**Current Law**

**Private Schools**

Under current law, a "private school" is defined in s. 115.001 (3r), stats., for the purposes of the K-12 education statutes (chs. 115 to 121, stats.) as an institution with a private educational program that: (1) meets all of the criteria under s. 118.165 (1), stats.; or (2) is determined to be a private school by the State Superintendent of Public Instruction (State Superintendent) under s. 118.167, stats., because evidence is presented that it meets or exceeds the criteria in s. 118.165 (1), stats. Those criteria are that the educational program: (1) has as its primary purpose providing private or religious-based education; (2) is privately controlled; (3) provides at least 875 hours of instruction in each school year; (4) has a sequentially progressive curriculum of fundamental instruction in reading, language arts, mathematics, social studies, science, and health; (5) is not operated to avoid or circumvent the compulsory attendance laws; and (6) has its pupils return annually to their homes for at least 2 months of summer vacation or the institution is licensed as a child welfare agency.

Current law imposes certain requirements on private schools and provides certain benefits and protections to private schools and private

school pupils and staff. A tribally operated school is not a private school.

#### Tribally Operated Schools

Under current Wisconsin statutes, tribally operated schools are dealt with only in subch. IV, ch. 115, stats., relating to the American Indian language and culture education program. In that subchapter, an "alternative school" is defined as "any nonsectarian *private school* or *tribally operated school* in this state which complies with the requirements of 42 USC 2000d [relating to prohibiting exclusion from participation, denial of benefits, or discrimination based on race, color, or national origin] and in which at least 75% of the pupils enrolled are American Indians". [s. 115.71 (1), stats. (emphasis added).]

Subchapter IV, ch. 115, then provides that any school district enrolling American Indian pupils *or* any "alternative school" may, after developing a plan containing certain elements and appointing a parent advisory committee, establish, on a voluntary basis, an American Indian language and culture education program which may contain certain elements. These schools are required to keep certain records, and the State Superintendent is required to periodically assess the needs of the program and evaluate available resources and programs. However, the programs of alternative schools can be evaluated only with the permission of the alternative school [s. 115.74 (1) (b), stats.]; and the assessment and evaluation can be "performed on Indian reservations and in other Indian communities recognized by the federal government only in conjunction with, or with the permission of, the respective tribal governments". [s. 115.74 (3), stats.]

A tribally operated school does not need authorization from the state to create an educational program related to American Indian language and culture. Rather, subch. IV, ch. 115, including its requirements to keep records, was enacted in connection with providing state categorical aid to a school district or alternative school that provided a program that met the criteria in subch. IV, ch. 115. State aid for such programs was eliminated by 2003 Wisconsin Act 33.

#### *Tribally Operated Schools in Wisconsin*

Currently, 3 schools in Wisconsin come under the tribally operated schools component of the "alternative school" definition in s. 115.71 (1), stats. They are the: Menominee Tribal School; Oneida Nation of Wisconsin Schools; and Lac Courte Oreilles Tribal School. These schools have contracts with and are funded, in full or in part, by the U.S. Department of Interior, Bureau of Indian Affairs (BIA). (The Bad River Band of Lake Superior Chippewa Indians previously operated the

Mashkiisiibii Tribal School, but that school no longer exists.) The Waadookodaading Charter School is, in part, supported by funds contributed by the Lac Courte Oreilles Band of Lake Superior Chippewa Indians. However, it is a public charter school, chartered by the Hayward School District. Thus, the draft does not affect it.)

Currently it appears that one school in Wisconsin meets the "nonsectarian private school...in which at least 75% of the pupils enrolled are American Indians" component of the "alternative school" definition in s. 115.71 (1), stats. It is the Indian Community School of Milwaukee, Inc. It appears that the state statutes dealing with private schools already apply to this school, and this draft does not affect it.

*Authority of the State with Regard to Tribally Operated Schools*

In general, state civil regulatory laws do not apply to a tribe or a member of that tribe on the tribe's reservation or off-reservation trust land unless an act of Congress, a treaty, or case law (that is, decisions by the courts) provides that the state law is applicable. Most K-12 education laws likely would be considered by the courts to be civil regulatory laws. It appears that neither an act of Congress nor any treaty has authorized the state to apply its civil regulatory education laws to a tribal school that is located on a tribe's reservation or off-reservation trust land. As for whether case law does so, court decisions suggest that, if a matter were litigated, a court would apply a balancing of interests test and hold that a state civil regulatory education law applies to a tribal school only if the state interests outweigh the tribal and federal interests. That analysis depends on the facts surrounding each individual statute; thus, there is no universal answer as to whether a state civil regulatory law applies to a tribal school.

