LRB Number 09-1424/1	Introduction Number AB-0218	Estimate Type Original
Description Penalty surcharges, court fees, drivers' records, and drug and alcohol assessment for persons who commit certain offenses relating to driving while intoxicated		

Assumptions Used in Arriving at Fiscal Estimate

This bill requires persons who commit a first offense driving while intoxicated and who have a blood alcohol concentration between 0.08 to .099 to be liable for a penalty surcharge for driver improvement programs and to comply with an alcohol and other drug assessment before they can be eligible for reinstatement of his or her driving privileges. The bill also requires DOT to keep a record of this offense permanently.

It is anticipated that this legislation will have no fiscal impact on the Department of Corrections or local county jails.
