***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Special Committee on State-Tribal Relations.

**GENERAL BACKGROUND**

**Current Law**

**Private Schools**

Under current law, a "private school" is defined in s. 115.001 (3r), stats., for the purposes of the K-12 education statutes (chs. 115 to 121, stats.) as an institution with a private educational program that: (1) meets all of the criteria under s. 118.165 (1), stats.; or (2) is determined to be a private school by the State Superintendent of Public Instruction (State Superintendent) under s. 118.167, stats., because evidence is

presented that it meets or exceeds the criteria in s. 118.165 (1), stats. Those criteria are that the educational program: (1) has as its primary purpose providing private or religious-based education; (2) is privately controlled; (3) provides at least 875 hours of instruction in each school year; (4) has a sequentially progressive curriculum of fundamental instruction in reading, language arts, mathematics, social studies, science, and health; (5) is not operated to avoid or circumvent the compulsory attendance laws; and (6) has its pupils return annually to their homes for at least two months of summer vacation or the institution is licensed as a child welfare agency.

Current law imposes certain requirements on private schools and provides certain benefits and protections to private schools and private school pupils and staff. A tribally operated school is not a private school.

#### Tribally Operated Schools

Under current Wisconsin statutes, tribally operated schools are dealt with only in subch. IV, ch. 115, stats., relating to the American Indian language and culture education program. In that subchapter, an "alternative school" is defined as "any nonsectarian private school or tribally operated school in this state which complies with the requirements of 42 USC 2000d [relating to prohibiting exclusion from participation, denial of benefits, or discrimination based on race, color, or national origin] and in which at least 75% of the pupils enrolled are American Indians". [s. 115.71 (1), stats. (emphasis added).]

Subchapter IV, ch. 115, then provides that any school district enrolling American Indian pupils or any "alternative school" may, after developing a plan containing certain elements and appointing a parent advisory committee, establish, on a voluntary basis, an American Indian language and culture education program which may contain certain elements. These schools are required to keep certain records, and the State Superintendent is required to periodically assess the needs of the program and evaluate available resources and programs. However, the programs of alternative schools can be evaluated only with the permission of the alternative school [s. 115.74 (1) (b), stats.]; and the assessment and evaluation can be "performed on Indian reservations and in other Indian communities recognized by the federal government only in conjunction with, or with the permission of, the respective tribal governments". [s. 115.74 (3), stats.]

A tribally operated school does not need authorization from the state to create an educational program related to American Indian language and culture. Rather, subch. IV, ch. 115, including its requirements to keep records, was enacted in connection with providing state categorical aid to a school district or alternative school that provided a program that met the criteria in subch. IV, ch. 115. State aid for such programs was eliminated by 2003 Wisconsin Act 33.

#### *Tribally Operated Schools in Wisconsin*

Currently, three schools in Wisconsin come under the tribally operated schools component of the "alternative school" definition in s. 115.71 (1), stats. They are: Menominee Tribal School; Oneida Nation of Wisconsin Schools; and Lac Courte Oreilles Ojibwe School. These schools have contracts with and are funded, in full or in part, by the U.S. Department of Interior, Bureau of Indian Affairs (BIA). (The Bad River Band of Lake Superior Chippewa Indians previously operated the Mashkiisibii Tribal School, but that school no longer exists. The Waadookodaading Charter School is, in part, supported by funds contributed by the Lac Courte Oreilles Band of Lake Superior Chippewa Indians. However, it is a public charter school, chartered by the Hayward School District. Thus, the bill does not affect it.)

Currently it appears that one school in Wisconsin meets the "nonsectarian private school...in which at least 75% of the pupils enrolled are American Indians" component of

✓

the "alternative school" definition in s. 115.71 (1), stats. It is the Indian Community School of Milwaukee, Inc. It appears that the state statutes dealing with private schools already apply to this school, and this bill does not affect it.