However, in general, it appears that, with respect to most state K-12 education laws, the state does not have authority to impose such laws on tribal schools. Moreover, a tribe may choose to assert sovereign immunity if a legal action were filed against the tribal school or tribal school officials to enforce any such law.

Nonetheless, a state may choose to provide funding or other benefits to a tribal school and may condition such funding or benefits on meeting certain prerequisites.

**THE DRAFT--GENERAL COMMENTS**

The draft defines a "tribal school" in s. 115.001 (15m), stats., as an institution with an educational program that has as its primary purpose providing education in any grade or grades from kindergarten to 12 and that is: (a) controlled by the elected governing body of a federally

recognized American Indian tribe or band in Wisconsin; (b) jointly controlled by the elected governing bodies of 2 or more federally recognized American Indian tribes or bands in Wisconsin; (c) controlled by the tribal educational authority established by a federally recognized American Indian tribe or band in Wisconsin; or (d) controlled by a tribal educational authority established jointly by 2 or more federally recognized American Indian tribes or bands in Wisconsin. That definition then applies in chs. 115 to 121 (statutes relating to K-12 education) under s. 115.001 (intro.), stats. The draft then uses the same definition by cross-reference in statutes outside chs. 115 to 121, stats.

*Private School References--Benefits*

The draft amends statutes that refer specifically to private schools, private school pupils, or private school staff and provide a benefit or protection to them, with the exception of statutes relating to: pupil transportation; special education; eligibility for bonding for certain building projects through the Wisconsin Health and Educational Facilities Authority; and statutes in ch. 119, stats., that refer to private schools (since ch. 119 relates only to the Milwaukee Public Schools). In general, the amendments add references to tribal schools, tribal school pupils, or tribal school staff in those statutes.

*Private School References--Benefit Linked to Requirement*

In some cases, the draft includes language relating to tribal schools that is not identical to current statutes relating to private schools. These relate to statutes in which a requirement is integrally linked to a benefit provided—for example, statutes allowing a private school to receive certain confidential records but prohibiting redisclosure of the records. For those statutes, the draft generally extends the benefit to a tribal school that chooses to comply with the required provision.

*Private School References--Requirements Not Imposed on Tribal Schools*

With respect to statutes that explicitly impose a requirement on private schools unrelated to a benefit, the draft does *not* add a reference to tribal schools. Such statutes include requirements to: make a report to the Department of Public Instruction (DPI) about enrollment; report to DPI charges and convictions of certain crimes and dismissals and resignations related to immoral conduct of a person licensed by DPI and employed by the school; display the flag and offer the pledge of allegiance or national anthem; have a first aid kit; conduct fire, tornado, or other hazard drills and file reports on those drills with the Department of Commerce and chief of the local fire department; distribute information about meningococcal disease; annually inform professional staff about resources available regarding suicide prevention; establish

school safety zones; prohibit the use of a pupil's Social Security number as a pupil identification number; have periodic lead inspections in kindergarten; and abide by restaurant regulations if food is brought in under contract.

#### *Generic School References*

The draft amends several statutes that refer generically to schools without explicitly referring to public schools, private schools, or tribal schools to make clear that if a benefit or protection applies to the school, school pupils, and school staff, the benefit also applies to tribal schools, tribal school pupils, and tribal school staff. The draft does not amend statutes that impose a requirement generically on schools, including private schools, to impose the requirement on tribal schools, for example, statutes relating to excluding children who have not met the immunization or waiver of immunization requirements. Whether such requirements apply to tribal schools is an issue to be resolved by the courts.

#### THE DRAFT--LIST OF BENEFITS AND PROTECTIONS PROVIDED TO TRIBAL SCHOOLS, TRIBAL SCHOOL PUPILS, AND TRIBAL SCHOOL STAFF

The benefits and protections provided in the draft to tribal schools, tribal school pupils, and tribal school staff are briefly listed below in each of these categories. Each listing is followed by a reference to the SECTION number in the draft. The provisions of the draft are further explained in the NOTE following each SECTION of the draft. (In some cases, a benefit or protection could have been included in more than one category because of overlapping considerations (for example, permitting disclosure to tribal schools of certain confidential police records could ultimately benefit the tribal school, tribal school pupils, and tribal school staff). However, each provision in the draft is listed in only one category below, namely, what appeared to be the most pertinent category.)

#### *Benefits or Protections Provided to Tribal Schools*

The draft provides the following benefits or protections to tribal schools:

1. Permits a tribal school to ask the municipal clerk to conduct voter registration at the high school. [SECTION 1.]
2. Permits representatives of tribal schools to serve on the DPI Council on Special Education. [SECTION 3.]

This program is the part of the Technology for Educational Achievement (TEACH) program that applies to private schools. The draft permits DOA to provide telecommunications services to tribal schools that DOA considers appropriate and permits DOA to charge for such services. [SECTIONS 6, 7, 8, 9, 11, and 12.]
5. Exempts a motor vehicle transporting tribal school pupils to a state park or recreational area from the requirement to display a state park admission receipt. [SECTION 13.]

7. Requires the Board of Regents of the University of Wisconsin (UW) System to direct the UW schools of education to work with tribal schools, among others, on researching improving school safety and reducing school discipline problems and to share with tribal schools the results of such research. [SECTION 17.]
8. Provides that the purposes of the Technical College System (TCS) include contracting, coordinating, and cooperating with tribal schools; requires the TCS Board to work with tribal schools on researching improving school safety and reducing school discipline problems and to share with tribal schools the results of such research; and authorizes a technical college district board to contract with tribal schools, among others, to provide educational services or fiscal and management services. [SECTIONS 18, 19, 20, and 21.]
9. Requires the Department of Veterans Affairs to award a certificate of achievement and appreciation to a veteran who completes 20 hours of volunteer service in a tribal school in a school term if certain conditions are met. [SECTIONS 25 and 26.]

12. Establishes a process by which driver education courses offered in a tribal school can be accepted by the Department of Transportation

(DOT) for purposes of obtaining a driver's license under certain circumstances. [SECTIONS 48, 96, 97, and 98.]

13. Requires the State Superintendent to make online courses available for a reasonable fee, through a statewide web academy, to tribal schools located in Wisconsin. [SECTION 49.]
14. Provides that tribal schools are eligible for the school lunch program, school breakfast program, school day milk program, and food services plan for the elderly. [SECTIONS 50, 51, 52, and 53.] (According to DPI staff, tribal schools currently receive funds for the school lunch program and school breakfast program, and no tribal schools currently offer the school day milk program or food services plan for the elderly.)
15. Includes tribal schools in DPI's programs to assist schools in developing: alcohol and other drug abuse programs; suicide prevention programs; and protective behavior programs. The draft also requires DPI to provide a model notice to the governing body of a tribal school, which can be used to inform professional staff of the tribal school about suicide prevention services that DPI has developed and how to access those services. [SECTIONS 54, 55, and 56.]
16. Includes tribal schools with those groups to which the Wisconsin Center for the Blind and Visually Impaired and the Wisconsin Educational Services Program for the Deaf and Hard of Hearing may provide technical assistance and consultation services and other specified services. place to ensure that tribal school officials will not disclose the records except under the same situations that private schools may do so. This includes: police and law enforcement records in a ch. 48, Stats. (Children's Code), proceeding; public school records in certain circumstances; records of the Department of Children and Families (DCF), a county department of human services or county department of social services, a licensed child welfare agency, or a licensed day care center, or of the Department of Corrections in a ch. 938, Stats. (Juvenile Justice Code), proceeding; records of a juvenile court in a ch. 938 proceeding; and law enforcement records in a ch. 938 proceeding. [SECTIONS 33, 35, 68, 70, 108, 109, 110, 111, and 112.]

22. Adds to the county committee that advises on school districts' truancy plans: (a) a representative of each tribal school in the county; and (b) a parent of a tribal school pupil. [SECTION 76.]

The draft provides the following benefits or protections to tribal school pupils:

1. Permits certain tribal school pupils to serve as inspectors at a polling place under certain conditions. [SECTION 2.]

22 district operating the high school or the governing body of the private or tribal high school  
23 shall certify to the board the selected senior as eligible for a higher education scholarship as  
24 a scholar under sub. (2) (a) or (3) (a) until the scholarship may be awarded by the board.

1 (g) Notwithstanding par. (a), if a high school of at least 80 pupils closes or merges in  
2 the 1991-92 school year or in any school year thereafter, the school board of the school district  
3 operating the high school or the governing body of the private or tribal high school shall,  
4 subject to par. (d), for each of the 2 school years following the closure or merger, designate  
5 the same number of scholars from among the pupils enrolled in the high school at the time of  
6 closure or merger as the number of scholars designated for that high school in the school year  
7 the high school closed or merged. Any seniors designated under this paragraph shall be  
8 eligible for an original scholarship under this section.

9 (j) In the event that 2 or more seniors from the same high school of at least 80 pupils  
10 have the same grade point average and are otherwise eligible for designation under par. (a),  
11 the school board of the school district operating the high school or the governing body of the  
12 private or tribal high school shall make the designation of the faculty of the high school for  
13 purposes of par. (d) or (i).