*Authority of the State with Regard to Tribally Operated Schools*

In general, state civil regulatory laws do not apply to a tribe or a member of that tribe on the tribe's reservation or off-reservation trust land unless an act of Congress, a treaty, or case law (that is, decisions by the courts) provides that the state law is applicable. Most K-12 education laws likely would be considered by the courts to be civil regulatory laws. It appears that neither an act of Congress nor any treaty has authorized the state to apply its civil regulatory education laws to a tribal school that is located on a tribe's reservation or off-reservation trust land. As for whether case law does so, court decisions suggest that, if a matter were litigated, a court would apply a balancing of interests test and hold that a state civil regulatory education law applies to a tribal school only if the state interests outweigh the tribal and federal interests. That analysis depends on the facts surrounding each individual statute; thus, there is no universal answer as to whether a state civil regulatory law applies to a tribal school.

However, in general, it appears that, with respect to most state K-12 education laws, the state does not have authority to impose such laws on tribal schools. Moreover, a tribe may choose to assert sovereign immunity if a legal action were filed against the tribal school or tribal school officials to enforce any such law.

Nonetheless, a state may choose to provide funding or other benefits to a tribal school and may condition such funding or benefits on meeting certain prerequisites.

**THE BILL--GENERAL COMMENTS**

The bill defines a "tribal school" in s. 115.001 (15m), stats., as an institution with an educational program that has as its primary purpose providing education in any grade or grades from kindergarten to 12 and that is: (a) controlled by the elected governing body of a federally recognized American Indian tribe or band in Wisconsin; (b) jointly controlled by the elected governing bodies of two or more federally recognized American Indian tribes or bands in Wisconsin; (c) controlled by the tribal educational authority established by a federally recognized American Indian tribe or band in Wisconsin; or (d) controlled by a tribal educational authority established jointly by two or more federally recognized American Indian tribes or bands in Wisconsin. That definition then applies in chs. 115 to 121 (statutes relating to K-12 education) under s. 115.001 (intro.), stats. The bill then uses the same definition by cross-reference in statutes outside chs. 115 to 121, stats.

*Private School References--Benefits*

The bill amends statutes that refer specifically to private schools, private school pupils, or private school staff and provide a benefit or protection to them, with the exception of statutes relating to: pupil transportation; special education; eligibility for bonding for certain building projects through the Wisconsin Health and Educational Facilities Authority; and statutes in ch. 119, stats., that refer to private schools (since ch. 119 relates only to the Milwaukee Public Schools). In general, the amendments add references to tribal schools, tribal school pupils, or tribal school staff in those statutes.

*Private School References--Benefit Linked to Requirement*

In some cases, the bill includes language relating to tribal schools that is not identical to current statutes relating to private schools. These relate to statutes in which a requirement is integrally linked to a benefit provided--for example, statutes allowing a private school to receive certain confidential records but prohibiting redisclosure of the records. For those statutes, the bill generally extends the benefit to a tribal school that chooses to comply with the required provision.

*Private School References--Requirements Not Imposed on Tribal Schools*

With respect to statutes that explicitly impose a requirement on private schools unrelated to a benefit, the bill does *not* add a reference to tribal schools. Such statutes include requirements to: make a report to the Department of Public Instruction (DPI) about enrollment; report to DPI charges and convictions of certain crimes and dismissals and resignations related to immoral conduct of a person licensed by DPI and employed by the school; display the flag and offer the pledge of allegiance or national anthem; have a first aid kit; conduct fire, tornado, or other hazard drills and file reports on those drills with the Department of Commerce and chief of the local fire department; distribute information about meningococcal disease; annually inform professional staff about resources available regarding suicide prevention; establish school safety zones; prohibit the use of a pupil's Social Security number as a pupil identification number; have periodic lead inspections in kindergarten; and abide by restaurant regulations if food is brought in under contract.

*Generic School References*

The bill amends several statutes that refer generically to schools without explicitly referring to public schools, private schools, or tribal schools to make clear that if a benefit or protection applies to the school, school pupils, and school staff, the benefit also applies to tribal schools, tribal school pupils, and tribal school staff. The bill does not amend statutes that impose a requirement generically on schools, including private schools, to impose the requirement on tribal schools, for example, statutes relating to excluding children who have not met the immunization or waiver of immunization requirements. Whether such requirements apply to tribal schools is an issue to be resolved by the courts.

**THE BILL--LIST OF BENEFITS AND PROTECTIONS PROVIDED TO TRIBAL SCHOOLS, TRIBAL SCHOOL PUPILS, AND TRIBAL SCHOOL STAFF**

The benefits and protections provided in the bill to tribal schools, tribal school pupils, and tribal school staff are briefly listed below in each of these categories. Each listing is followed by a reference to the SECTION number in the bill. The provisions of the bill are further explained in the NOTE following each SECTION of the bill. [In some cases, a benefit or protection could have been included in more than one category because of overlapping considerations (for example, permitting disclosure to tribal schools of certain confidential police records could ultimately benefit the tribal school, tribal school pupils, and tribal school staff). However, each provision in the bill is listed in only one category below, namely, what appeared to be the most pertinent category.]

(e), the amount of reimbursement may not exceed the total cost of the veteran's tuition minus any grants or scholarships that the veteran receives specifically for the payment of the tuition, or, if the tuition is for an undergraduate semester in any institution of higher education, the standard cost of tuition for a state resident for an equivalent undergraduate semester at the University of Wisconsin-Madison, whichever is less.

(d) 1. A veteran's eligibility for reimbursement under this subsection at any institution of higher education in this state, at a school that is approved under s. 45.03 (11), at a proprietary school that is approved under s. 38.50, at a public or private high school, at a tribal school, as defined in s. 115.001 (15m), that operates any grade from 9 to 12, or at an institution where he or she is receiving a waiver of nonresident tuition under s. 39.47 is limited to the following:

NOTE: Provides that a veteran is eligible for reimbursement for a course taken at a tribal high school under certain circumstances.

SECTION 28. 46.275 (3r) (a) 3. of the statutes is amended to read:

46.275 (3r) (a) 3. The person will be relocated into the home of the person's parent or guardian and will be receiving state monitoring of the relocation and services provided by a public or private school or a tribal school, as defined in s. 115.001 (15m).

NOTE: Current law permits DHS to relocate a resident of a state center for the developmentally disabled to the community without county participation under certain circumstances, including the circumstance in s. 46.275 (3r) (a) 3., stats., which is amended to include a tribal school.

1 SECTION 29. 48.02 (18m) of the statutes is created to read:

2 48.02 (18m) "Tribal school" has the meaning given in s. 115.001 (15m).

6 SECTION 31. 48.345 (12) (c) of the statutes is amended to read:

7 48.345 (12) (c) The judge shall order the county department, department, in

8 a county having a population of 500,000 or more, or licensed child welfare agency

9 responsible for supervising the child to disclose to the school board, technical college

11 providing an educational program under par. (a) 3. records or information about the

12 child, as necessary to assure the provision of appropriate educational services under

13 par. (a).

NOTE: Under current law, a CHIPS dispositional order may include an order that a child attend an educational program provided by the school district or one of several programs under contract with the school district. Current law does not include a tribal school.

SECTION 30 amends 30

to specify  
SECTION 31 amends 30  
auto-ref # 31 at this page, line 6

Section 48.345 (12) (a) 5., stats., specifies that the court is permitted to order a child to attend a tribal school if the school district has a contract with the tribal school for such placements. Section 48.345 (12) (c), stats., is amended to require the court to order the supervising agency to disclose information to the tribal school necessary to assure appropriate educational services in such cases. Also see the treatment of ss. 121.78 (4) and 938.34 (7d) (a) 5. and (c), stats., below.

14 SECTION 32. 48.355 (2) (c) of the statutes is amended to read:

15 48.355 (2) (c) If school attendance is a condition of an order under par. (b) 7.,

16 the order shall specify what constitutes a violation of the condition and shall direct

17 the school board of the school district, or the governing body of the private school, in

18 which the child is enrolled, or shall request the governing body of the tribal school

19 in which the child is enrolled, to notify the county department that is responsible for

1 supervising the child or, in a county having a population of 500,000 or more, the  
2 department within 5 days after any violation of the condition by the child.