**NOTE:** SECTIONS 22 to 24 include seniors at a tribal high school in the Academic Excellence Higher Education Scholarship Program that provides certain seniors with academic scholarships at the UW, technical college, or participating private institutions of higher education.

14 **SECTION 25.** 45.09 (1) (d) of the statutes is created to read:

15 45.09 (1) (d) "Tribal school" has the meaning given in s. 115.001 (15m):

16 **SECTION 26.** 45.09 (2) of the statutes is amended to read:

17 45.09 (2) Subject to sub. (3), the department shall award a certificate of achievement  
18 and appreciation to any veteran who completes 20 hours of volunteer service in a public or,  
19 private, or tribal school during a school term.

**NOTE:** Current law provides that the Department of Veterans Affairs must award a certificate of achievement and appreciation to any veteran who completes 20 hours of volunteer service in a public or private

school during a school term if certain conditions are met. The draft also includes such volunteer service in a tribal school.

1           **SECTION 27.** 45.20 (2) (a) 1., (c) 1. and (d) 1. of the statutes are amended to read:

2           45.20 (2) (a) 1. The department shall administer a tuition reimbursement program for  
3 eligible veterans enrolling as undergraduates in any institution of higher education in this  
4 state, enrolling in a school that is approved under s. 45.03 (11), enrolling in a proprietary  
5 school that is approved under s. 38.50, enrolling in a public or private high school, enrolling  
6 in a tribal school, as defined in s. 115.011 (15m), that operates high school grades, or receiving  
7 a waiver of nonresident tuition under s. 39.47.

8           (c) 1. A veteran who meets the eligibility requirements under par. (b) 1. may be  
9 reimbursed upon satisfactory completion of an undergraduate semester in any institution of  
10 higher education in this state, or upon satisfactory completion of a course at any school that  
11 is approved under s. 45.03 (11), any proprietary school that is approved under s. 38.50, any  
12 public or private high school, any tribal school, as defined in s. 115.001 (15m), that operates  
13 high school grades, or any institution from which the veteran receives a waiver of nonresident  
14 tuition under s. 39.47. Except as provided in par. (e), the amount of reimbursement may not  
15 exceed the total cost of the veteran's tuition minus any grants or scholarships that the veteran  
16 receives specifically for the payment of the tuition, or, if the tuition is for an undergraduate  
17 semester in any institution of higher education, the standard cost of tuition for a state resident  
18 for an equivalent undergraduate semester at the University of Wisconsin-Madison, whichever  
19 is less.

20           (d) 1. A veteran's eligibility for reimbursement under this subsection at any institution  
21 of higher education in this state, at a school that is approved under s. 45.03 (11), at a proprietary  
22 school that is approved under s. 38.50, at a public or private high school, at a tribal school, as

1 defined in s. 115.001 (15m), that operates high school grades, or at an institution where he or  
2 she is receiving a waiver of nonresident tuition under s. 39.47 is limited to the following:

**NOTE:** Provides that a veteran is eligible for reimbursement for a course taken at a tribal high school under certain circumstances.

3 **SECTION 28.** 46.275 (3r) (a) 3. of the statutes is amended to read:

4 46.275 (3r) (a) 3. The person will be relocated into the home of the person's parent or  
5 guardian and will be receiving state monitoring of the relocation and services provided by a  
6 public or private school or a tribal school, as defined in s. 115.001 (15m).

**NOTE:** Current law permits DHS to relocate a resident of a state center for the developmentally disabled to the community without county participation under certain circumstances, including the circumstance in s. 46.275 (3r) (a) 3., stats., which is amended to include a tribal school.

7 **SECTION 29.** 48.02 (18m) of the statutes is created to read:

8 48.02 (18m) "Tribal school" has the meaning given in s. 115.001 (15m).

9 **SECTION 30.** 48.345 (12) (a) 5. of the statutes is created to read:

10 48.345 (12) (a) 5. Pursuant to a contractual agreement with the school district in which  
11 the child resides, an educational program provided by a tribal school.

12 **SECTION 31.** 48.345 (12) (c) of the statutes is amended to read:

13 48.345 (12) (c) The judge shall order the county department, department, in a county  
14 having a population of 500,000 or more, or licensed child welfare agency responsible for  
15 supervising the child to disclose to the school board, technical college district board, tribal  
16 school, or private, nonprofit, nonsectarian agency which is providing an educational program  
17 under par. (a) 3. records or information about the child, as necessary to assure the provision  
18 of appropriate educational services under par. (a).

**NOTE:** Under current law, a CHIPS dispositional order may include an order that a child attend an educational program provided by the school

district or one of several programs under contract with the school district. Current law does not include a tribal school.