NOTE: Under s. 48.355 (2) (b) 7., stats., a CHIPS dispositional order may state the conditions with which the child must comply. If school attendance is a condition, current law requires that the order direct the school board or the governing body of a private school to notify the court within five days of a violation of the condition. The bill requires that the court order request that a tribal school do so.

3 SECTION 33. 48.396 (1) of the statutes is amended to read:

4 48.396 (1) Law enforcement officers' records of children shall be kept separate  
5 from records of adults. Law enforcement officers' records of the adult expectant  
6 mothers of unborn children shall be kept separate from records of other adults. Law  
7 enforcement officers' records of children and the adult expectant mothers of unborn  
8 children shall not be open to inspection or their contents disclosed except under sub.  
9 (1b), (1d), (5), or (6) or s. 48.293 or by order of the court. This subsection does not  
10 apply to the representatives of newspapers or other reporters of news who wish to  
11 obtain information for the purpose of reporting news without revealing the identity  
12 of the child or adult expectant mother involved, to the confidential exchange of  
13 information between the police and officials of the public or private school attended  
14 by the child or other law enforcement or social welfare agencies, or to children 10  
15 years of age or older who are subject to the jurisdiction of the court of criminal  
16 jurisdiction. A public school official who obtains information under this subsection  
17 shall keep the information confidential as required under s. 118.125, and a private  
18 school official who obtains information under this subsection shall keep the  
19 information confidential in the same manner as is required of a public school official  
20 under s. 118.125. This subsection does not apply to the confidential exchange of  
21 information between the police and officials of the tribal school attended by the child  
22 if the police determine that enforceable protections are provided by a tribal school

1 policy or tribal law that requires tribal school officials to keep the information  
 2 confidential in a manner at least as stringent as is required of a public school official  
 3 under s. 118.125. A law enforcement agency that obtains information under this  
 4 subsection shall keep the information confidential as required under this subsection  
 5 and s. 938.396 (1) (a). A social welfare agency that obtains information under this  
 6 subsection shall keep the information confidential as required under ss. 48.78 and  
 7 938.78.

NOTE: Current law provides that the subsection that specifies that, subject to certain exceptions, law enforcement records relating to children under ch. 48 (the children's code) are confidential does not apply to the confidential exchange of information between the police and school officials. Current law further requires that public school officials who obtain information under this provision keep the information confidential as required in s. 118.125, stats. (relating to the confidentiality of pupil records). Current law also requires that private school officials who obtain information under this provision keep the information confidential in the same manner as is required of a public school official. ~~The bill~~ permits the police to confidentially exchange information with tribal school officials if the police determine that a tribal school policy or tribal law provides enforceable protections that require tribal school officials to keep the information confidential in a manner at least as stringent as is required of public and private school officials.

8 **SECTION 34.** 48.65 (2) (b) of the statutes is amended to read:  
 9 48.65 (2) (b) A public or parochial school or a tribal school.

NOTE: The day care license statute requires that, with certain exceptions, a facility that provides care for four or more children under the age of seven must obtain a day care center license. Because the day care license statute is a state civil regulatory law, it is not clear that this statute applies to a facility operated by a tribe or tribal member on a reservation or off-reservation trust land, although a tribe or tribal member may choose to obtain a license. In the event a court interprets the day care license statute as applying to a tribe or tribal member, ~~the bill~~ makes clear that a tribal school is not subject to this statute.