Section 48.345 (12) (a) 5., stats., specifies that the court is permitted to order a child to attend a tribal school if the school district has a contract with the tribal school for such placements. Section 48.345 (12) (c), stats., is amended to require the court to order the supervising agency to disclose information to the tribal school necessary to assure appropriate educational services in such cases. Also see the treatment of ss. 121.78 (4) and 938.34 (7d) (a) 5. and (c), stats., below.

1           **SECTION 32.** 48.355 (2) (c) of the statutes is amended to read:

2           48.355 (2) (c) If school attendance is a condition of an order under par. (b) 7., the order  
3 shall specify what constitutes a violation of the condition and shall direct the school board of  
4 the school district, or the governing body of the private school, in which the child is enrolled,  
5 or shall request the governing body of the tribal school in which the child is enrolled, to notify  
6 the county department that is responsible for supervising the child or, in a county having a  
7 population of 500,000 or more, the department within 5 days after any violation of the  
8 condition by the child.

**NOTE:** Under s. 48.355 (2) (b) 7., stats., a CHIPS dispositional order may state the conditions with which the child must comply. If school attendance is a condition, current law requires that the order direct the school board or the governing body of a private school to notify the court within 5 days of a violation of the condition. The draft requires that the court order request that a tribal school do so.

9           **SECTION 33.** 48.396 (1) of the statutes is amended to read:

10           48.396 (1) Law enforcement officers' records of children shall be kept separate from  
11 records of adults. Law enforcement officers' records of the adult expectant mothers of unborn  
12 children shall be kept separate from records of other adults. Law enforcement officers'  
13 records of children and the adult expectant mothers of unborn children shall not be open to  
14 inspection or their contents disclosed except under sub. (1b), (1d), (5), or (6) or s. 48.293 or  
15 by order of the court. This subsection does not apply to the representatives of newspapers or

1 other reporters of news who wish to obtain information for the purpose of reporting news  
2 without revealing the identity of the child or adult expectant mother involved, to the  
3 confidential exchange of information between the police and officials of the public or private  
4 school attended by the child or other law enforcement or social welfare agencies, or to children  
5 10 years of age or older who are subject to the jurisdiction of the court of criminal jurisdiction.  
6 A public school official who obtains information under this subsection shall keep the  
7 information confidential as required under s. 118.125, and a private school official who  
8 obtains information under this subsection shall keep the information confidential in the same  
9 manner as is required of a public school official under s. 118.125. This subsection does not  
10 apply to the confidential exchange of information between the police and officials of the tribal  
11 school attended by the child if the police determine that enforceable protections are provided  
12 by a tribal school policy or tribal law that requires tribal school officials to keep the  
13 information confidential in a manner at least as stringent as is required of a public school  
14 official under s. 118.125. A law enforcement agency that obtains information under this  
15 subsection shall keep the information confidential as required under this subsection and s.  
16 938.396 (1) (a). A social welfare agency that obtains information under this subsection shall  
17 keep the information confidential as required under ss. 48.78 and 938.78.

**NOTE:** Current law provides that the subsection that specifies that, subject to certain exceptions, law enforcement records relating to children under ch. 48 (the children's code) are confidential does not apply to the confidential exchange of information between the police and school officials. Current law further requires that public school officials who obtain information under this provision keep the information confidential as required in s. 118.125, stats. (relating to the confidentiality of pupil records). Current law also requires that private school officials who obtain information under this provision keep the information confidential in the same manner as is required of a public school official. The draft permits the police to confidentially exchange information with tribal school officials if the police determine that a

tribal school policy or tribal law provides enforceable protections that require tribal school officials to keep the information confidential in a manner at least as stringent as is required of public and private school officials.

1       **SECTION 34.** 48.65 (2) (b) of the statutes is amended to read:

2       48.65 (2) (b) A public or parochial school or a tribal school.

**NOTE:** The day care license statute requires that, with certain exceptions, a facility that provides care for 4 or more children under the age of 7 must obtain a day care center license. Because the day care license statute is a state civil regulatory law, it is not clear that this statute applies to a facility operated by a tribe or tribal member on a reservation or off-reservation trust land, although a tribe or tribal member may choose to obtain a license. In the event a court interprets the day care license statute as applying to a tribe or tribal member, the draft makes clear that a tribal school is not subject to this statute.