10 **SECTION 35.** 48.78 (2) (b) of the statutes is amended to read:  
 11 48.78 (2) (b) Paragraph (a) does not apply to the confidential exchange of  
 12 information between an agency and another social welfare agency, a law  
 13 enforcement agency, a public school, or a private school regarding an individual in  
 14 the care or legal custody of the agency. A social welfare agency that obtains  
 15 information under this paragraph shall keep the information confidential as

1 required under this section and s. 938.78. A law enforcement agency that obtains  
2 information under this paragraph shall keep the information confidential as  
3 required under ss. 48.396 (1) and 938.396 (1) (a). A public school that obtains  
4 information under this paragraph shall keep the information confidential as  
5 required under s. 118.125; and a private school that obtains information under this  
6 paragraph shall keep the information confidential in the same manner as is required  
7 of a public school under s. 118.125. Paragraph (a) does not apply to the confidential  
8 exchange of information between an agency and officials of a tribal school regarding  
9 an individual in the care or legal custody of the agency if the agency determines that  
10 enforceable protections are provided by a tribal school policy or tribal law that  
11 requires tribal school officials to keep the information confidential in a manner at  
12 least as stringent as is required of a public school official under s. 118.125.

NOTE: Section 48.78 (2) (a), stats., provides that, subject to certain exceptions, DCF, a county department of human services or county department of social services, a licensed child welfare agency, or a licensed day care center (collectively referred to as agency) must keep its records relating to children under ch. 48, stats., confidential. Section 48.78 (2) (b), stats., provides an exception and permits the confidential exchange of information with a public or private school which is then required to keep the information confidential if required to do so under the pupil records statute. ~~The bill~~ permits an agency to confidentially exchange information with tribal school officials if the agency determines that a tribal school policy or tribal law provides enforceable protections that require tribal school officials to keep the information confidential in a manner at least as stringent as is required of public and private school officials.

13 SECTION 36. 49.26 (1) (a) 2. bm. of the statutes is created to read:

14 49.26 (1) (a) 2. bm. A tribal school, as defined in s. 115.001 (15m).

NOTE: Includes a tribal school in the definition of a "school" under the Learnfare Program, which requires certain individuals to attend school under certain circumstances as a condition of eligibility under the Wisconsin Works Program.

15 SECTION 37. 49.26 (1) (g) 2. of the statutes is amended to read:

16 49.26 (1) (g) 2. The individual has not graduated from a public or private, or  
17 tribal high school or obtained a declaration of equivalency of high school graduation  
18 under s. 115.29 (4).

NOTE: Provides an exception for the school attendance requirement under the Learnfare Program if an individual has graduated from a tribal high school.

1           **SECTION 38.** 51.45 (4) (d) of the statutes is amended to read:  
 2           51.45 (4) (d) Cooperate with the department of public instruction, local boards

 4 departments, courts, and other public and private agencies, organizations, and  
 5 individuals in establishing programs for the prevention of alcoholism and treatment  
 6 of alcoholics and intoxicated persons, and preparing curriculum materials thereon  
 7 for use at all levels of school education.

NOTE: Requires DHS to cooperate with various entities, including tribal schools, to establish alcoholism prevention and treatment programs and to prepare curriculum materials.

10          **SECTION 40.** 103.23 (2) (intro.) and (a) of the statutes are amended to read:

11          103.23 (2) (intro.) A minor under 12 years of age may work in a fund-raising  
 12 sale for a nonprofit organization, a public school ~~or~~, a private school, or a tribal school  
 13 under the following conditions:

14           (a) Each minor must give the nonprofit organization, public school ~~or~~, private  
 15 school, or tribal school written approval from the minor's parent or guardian.

16          **SECTION 41.** 103.25 (3m) (c) and (5) of the statutes are amended to read:

17          103.25 (3m) (c) This subsection does not apply to employment of a minor by a  
 18 newspaper publisher or in a fund-raising sale for a nonprofit organization, a public  
 19 school ~~or~~, a private school, or a tribal school.

20          (5) This section does not apply to employment of a minor in a fund-raising sale  
 21 for a nonprofit organization, a public school ~~or~~, a private school, or a tribal school.

22          **SECTION 42.** 103.27 (3) of the statutes is amended to read:

1 103.27 (3) This section does not apply to employment of a minor in a  
2 fund-raising sale for a nonprofit organization, a public school ~~or~~, a private school, or  
3 a tribal school.

4 SECTION 43. 103.275 (8) of the statutes is amended to read:

5 103.275 (8) EXCEPTION. This section does not apply to the employment of a  
6 minor by a newspaper publisher or in a fund-raising sale for a nonprofit  
7 organization, a public school ~~or~~, a private school, or a tribal school.