3       **SECTION 35.** 48.78 (2) (b) of the statutes is amended to read:

4       48.78 (2) (b) Paragraph (a) does not apply to the confidential exchange of information  
5       between an agency and another social welfare agency, a law enforcement agency, a public  
6       school, or a private school regarding an individual in the care or legal custody of the agency.  
7       A social welfare agency that obtains information under this paragraph shall keep the  
8       information confidential as required under this section and s. 938.78. A law enforcement  
9       agency that obtains information under this paragraph shall keep the information confidential  
10      as required under ss. 48.396 (1) and 938.396 (1) (a). A public school that obtains information  
11      under this paragraph shall keep the information confidential as required under s. 118.125, and  
12      a private school that obtains information under this paragraph shall keep the information  
13      confidential in the same manner as is required of a public school under s. 118.125. Paragraph  
14      (a) does not apply to the confidential exchange of information between an agency and officials  
15      of a tribal school regarding an individual in the care or legal custody of the agency if the agency  
16      determines that enforceable protections are provided by a tribal school policy or tribal law that

1 requires tribal school officials to keep the information confidential in a manner at least as  
2 stringent as is required of a public school official under s. 118.125.

**NOTE:** Section 48.78 (2) (a), stats., provides that, subject to certain exceptions, DCF, a county department of human services or county department of social services, a licensed child welfare agency, or a licensed day care center (collectively referred to as agency) must keep its records relating to children under ch. 48, stats., confidential. Section 48.78 (2) (b), stats., provides an exception and permits the confidential exchange of information with a public or private school which is then required to keep the information confidential if required to do so under the pupil records statute. The draft permits an agency to confidentially exchange information with tribal school officials if the agency determines that a tribal school policy or tribal law provides enforceable protections that require tribal school officials to keep the information confidential in a manner at least as stringent as is required of public and private school officials.

3 **SECTION 36.** 49.26 (1) (a) 2. bm. of the statutes is created to read:

4 49.26 (1) (a) 2. bm. A tribal school, as defined in s. 115.001 (15m).

**NOTE:** Includes a tribal school in the definition of a "school" under the Learnfare Program, which requires certain individuals to attend school under certain circumstances as a condition of eligibility under the Wisconsin Works Program.

5 **SECTION 37.** 49.26 (1) (g) 2. of the statutes is amended to read:

6 49.26 (1) (g) 2. The individual has not graduated from a public or, private, or tribal high  
7 school or obtained a declaration of equivalency of high school graduation under s. 115.29 (4).

**NOTE:** Provides an exception for the school attendance requirement under the Learnfare Program if an individual has graduated from a tribal high school.

8 **SECTION 38.** 51.45 (4) (d) of the statutes is amended to read:

9 51.45 (4) (d) Cooperate with the department of public instruction, local boards of  
10 education, schools, including tribal schools, as defined in s. 115.001 (15m), police  
11 departments, courts, and other public and private agencies, organizations, and individuals in  
12 establishing programs for the prevention of alcoholism and treatment of alcoholics and

1 intoxicated persons, and preparing curriculum materials thereon for use at all levels of school  
2 education.

**NOTE:** Requires DHS to cooperate with various entities, including tribal schools, to establish alcoholism prevention and treatment programs and to prepare curriculum materials.

3 **SECTION 39.** 103.21 (7) of the statutes is created to read:

4 103.21 (7) "Tribal school" has the meaning given in s. 115.001 (15m).

5 **SECTION 40.** 103.23 (2) (intro.) and (a) of the statutes are amended to read:

6 103.23 (2) (intro.) A minor under 12 years of age may work in a fund-raising sale for  
7 a nonprofit organization, a public school ~~or~~, a private school, or a tribal school under the  
8 following conditions:

9 (a) Each minor must give the nonprofit organization, public school ~~or~~, private school,  
10 or tribal school written approval from the minor's parent or guardian.

11 **SECTION 41.** 103.25 (3m) (c) and (5) of the statutes are amended to read:

12 103.25 (3m) (c) This subsection does not apply to employment of a minor by a  
13 newspaper publisher or in a fund-raising sale for a nonprofit organization, a public school ~~or~~,  
14 a private school, or a tribal school.

15 (5) This section does not apply to employment of a minor in a fund-raising sale for a  
16 nonprofit organization, a public school ~~or~~, a private school, or a tribal school.

17 **SECTION 42.** 103.27 (3) of the statutes is amended to read:

18 103.27 (3) This section does not apply to employment of a minor in a fund-raising sale  
19 for a nonprofit organization, a public school ~~or~~, a private school, or a tribal school.

20 **SECTION 43.** 103.275 (8) of the statutes is amended to read:

1           103.275 (8) EXCEPTION. This section does not apply to the employment of a minor by  
2 a newspaper publisher or in a fund-raising sale for a nonprofit organization, a public school  
3 or, a private school, or a tribal school.

NOTE: SECTION 39 creates a definition of "tribal school" for purposes of the statutes relating to minors working in the street trades or fund raising. In general, minors doing fund raising by selling for a public or private school are exempt from these statutes. The courts have not made clear if these statutes may be applied on reservations or on off-reservation trust land to minors who are engaged in such activities for a tribal school. While a court may be less likely to apply the statute to American Indian minors who are fund raising on their own reservation or off-reservation trust land, it is possible that a court would apply the statute to non-Indian minors who are fund raising for a tribal school.

SECTIONS 40 to 43 specify that the statutes do not apply if a minor is engaged in fund-raising activities for a tribal school.

4           SECTION 44. 103.64 (6) of the statutes is created to read:

5           103.64 (6) "Tribal school" has the meaning given in s. 115.001 (15m).

NOTE: Defines tribal school as used in ss. 103.67 (2) (c) and 103.71 (1) (b), below.

6           SECTION 45. 103.67 (2) (c) of the statutes is amended to read:

7           103.67 (2) (c) Minors 12 years of age or older may be employed in street trades, and  
8 any minor may work in fund-raising sales for nonprofit organizations, public schools or,  
9 private schools, or tribal schools, as provided in ss. 103.21 to 103.31.

NOTE: Relates to SECTIONS 39 and 43, above.

10          SECTION 46. 103.71 (1) (b) of the statutes is amended to read:

11          103.71 (1) (b) A diploma or certificate to this effect issued by the superintendent of the  
12 parochial school system or by the principal of the parochial or private school or tribal school  
13 last attended by such minor. Such superintendent, principal, or clerk shall issue such diploma  
14 or certificate upon receipt of any application in behalf of any minor entitled thereto. As used

1 in this paragraph the term "school district" shall apply to all regularly constituted school  
2 districts, including union free high school districts.

**NOTE:** Permits a child who has completed high school, including a tribal high school, to be employed during school hours.

3 **SECTION 47.** 115.001 (15m) of the statutes is created to read:

4 115.001 (15m) "Tribal school" means an institution with an educational program that  
5 has as its primary purpose providing education in any grade or grades from kindergarten to  
6 12 and that is one of the following:

7 (a) Controlled by the elected governing body of a federally recognized American Indian  
8 tribe or band in Wisconsin.

9 (b) Jointly controlled by the elected governing bodies of 2 or more federally recognized  
10 American Indian tribes or bands in Wisconsin.

11 (c) Controlled by a tribal educational authority established by a federally recognized  
12 American Indian tribe or band in Wisconsin.

13 (d) Controlled by a tribal educational authority established jointly by 2 or more  
14 federally recognized American Indian tribes or bands in Wisconsin.

**NOTE:** Defines tribal school for purposes of chs. 115 to 121, stats., which relate to K-12 education. This definition is also cross-referenced in statutes outside these chapters that are being amended by this draft to refer to tribal schools.

15 **SECTION 48.** 115.28 (7) (b) and (e) 1. and (11) (intro.) of the statutes are amended to  
16 read:

17 115.28 (7) (b) Subject to the same rules and laws concerning qualifications of applicants  
18 and granting and revocation of licenses or certificates under par. (a), the state superintendent  
19 shall grant certificates and licenses to teachers in private schools and tribal schools, except that  
20 teaching experience requirements for such certificates and licenses may be fulfilled by

1 teaching experience in ~~either public or private~~ or tribal schools. An applicant is not eligible  
2 for a license or certificate unless the state superintendent finds that the private school or tribal  
3 school in which the applicant taught offered an adequate educational program during the  
4 period of the applicant's teaching therein. Private schools are not obligated to employ only  
5 licensed or certified teachers.

**NOTE:** Provides that, although state law does not require that teachers in tribal schools have a state license, a state license may be issued if the applicant who teaches in a tribal school meets the state license criteria. Further provides that appropriate experience in a tribal school is counted in determining teaching experience under the state licensure law.

Whether a tribal school is obligated to employ only state licensed or certified teachers is determined by tribal law (or by federal law if the tribal school receives funding from the BIA). Because the issue is not determined by state law, the draft does not include language regarding the matter.

6 (e) 1. In this paragraph, "alternative education program" means an instructional  
7 program, approved by the school board, that utilizes successful alternative or adaptive school  
8 structures and teaching techniques and that is incorporated into existing, traditional  
9 classrooms or regularly scheduled curricular programs or that is offered in place of regularly  
10 scheduled curricular programs. "Alternative educational program" does not include a private  
11 school, a tribal school, or a home-based private educational program.

**NOTE:** For the alternative education program license, specifies that, like a private school, an alternative educational program does not include a tribal school.