NOTE: SECTION 39 creates a definition of "tribal school" for purposes of the statutes relating to minors working in the street trades or fund raising. In general, minors raising funds by selling for a public or private school are exempt from these statutes. The courts have not made clear if these statutes may be applied on reservations or on off-reservation trust land to minors who are engaged in such activities for a tribal school. While a court may be less likely to apply the statute to American Indian minors who are raising funds on their own reservation or off-reservation trust land, it is possible that a court would apply the statute to non-Indian minors who are raising funds for a tribal school.

9 103.64 (6) "Tribal school" has the meaning given in s. 115.001 (15m).

NOTE: Defines tribal school as used in ss. 103.67 (2) (c) and 103.71 (1) (b), below.

10 SECTION 45. 103.67 (2) (c) of the statutes is amended to read:

11 103.67 (2) (c) Minors 12 years of age or older may be employed in street trades,

14 SECTION 46. 103.71 (1) (b) of the statutes is amended to read:

auto-rel #39 at p. 27, line 8

15 103.71 (1) (b) A diploma or certificate to this effect issued by the superintendent  
16 of the parochial school system or by the principal of the parochial or private school  
17 or tribal school last attended by such minor. Such superintendent, principal, or clerk  
18 shall issue such diploma or certificate upon receipt of any application in behalf of any

1 minor entitled thereto. As used in this paragraph the term "school district" shall  
2 apply to all regularly constituted school districts, including union free high school  
3 districts.

NOTE: Permits a child who has completed high school, including a tribal high school, to be employed during school hours.

4 SECTION 47. 115.001 (15m) of the statutes is created to read:

5 115.001 (15m) "Tribal school" means an institution with an educational  
6 program that has as its primary purpose providing education in any grade or grades  
7 from kindergarten to 12 and that is one of the following:

8 (a) Controlled by the elected governing body of a federally recognized American  
9 Indian tribe or band in this state.

10 (b) Jointly controlled by the elected governing bodies of 2 or more federally  
11 recognized American Indian tribes or bands in this state.

12 (c) Controlled by a tribal educational authority established by a federally  
13 recognized American Indian tribe or band in this state.

14 (d) Controlled by a tribal educational authority established jointly by 2 or more  
15 federally recognized American Indian tribes or bands in this state.

NOTE: Defines tribal school for purposes of chs. 115 to 121, stats., which relate to K-12 education. This definition is also cross-referenced in statutes outside these chapters that are being amended by this bill to refer to tribal schools.

16 SECTION 48. 115.28 (7) (b) and (e) 1. and (11) (intro.) of the statutes are amended  
17 to read:

18 115.28 (7) (b) Subject to the same rules and laws concerning qualifications of  
19 applicants and granting and revocation of licenses or certificates under par. (a), the  
20 state superintendent shall grant certificates and licenses to teachers in private  
21 schools and tribal schools, except that teaching experience requirements for such  
22 certificates and licenses may be fulfilled by teaching experience in either public or

1 private, or tribal schools. An applicant is not eligible for a license or certificate unless  
2 the state superintendent finds that the private school or tribal school in which the  
3 applicant taught offered an adequate educational program during the period of the  
4 applicant's teaching therein. Private schools are not obligated to employ only  
5 licensed or certified teachers.

NOTE: Provides that, although state law does not require that teachers in tribal schools have a state license, a state license may be issued if the applicant who teaches in a tribal school meets the state license criteria. Further provides that appropriate experience in a tribal school is counted in determining teaching experience under the state licensure law.

Whether a tribal school is obligated to employ only state licensed or certified teachers is determined by tribal law (or by federal law if the tribal school receives funding from the BIA). Because the issue is not determined by state law, the bill does not include language regarding the matter.

6 (e) 1. In this paragraph, "alternative education program" means an  
7 instructional program, approved by the school board, that utilizes successful  
8 alternative or adaptive school structures and teaching techniques and that is  
9 incorporated into existing, traditional classrooms or regularly scheduled curricular  
10 programs or that is offered in place of regularly scheduled curricular programs.  
11 "Alternative educational program" does not include a private school, a tribal school,  
12 or a home-based private educational program.

NOTE: For the alternative education program license, specifies that, like a private school, an alternative educational program does not include a tribal school.

13 (11) DRIVER EDUCATION COURSES. (intro.) Approve driver education courses  
14 offered by school districts, county children with disabilities education boards, and  
15 technical college districts for the purposes of s. 343.16 (1) (c) 1. and establish  
16 minimum standards for driver education courses offered in private schools and tribal  
17 schools for the purposes of s. 343.16 (1) (c) 3. All driver education courses approved  
18 or for which standards are established under this subsection shall do all of the  
19 following:

NOTE: Requires the State Superintendent to establish minimum standards for driver education courses offered in tribal schools so that the courses can be accepted by DOT under ss. 343.06 (1) (c) and 343.16, stats., which relate to qualifications for a driver's license and examining applicants for a driver's license.

If the tribal school does not comply with the requirements for the driver education course, the consequence would be that DOT cannot accept the tribal school course for purposes of the driver's license statute.

1           **SECTION 49.** 115.28 (53) of the statutes is amended to read:

2           115.28 (53) **ONLINE COURSES.** Make online courses available for a reasonable  
3 fee, through a statewide web academy, to school districts, cooperative educational  
4 service agencies, and charter schools and, private schools, and tribal schools located  
5 in this state.

NOTE: Requires the State Superintendent to make online courses available for a reasonable fee, through a statewide web academy, to tribal schools located in Wisconsin.

6           **SECTION 50.** 115.34 (2) of the statutes is amended to read:

7           115.34 (2) The state superintendent shall make payments to school districts,  
8 private schools, charter schools under s. 118.40 (2r), tribal schools, the program  
9 under s. 115.52, and the center under s. 115.525 for school lunches served to children  
10 in the prior year as determined by the state superintendent from the appropriation  
11 under s. 20.255 (2) (cn). Payments shall equal the state's matching obligation under  
12 42 USC 1751 et seq. Payments in the current year shall be determined by prorating  
13 the state's matching obligation based on the number of school lunches served to  
14 children in the prior year. In this subsection, "private school" means any school  
15 defined in s. 115.001 (3r) which complies with the requirements of 42 USC 2000d.

NOTE: Adds tribal schools to the school lunch program. (According to DPI staff, tribal schools currently receive funds for the school lunch program.)

16           **SECTION 51.** 115.341 of the statutes is amended to read:

17           **115.341 School breakfast program.** (1) From the appropriation under s.  
18 20.255 (2) (cm), the state superintendent shall reimburse each school board 15 cents  
19 for each breakfast served at a school that meets the requirements of 7 CFR 220.8 or

1 220.8a, whichever is applicable, and shall reimburse each governing body of a  
2 private school or tribal school 15 cents for each breakfast served at the private school  
3 or tribal school that meets the requirements of 7 CFR 220.8 or 220.8a, whichever is  
4 applicable.

5 (2) If the appropriation under s. 20.255 (2) (cm) in any fiscal year is insufficient  
6 to pay the full amount of aid under this section, the state superintendent shall  
7 prorate state aid payments among the school boards and governing bodies of private  
8 schools and tribal schools entitled to the aid.

NOTE: Adds tribal schools to the school breakfast program. (According to DPI staff,  
tribal schools currently receive funds for the school breakfast program.)

9 SECTION 52. 115.343 (1) of the statutes is amended to read:

10 115.343 (1) The department shall establish a school day milk program. A  
11 public, private, or tribal school participating in the program shall offer each eligible  
12 child one half-pint of Wisconsin-produced whole milk, 2% milk, 1.5% milk, one  
13 percent milk, 0.5% milk, skim milk or chocolate milk on each day in which school is  
14 in session. If a child is allergic to milk or has metabolic disorders or other conditions  
15 which prohibit him or her from drinking milk, the child shall be offered juice as a  
16 substitute. Any school that participates in the program is encouraged to consider  
17 bids from local milk suppliers. The school shall keep all information related to the  
18 identity of the pupils who receive a beverage under the program confidential. In this  
19 subsection, "Wisconsin-produced" means that all or part of the raw milk used by the  
20 milk processor was produced in this state.