12 (11) DRIVER EDUCATION COURSES. (intro.) Approve driver education courses offered by  
13 school districts, county children with disabilities education boards, and technical college  
14 districts for the purposes of s. 343.16 (1) (c) 1. and establish minimum standards for driver  
15 education courses offered in private schools and tribal schools for the purposes of s. 343.16

- 1 (1) (c) 3. All driver education courses approved or for which standards are established under  
2 this subsection shall do all of the following:

**NOTE:** Requires the State Superintendent to establish minimum standards for driver education courses offered in tribal schools so that the courses can be accepted by the DOT under ss. 343.06 (1) (c) and 343.16, stats., which relate to qualifications for a driver's license and examining applicants for a driver's license.

If the tribal school does not comply with the requirements for the driver education course, the consequence would be that DOT cannot accept the tribal school course for purposes of the driver's license statute.

- 3 **SECTION 49.** 115.28 (53) of the statutes is amended to read:

- 4 115.28 (53) ONLINE COURSES. Make online courses available for a reasonable fee,  
5 through a statewide web academy, to school districts, cooperative educational service  
6 agencies, and charter schools ~~and~~, private schools, and tribal schools located in this state.

**NOTE:** Requires the State Superintendent to make online courses available for a reasonable fee, through a statewide web academy, to tribal schools located in Wisconsin.

- 7 **SECTION 50.** 115.34 (2) of the statutes is amended to read:

- 8 115.34 (2) The state superintendent shall make payments to school districts, private  
9 schools, charter schools under s. 118.40 (2r), tribal schools, the program under s. 115.52, and  
10 the center under s. 115.525 for school lunches served to children in the prior year as determined  
11 by the state superintendent from the appropriation under s. 20.255 (2) (cn). Payments shall  
12 equal the state's matching obligation under 42 USC 1751 et seq. Payments in the current year  
13 shall be determined by prorating the state's matching obligation based on the number of school  
14 lunches served to children in the prior year. In this subsection, "private school" means any  
15 school defined in s. 115.001 (3r) which complies with the requirements of 42 USC 2000d.

**NOTE:** Adds tribal schools to the school lunch program. (According to DPI staff, tribal schools currently receive funds for the school lunch program.)

1           **SECTION 51.** 115.341 of the statutes is amended to read:

2           **115.341 School breakfast program. (1)** From the appropriation under s. 20.255 (2)  
3 (cm), the state superintendent shall reimburse each school board 15 cents for each breakfast  
4 served at a school that meets the requirements of 7 CFR 220.8 or 220.8a, whichever is  
5 applicable, and shall reimburse each governing body of a private school or tribal school 15  
6 cents for each breakfast served at the private school or tribal school that meets the  
7 requirements of 7 CFR 220.8 or 220.8a, whichever is applicable.

8           **(2)** If the appropriation under s. 20.255 (2) (cm) in any fiscal year is insufficient to pay  
9 the full amount of aid under this section, the state superintendent shall prorate state aid  
10 payments among the school boards and governing bodies of private schools and tribal schools  
11 entitled to the aid.

**NOTE:** Adds tribal schools to the school breakfast program. (According  
          to DPI staff, tribal schools currently receive funds for the school  
          breakfast program.)

12           **SECTION 52.** 115.343 (1) of the statutes is amended to read:

13           115.343 (1) The department shall establish a school day milk program. A public,  
14 private, or tribal school participating in the program shall offer each eligible child one  
15 half-pint of Wisconsin-produced whole milk, 2% milk, 1.5% milk, one percent milk, 0.5%  
16 milk, skim milk or chocolate milk on each day in which school is in session. If a child is  
17 allergic to milk or has metabolic disorders or other conditions which prohibit him or her from  
18 drinking milk, the child shall be offered juice as a substitute. Any school that participates in  
19 the program is encouraged to consider bids from local milk suppliers. The school shall keep  
20 all information related to the identity of the pupils who receive a beverage under the program  
21 confidential. In this subsection, "Wisconsin-produced" means that all or part of the raw milk  
22 used by the milk processor was produced in this state.

**NOTE:** Current law provides aid for the school day milk program. The draft clearly specifies that tribal schools may be participating schools.

1           **SECTION 53.** 115.345 (7m) of the statutes is amended to read:

2           115.345 (7m) A private school or tribal school may establish a food services plan for  
3 elderly persons. If the plan meets all of the requirements of this section and is approved by  
4 the state superintendent, the private school or tribal school is eligible for reimbursement in the  
5 same manner as school districts under sub. (5).

**NOTE:** Adds tribal schools as eligible for reimbursement for a food services plan for the elderly.

6           **SECTION 54.** 115.36 (1) and (2) (a), (b) and (d) 3. of the statutes are amended to read:

7           115.36 (1) The purpose of this section is to enable and encourage public and, private,