NOTE: Current law provides aid for the school day milk program. The bill clearly  
specifies that tribal schools may be participating schools.

SECTION

21 SECTION 53. 115.345 (7m) of the statutes is amended to read:

1           115.345 (7m) A private school or tribal school may establish a food services plan  
2 for elderly persons. If the plan meets all of the requirements of this section and is  
3 approved by the state superintendent, the private school or tribal school is eligible  
4 for reimbursement in the same manner as school districts under sub. (5).

NOTE: Adds tribal schools as eligible for reimbursement for a food services plan for  
the elderly.

5           SECTION 54. 115.36 (1) and (2) (a), (b) and (d) 3. of the statutes are amended  
6 to read:

7           115.36 (1) The purpose of this section is to enable and encourage public and,  
8 private, and tribal schools to develop comprehensive programs to prevent or  
9 ameliorate alcohol and other drug abuse among minors.

10           (2) (a) Develop and conduct training programs for the professional staff of  
11 public and, private, and tribal schools in alcohol and other drug abuse prevention,  
12 intervention, and instruction programs.

13           (b) Provide consultation and technical assistance to public and, private, and  
14 tribal schools for the development and implementation of alcohol and other drug  
15 abuse prevention, intervention, and instruction programs.

16           (d) 3. The systematic dissemination of information concerning available  
17 resources to appropriate public and, private, and tribal school staff.

NOTE: Includes tribal schools in DPT's program to assist schools in developing  
alcohol and other drug abuse programs.

18           SECTION 55. 115.365 (1), (2) (a) and (b) and (3) of the statutes are amended to  
19 read:

20           115.365 (1) The purpose of this section is to enable and encourage public and,  
21 private, and tribal schools to develop programs designed to prevent suicide among  
22 minors.

1           (2) Develop and conduct training programs in suicide prevention for the  
2 professional staff of public ~~and~~, private, and tribal schools and county departments  
3 under ss. 46.215, 46.22, and 51.42. The programs shall include information on how  
4 to assist minors in the positive emotional development which will help prevent  
5 suicidal tendencies; the detection, by minors, school staff, and parents, of conditions  
6 which indicate suicidal tendencies; the proper action to take when there is reason to  
7 believe that a minor has suicidal tendencies or is contemplating suicide; and the  
8 coordination of school suicide prevention programs and activities with the suicide  
9 prevention and intervention programs and activities of other state and local  
10 agencies. Persons other than the professional staff of public ~~and~~, private, and tribal  
11 schools and county departments under ss. 46.215, 46.22, and 51.42 may attend the  
12 training programs. The department may charge such persons a fee sufficient to cover  
13 the increased costs to the department of their participation in the programs.

14           (b) Provide consultation and technical assistance to public ~~and~~, private, and  
15 tribal schools for the development and implementation of suicide prevention  
16 programs and the coordination of those programs with the suicide prevention and  
17 intervention programs of other state and local agencies.

18           (3) Each school board and the governing body of each private school annually  
19 shall inform their professional staff of the resources available from the department  
20 and other sources regarding suicide prevention. The department annually shall  
21 provide school boards and the governing bodies of private and tribal schools with a  
22 model notice, describing the suicide prevention services that it has developed and  
23 how staff may access those services, that school boards and governing bodies of  
24 private and tribal schools may use to inform their professional staff.

NOTE: Includes tribal schools in DPI's program to assist schools in developing suicide prevention programs. Requires that DPI provide a model notice to the governing body of a tribal school, which can be used to inform tribal school professional staff about suicide prevention services that DPI has developed and how to access those services. However, in contrast to requirements imposed on public, private, and charter schools, the bill does not require that tribal schools annually inform professional staff about resources available regarding suicide prevention.
